# Graduation

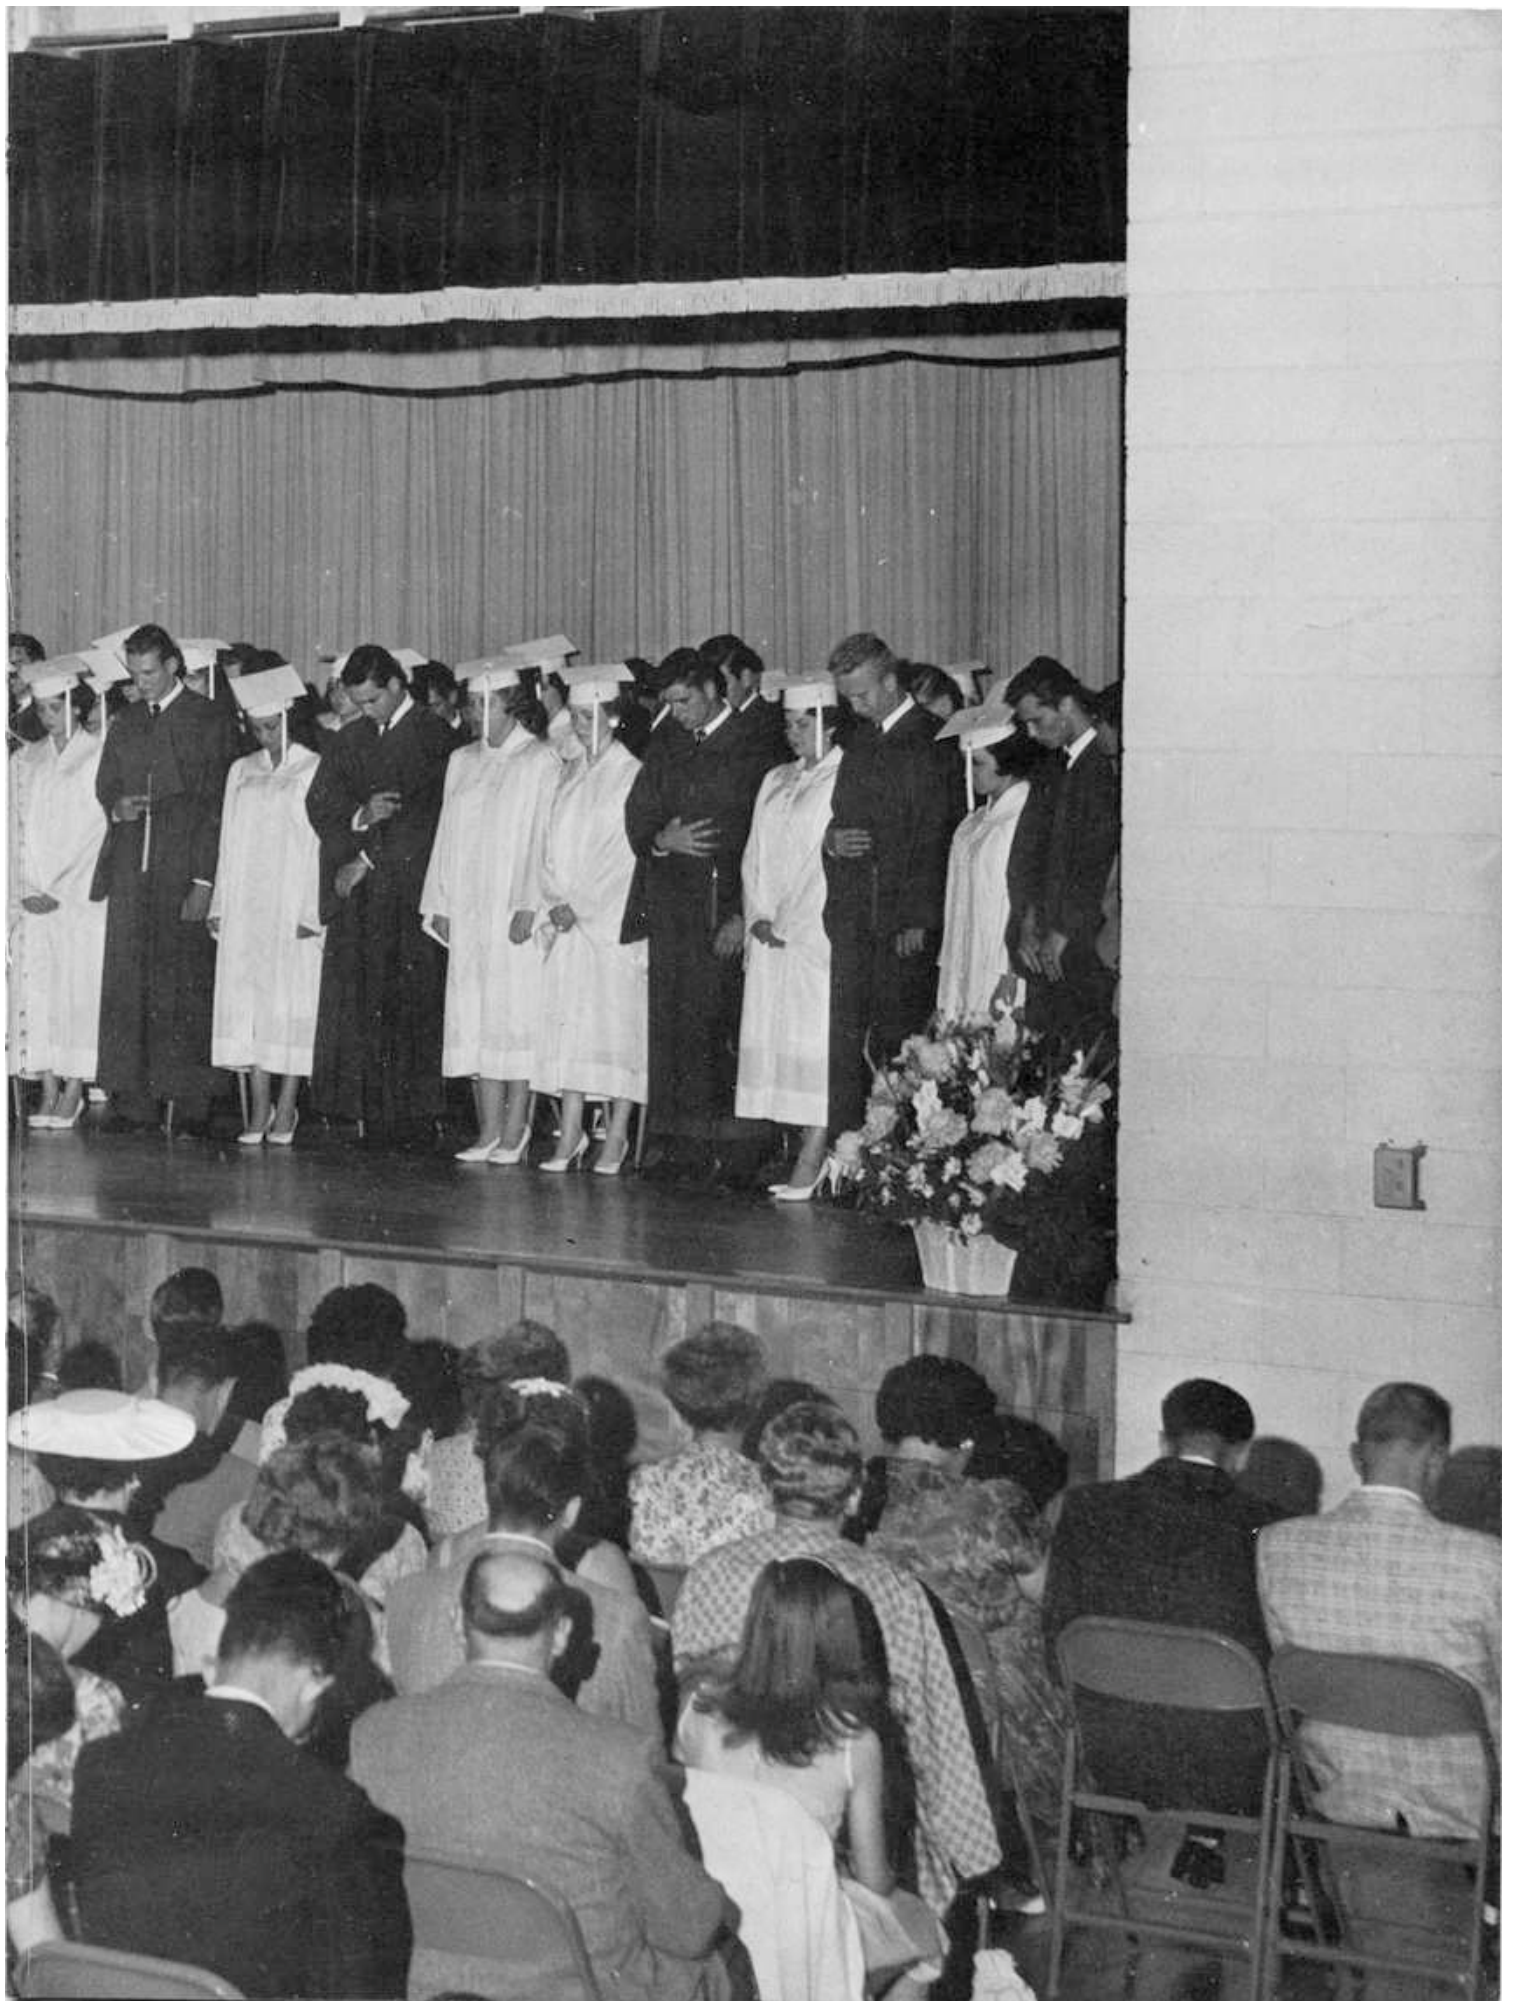

1961

SEC.  
234  
HOME

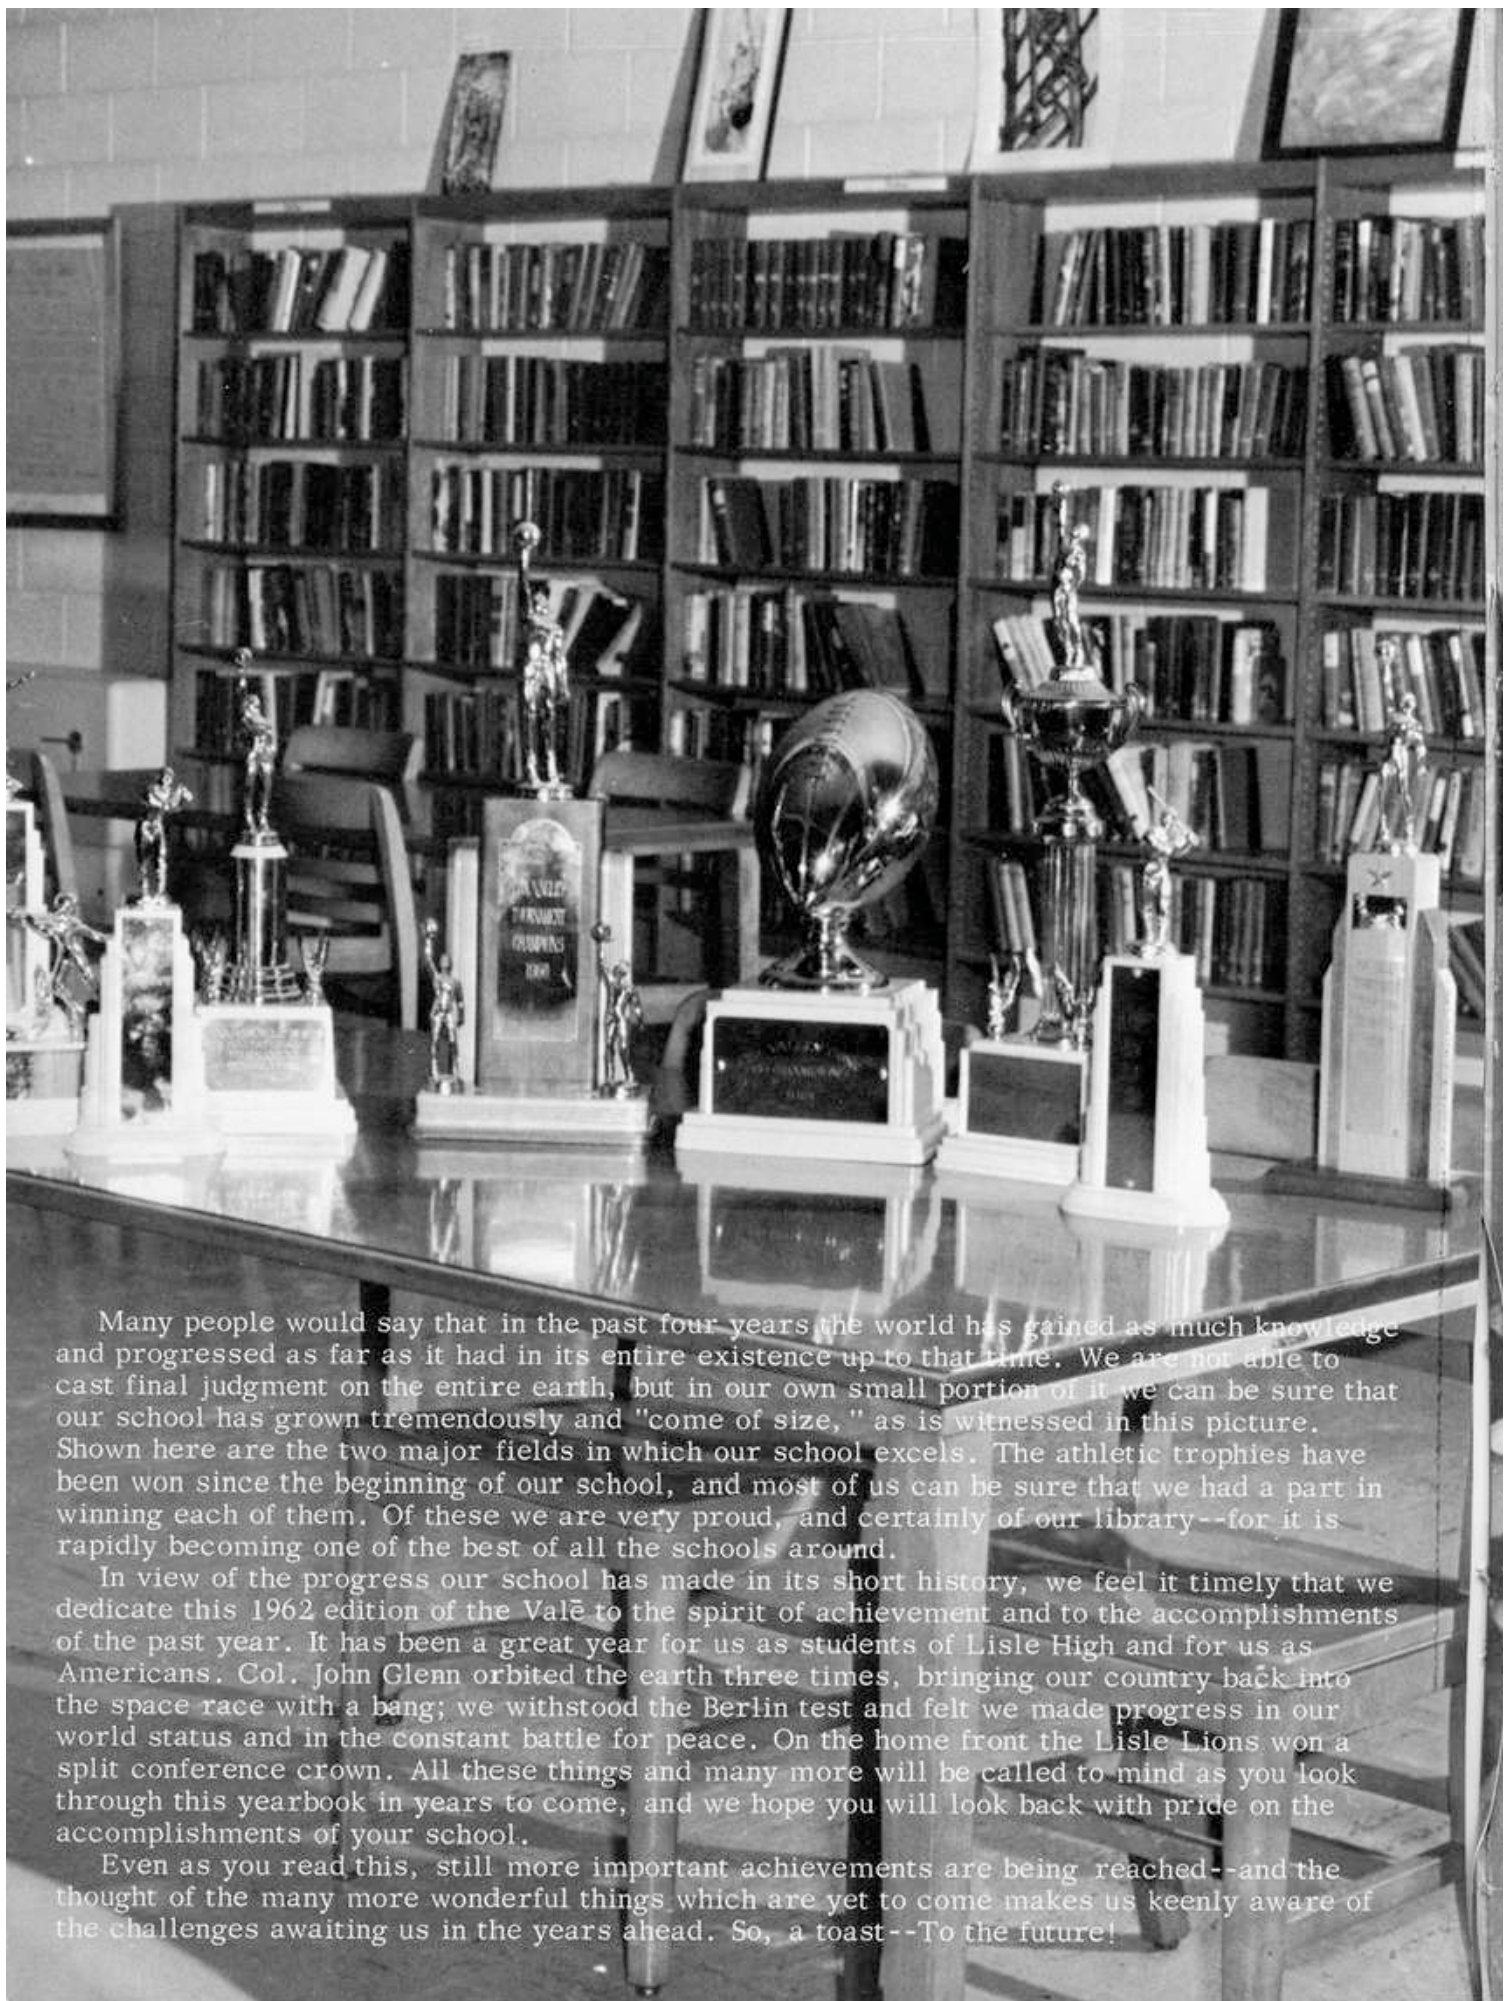

To open our 1962 Vale, it is only fitting that we start at the beginning. Therefore, we start with Graduation, 1961, for from this moment on, we became the Senior Class. For the class of '61, this graduation was a joyous and yet strangely sad time. They, however, have weathered one year away from us, and we find ourselves standing on the world's threshold-wondering if we can ever again be as happy and carefree, as worked yet relaxed, as we have been in our four short years here at Lisle High.

Many people would say that in the past four years the world has gained as much knowledge and progressed as far as it had in its entire existence up to that time. We are not able to cast final judgment on the entire earth, but in our own small portion of it we can be sure that our school has grown tremendously and "come of size," as is witnessed in this picture. Shown here are the two major fields in which our school excels. The athletic trophies have been won since the beginning of our school, and most of us can be sure that we had a part in winning each of them. Of these we are very proud, and certainly of our library--for it is rapidly becoming one of the best of all the schools around.

In view of the progress our school has made in its short history, we feel it timely that we dedicate this 1962 edition of the Vale to the spirit of achievement and to the accomplishments of the past year. It has been a great year for us as students of Lisle High and for us as Americans. Col. John Glenn orbited the earth three times, bringing our country back into the space race with a bang; we withstood the Berlin test and felt we made progress in our world status and in the constant battle for peace. On the home front the Lisle Lions won a split conference crown. All these things and many more will be called to mind as you look through this yearbook in years to come, and we hope you will look back with pride on the accomplishments of your school.

Even as you read this, still more important achievements are being reached--and the thought of the many more wonderful things which are yet to come makes us keenly aware of the challenges awaiting us in the years ahead. So, a toast--To the future!

## Mr. Knoop

Our superintendent, Mr. Knoop, is kept busy from morning to night trying to keep our school running smoothly. Besides taking care of and ironing out our personal conflicts, it is he that must see we have something to study, someone to teach us, and, most important, the time and opportunity to learn.

## Mr. Cusic

Although Mr. Cusic has to spend a great deal of time running a school as large as ours, and although he has to teach and coach (which we are sure he enjoys doing to a winning Lions Football team), he always has time to talk to us about any problem we may have, about what college we should choose, or just how we may get more out of our time at L.C.H.S.

 Cheerleaders

This year has been busy for Mrs. Shannon, with the new library, Latin Classes, and, of course, the Yearbook. We can, however, always find her in a very joyous mood, no matter how high the pile of books, papers, or copy that tries to hide her.

Working right beside Mrs. Shannon on that mountain of books is Mrs. Shultz. We can always find Mrs. Shultz hard at work in either the library or office, but we find that she, too, is always willing to take a few moments to talk to us or to give us help in those problems which seem to be forever around us.

# Our Office Staff

Mrs. Everette

Mrs. James

As we started with Mr. Knoop and Mr. Cusic, it is only fitting that we should close with Mrs. Everette and Mrs. James. For as Mr. Cusic and Mr. Knoop make the decisions as to how our school should be run, it is Mrs. Everette and Mrs. James who see that the decisions are written down and made available to us. But even more important, at least to us, is the fact that we can always come to these people when we have some problem, be it needing money for an organization, or just general information on how to succeed in our attempts here.

# Organization

SCIENCE CLUB

FHA FUTURE HOMEMAKERS OF AMERICA

## Student Council

The aims of our Student Council are many and varied; it has tried to raise the spirit of our school through both curricular and extra-curricular activities. It has presented many programs which are designed to entertain and educate us, and through programs such as jamborees and talent shows has increased student participation.

# National Honor Society

The National Honor Society's Athenian chapter has now been in existence for three years at Lisle. Election to this society has become an honor sought for by juniors and seniors alike. It is the National Honor Society that sponsors our annual Honor Banquet.

## Inventors' Club

Our newly chartered Inventors' Club is a small energetic group composed of people who are interested mainly in the sciences used in daily life. The possibilities for programs are unlimited.

# Girls' Athletic Association

How can we ever forget the good times we had as members of G.A.A. We shared equal enthusiasm in all sports, including bowling, basketball and volleyball.

# Future Homemakers of America

The F.H.A. represents a group of girls who are interested in improving their homemaking skills. Their growing numbers show the increasing concern about future and present home life among our students.

# Library Aides

We will always remember the enjoyable time we had while learning the proper use of the library and aiding other students to appreciate it as we do.

# Drama Club

This year, as in the past, the Drama Club has attained that air of perfection for which it is so well known.

# Pep Club

The function of the Pep Club is to generate enthusiasm, as its name indicates. This year's group lived up to its name by doing a very good job of fusing the sentiments of the students into a real "school spirit."

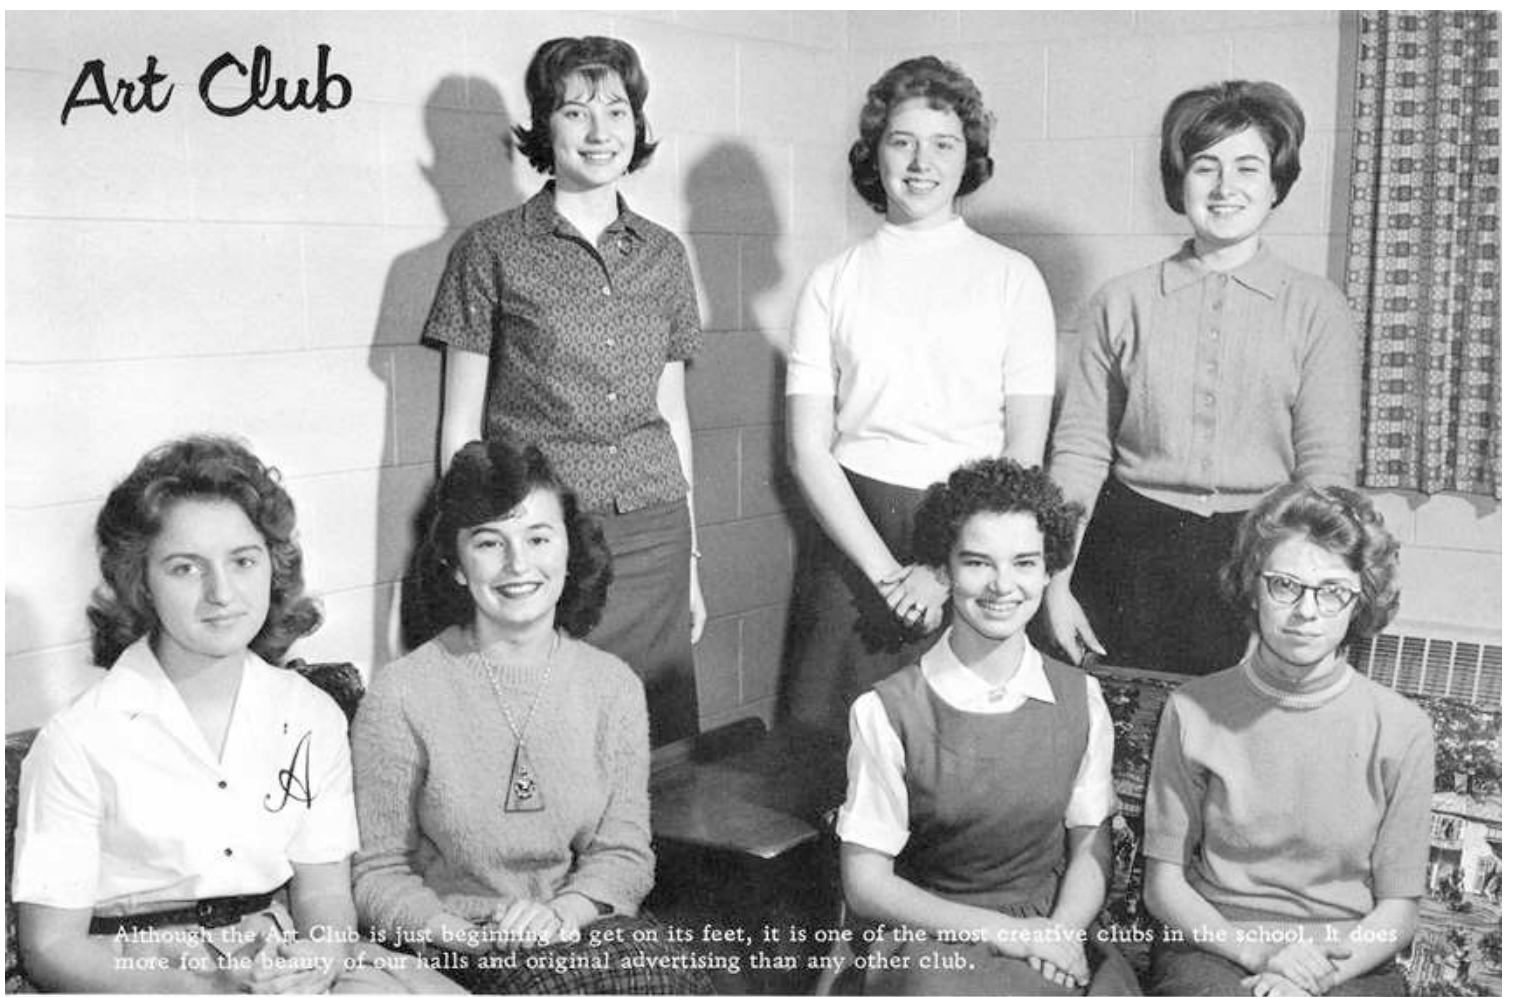

# Varsity Club

Although it appears the only thing done by our varsity club is to initiate fellows who have played on a varsity squad, we find that it is to this group we first look for Lion spirit, and it is these fellows who show the school and community the pride the Lions have in themselves.

# Art Club

Although the Art Club is just beginning to get on its feet, it is one of the most creative clubs in the school. It does more for the beauty of our halls and original advertising than any other club.

# Chess Club

Even though the Chess Club started with only a few members, it has now progressed to the point that it is a growing and responsible organization.

# Bowling Club

One of the most popular clubs in our school is the Bowling Club. Its enthusiasm and pep are characteristic of the spirited members.

F.T.A.

The F.T.A., our newest club, has already begun to make its mark as one of the most progressive clubs in the school. Due to common interests, this club has no problems as far as programming is concerned. Hopes are high that this will become one of the largest clubs in the school.

With four years of experience and fun behind it, the chorus has this year grown into one of the most popular and satisfying organizations in our school. At each concert we are able to see that our hard work and sincere effort really pay off.

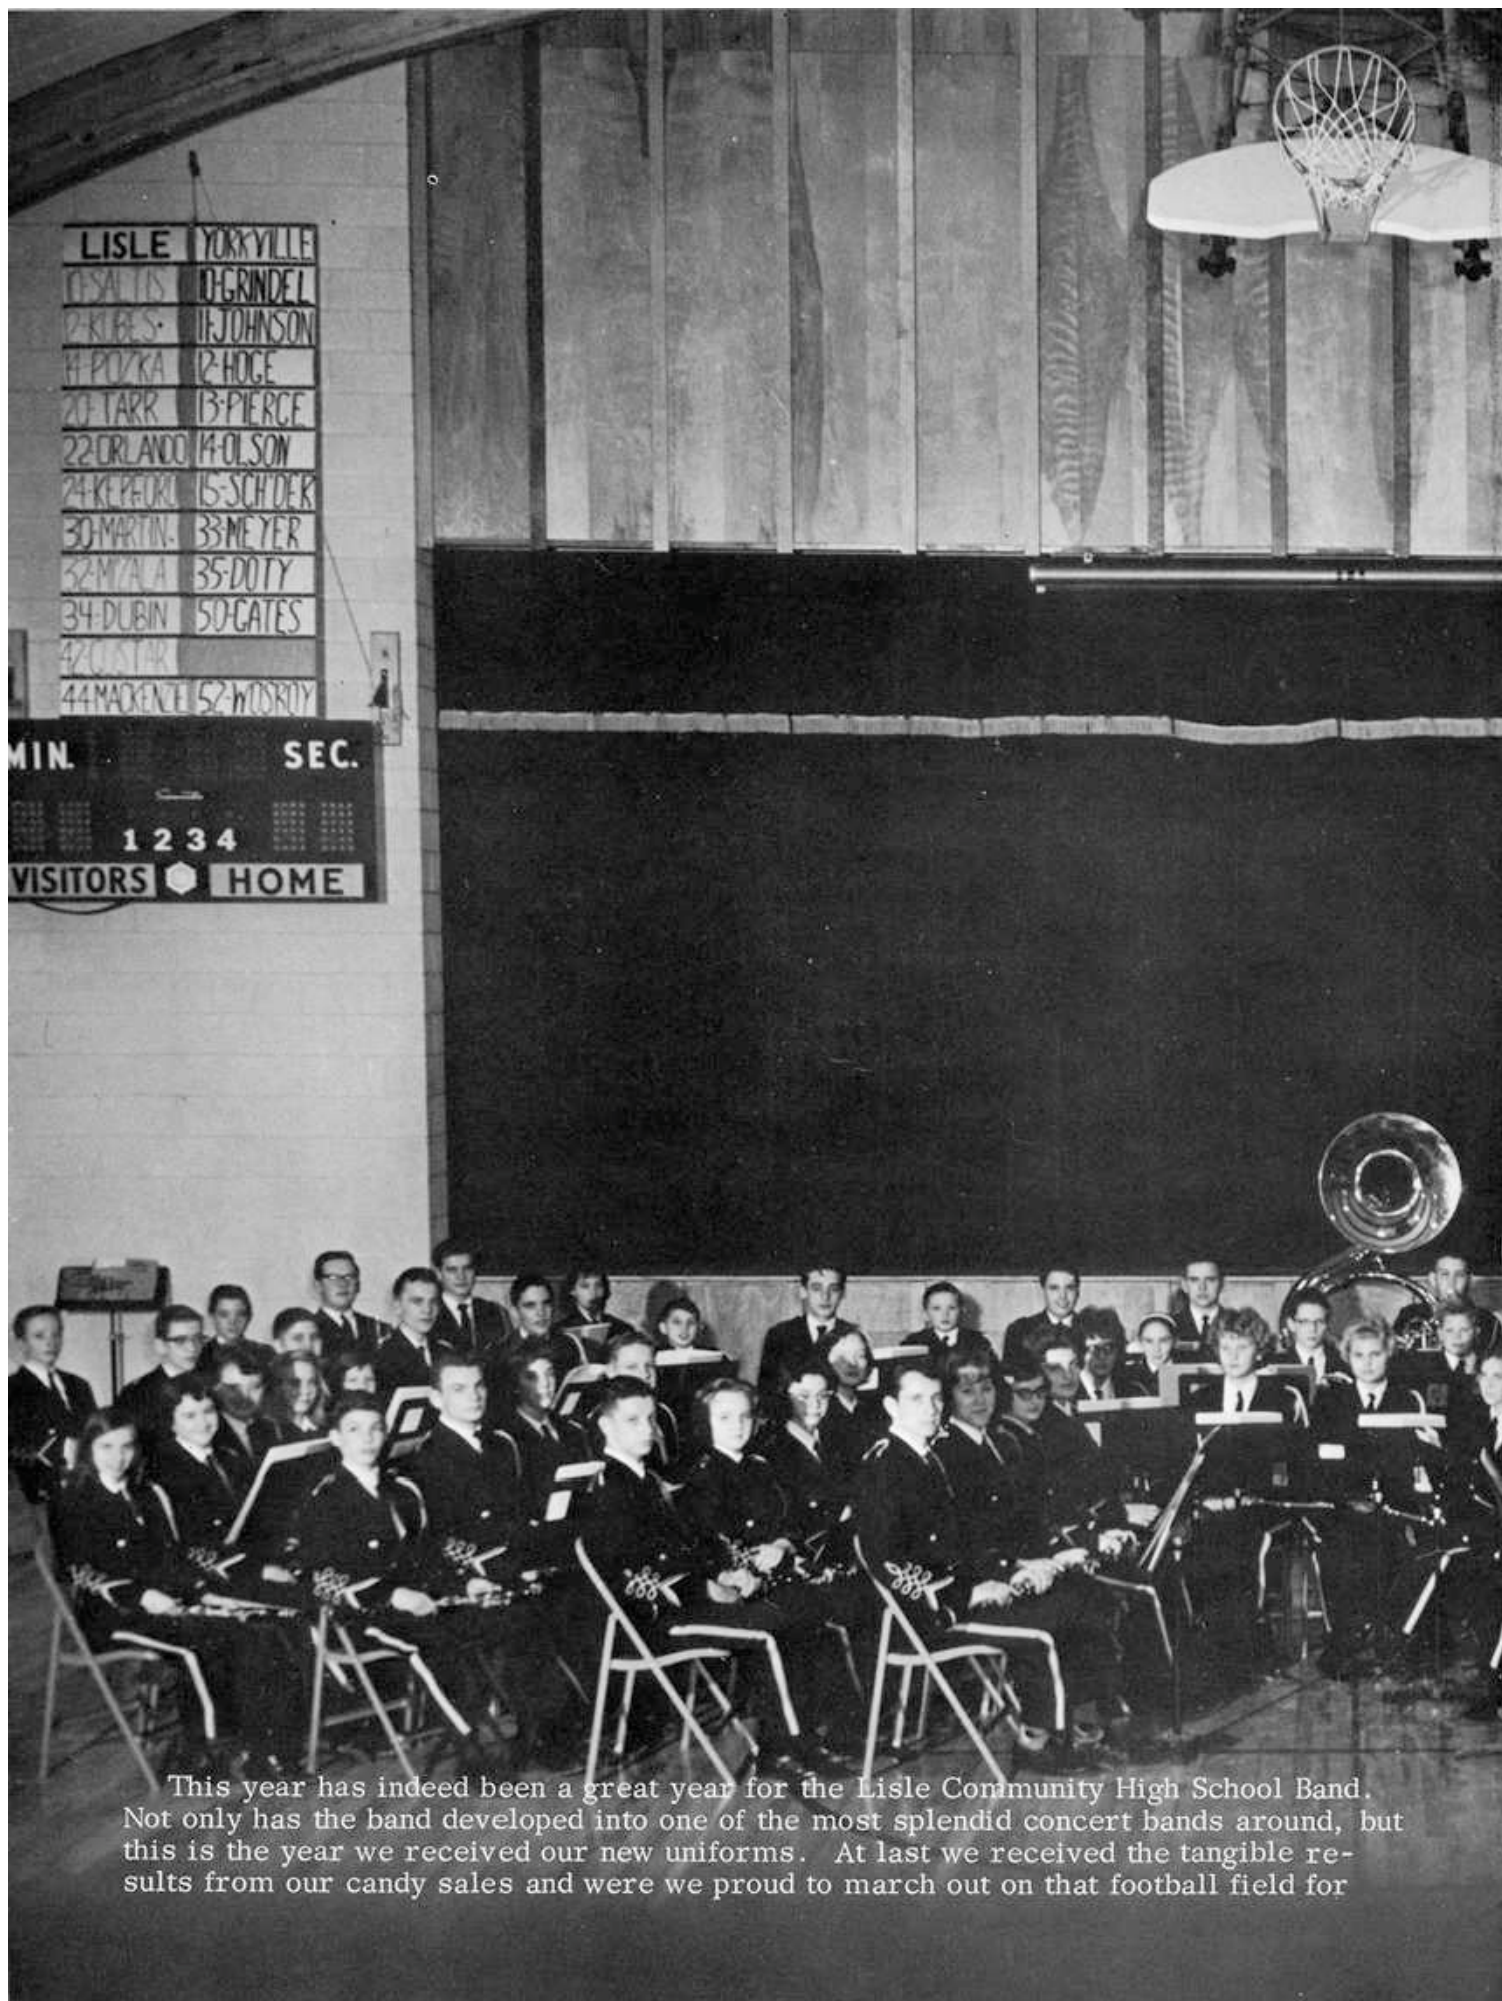

Chorus

LISLE	YORKVILLE

VISITORS	HOME

This year has indeed been a great year for the Lisle Community High School Band. Not only has the band developed into one of the most splendid concert bands around, but this is the year we received our new uniforms. At last we received the tangible results from our candy sales and were we proud to march out on that football field for

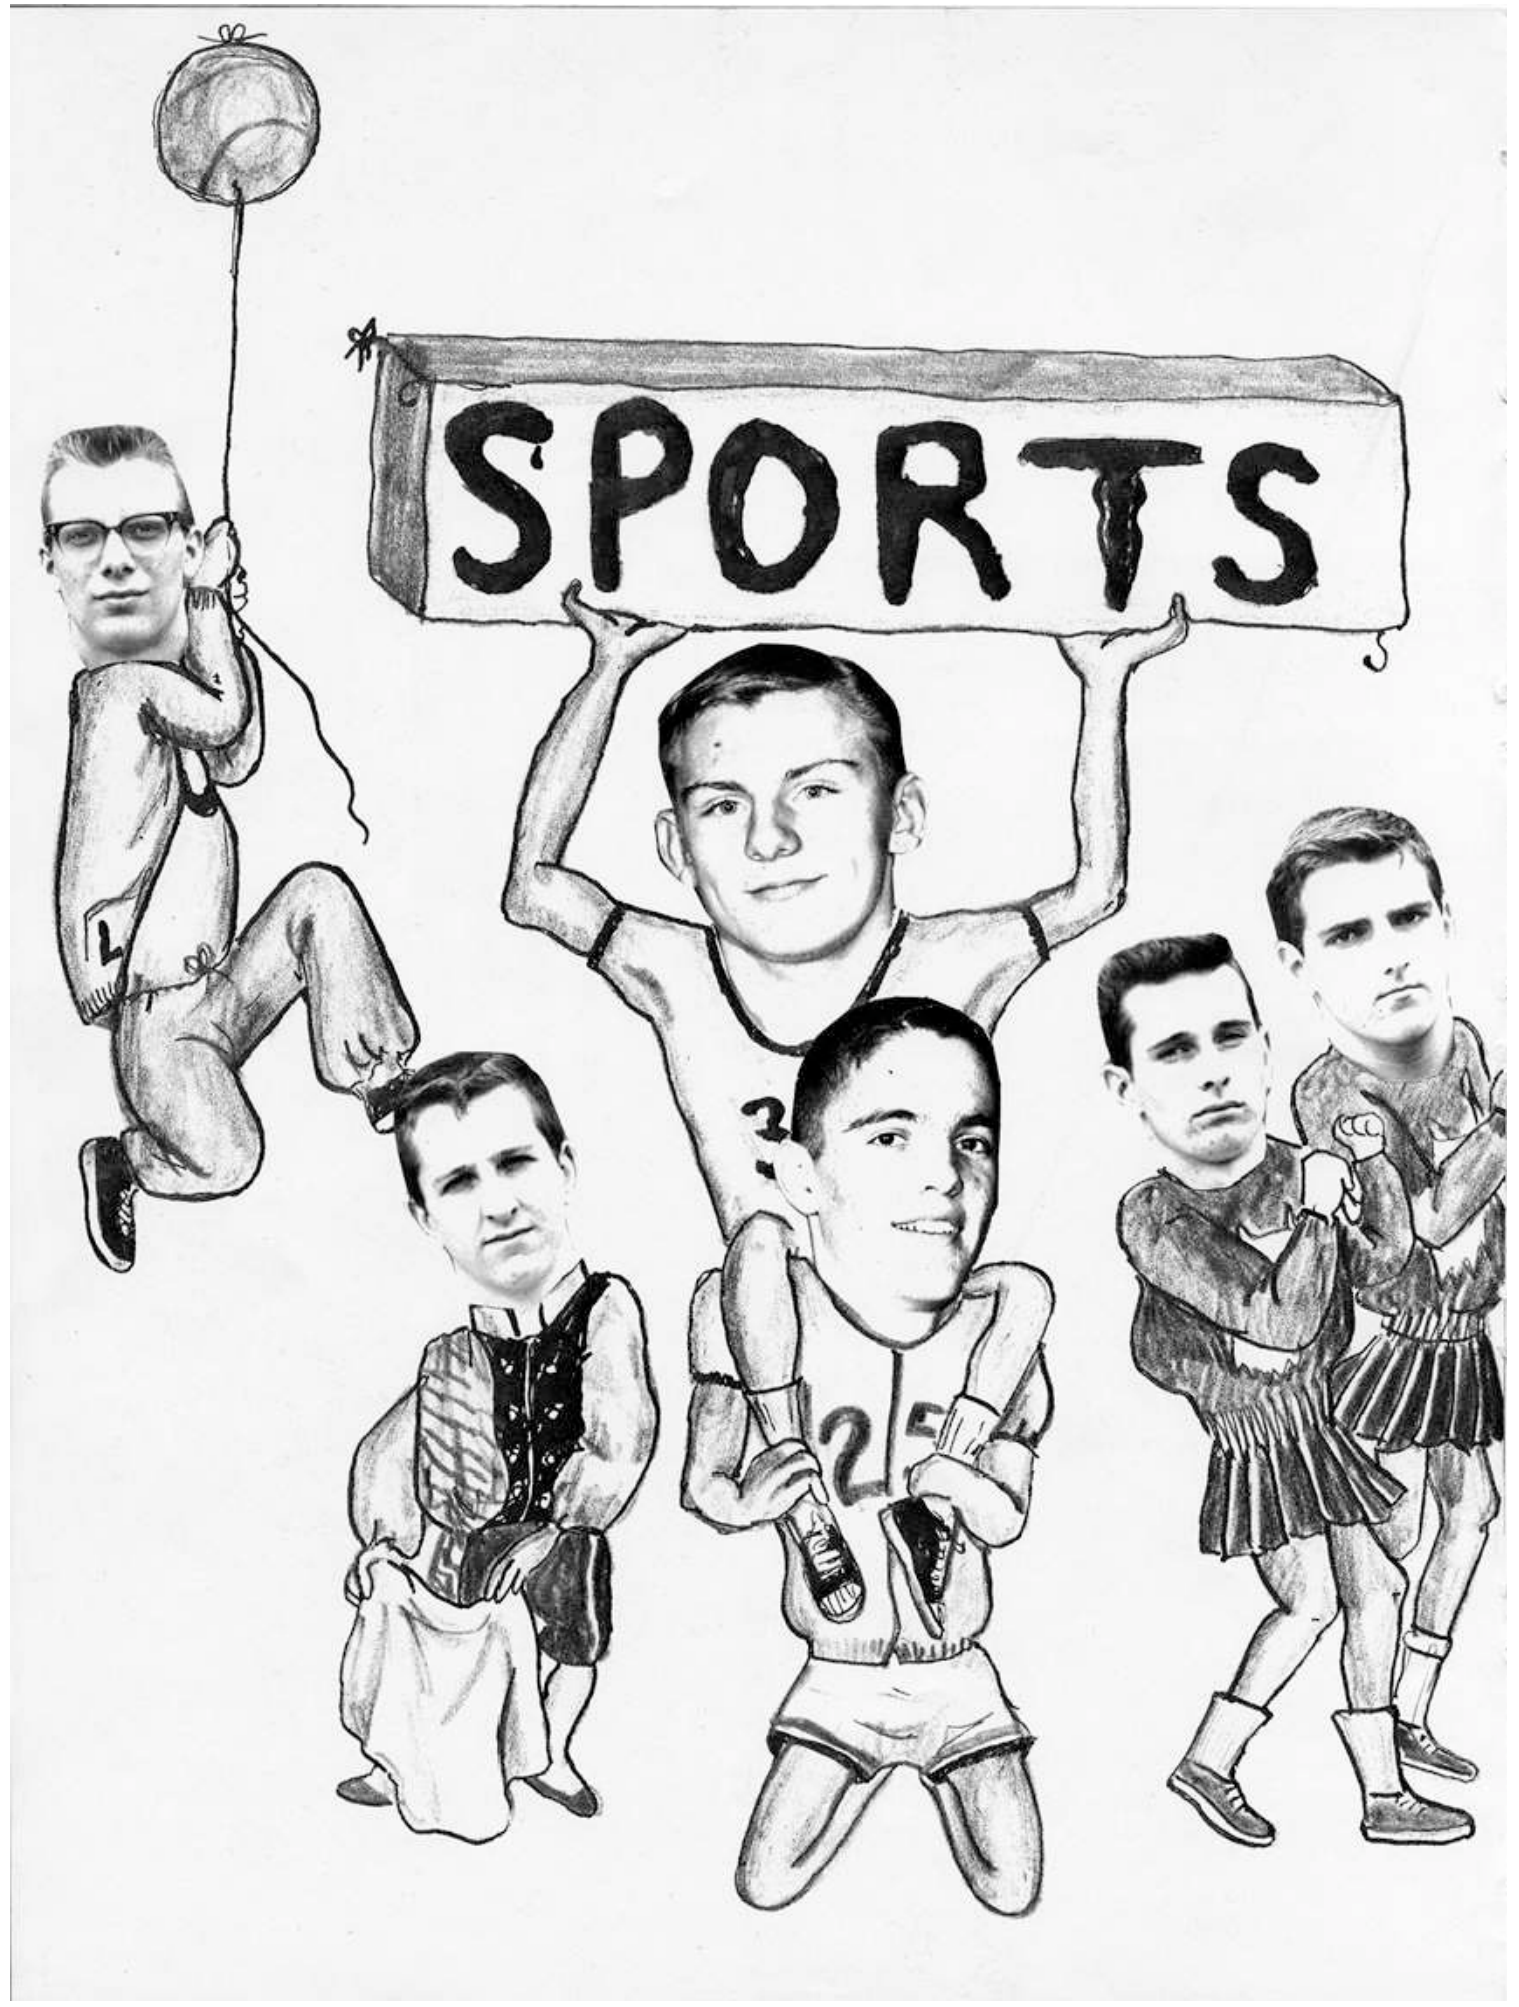

# Band

the first time in Lisle's history, and in uniform!

We especially thank the Parents' Group for their hard work in helping us raise the funds for the purchase of the uniforms.

Fox

Co

The Varsity squad had a very good year, winning 5 games and losing two. We are proud that we are the team that has brought Lisle Community High

# Valley Champs

School its first football trophy... Our team finished with a 4 and 1 conference record and tied for first place as Co-Champs.

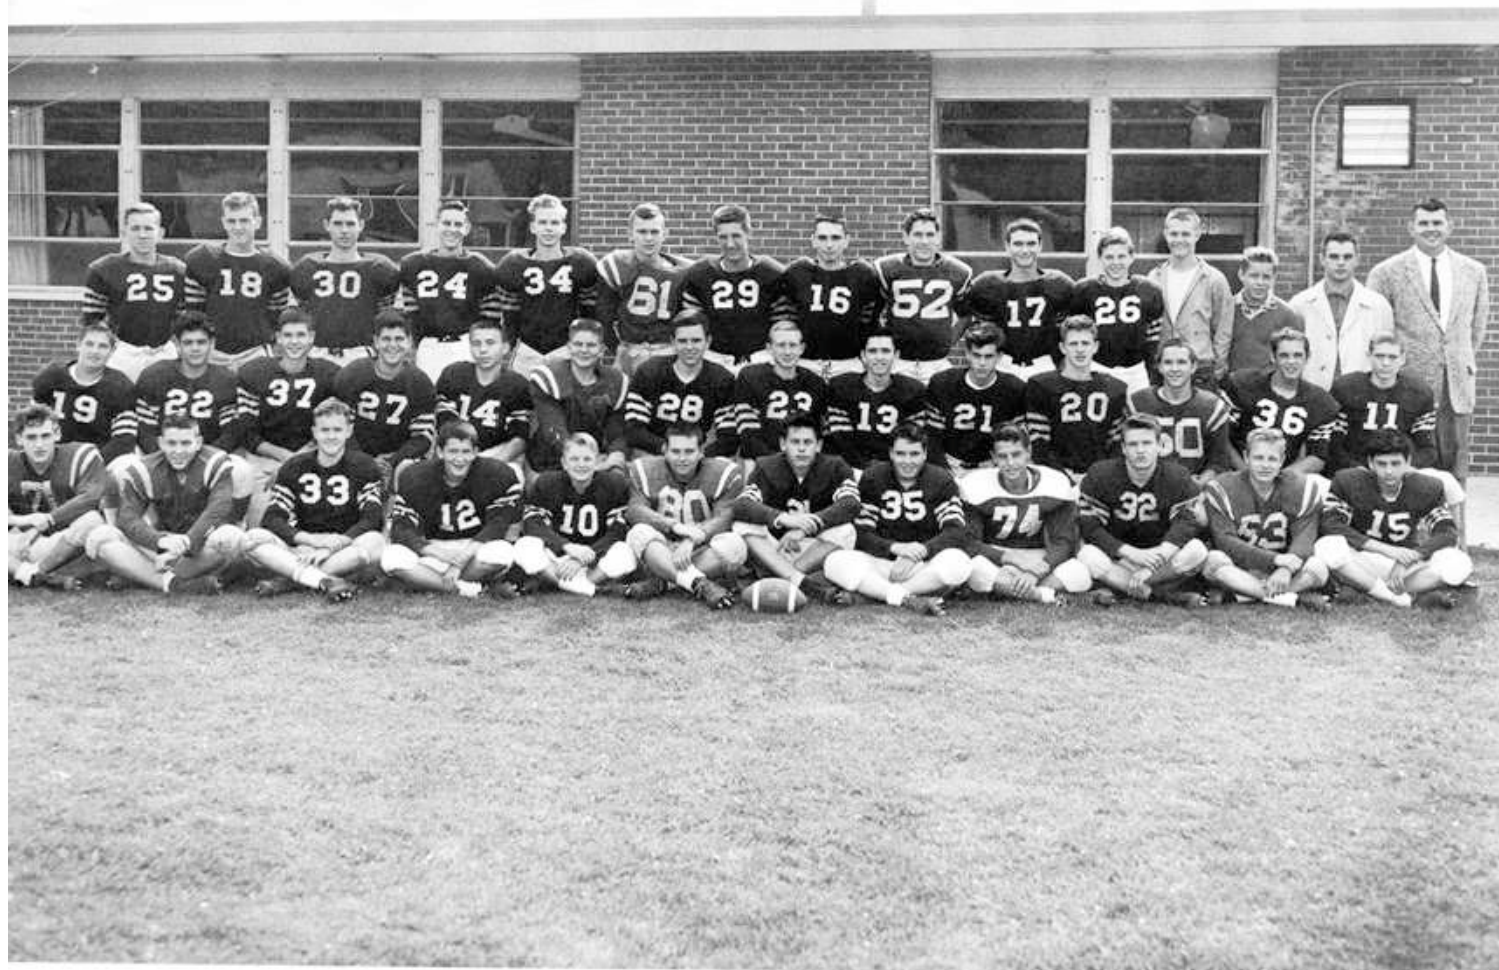

# Fox Valley Champs

## These Victims Fell Prey to Our Prowess

Plano 6 . . . . .	Lisle 18
Plainfield 0 . . . . .	Lisle 32
Sandwich 0 . . . . .	Lisle 12
Yorkville 6 . . . . .	Lisle 24
Oswego 0 . . . . .	Lisle 19

The Varsity team had a bad season this year, but a lot of good basketball was played by the hard-court men of Lisle. They just seemed never to have that extra lift when

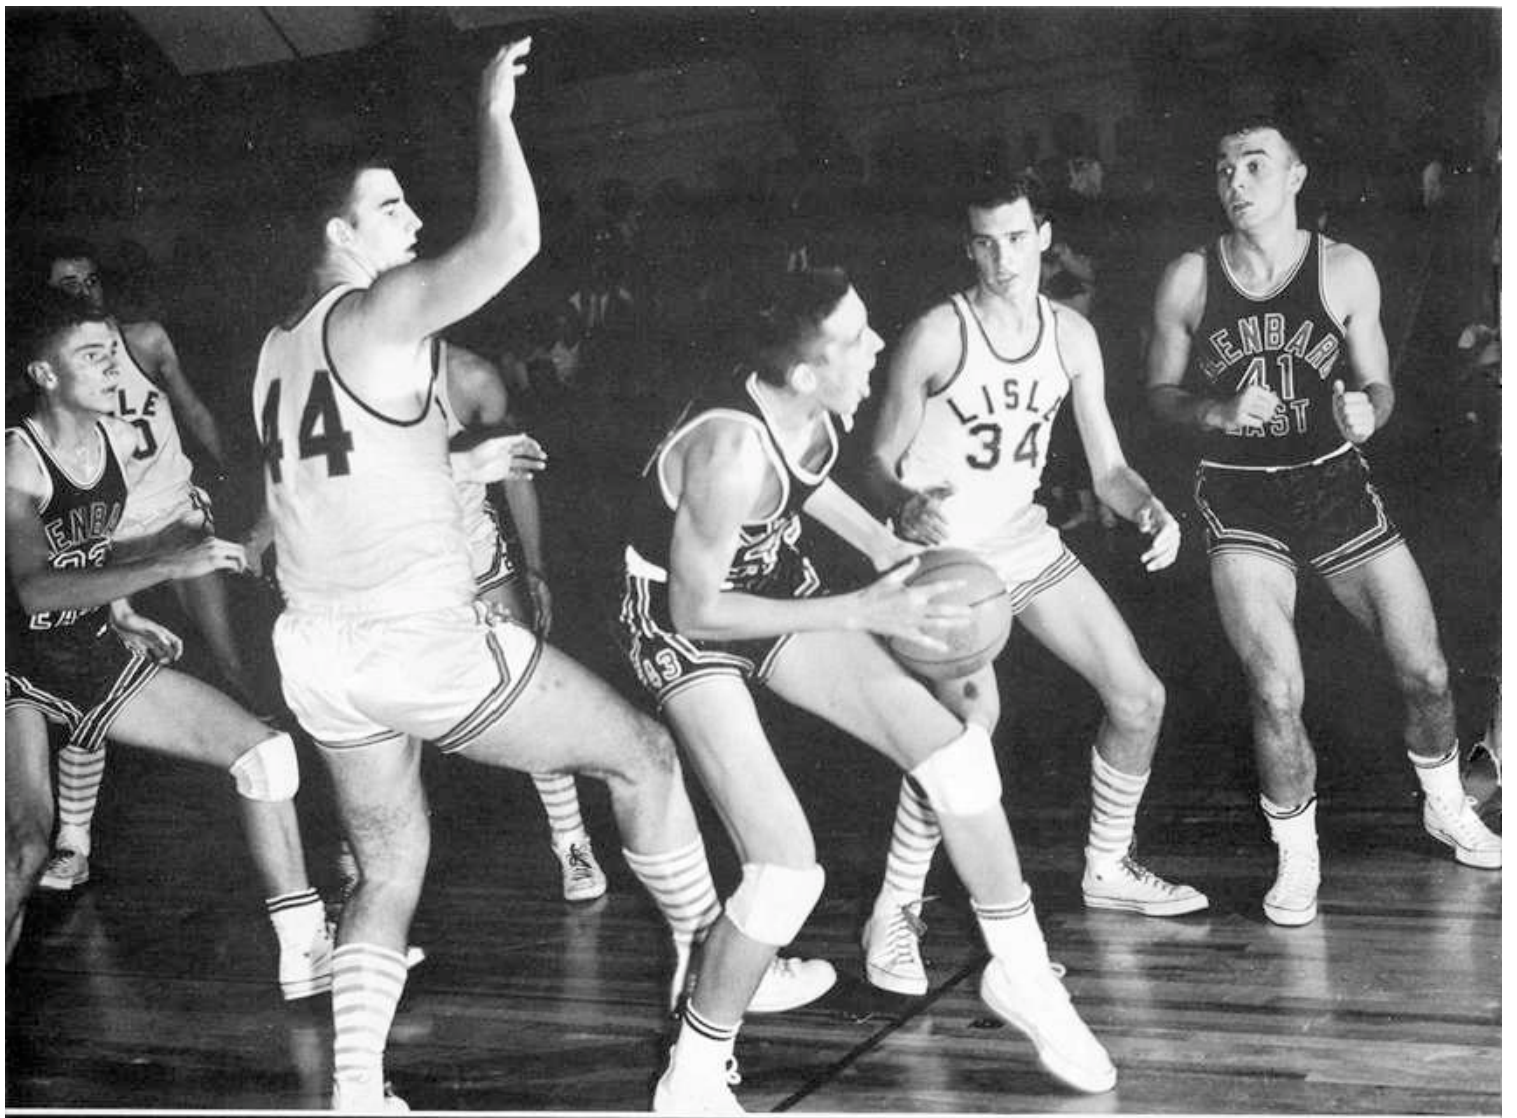

# Basketball

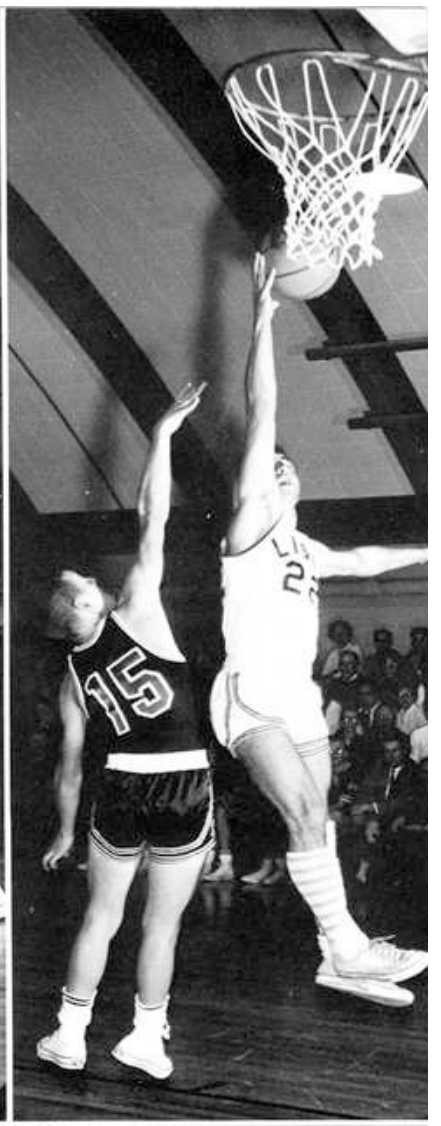

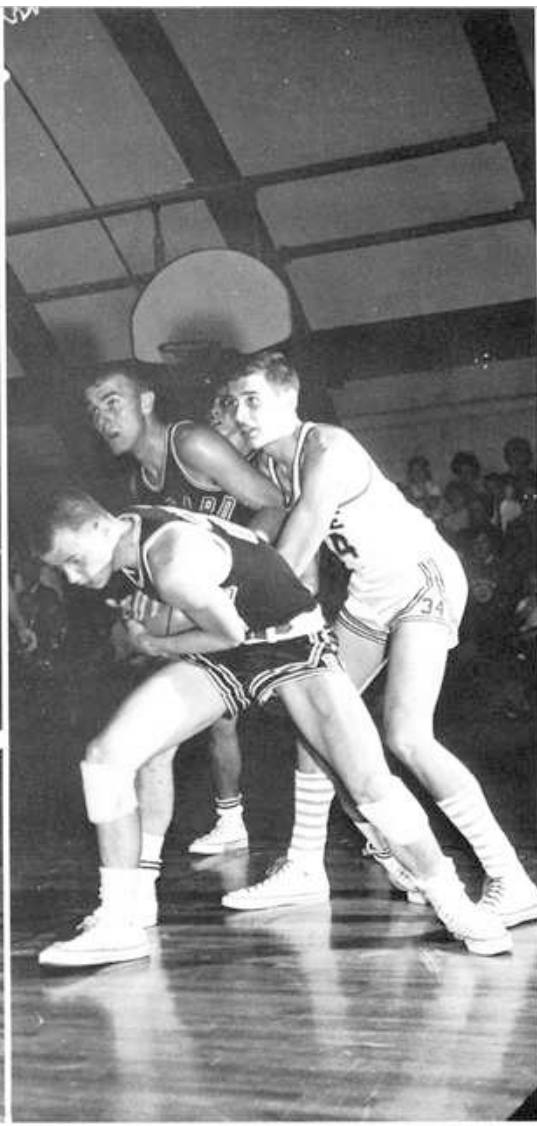

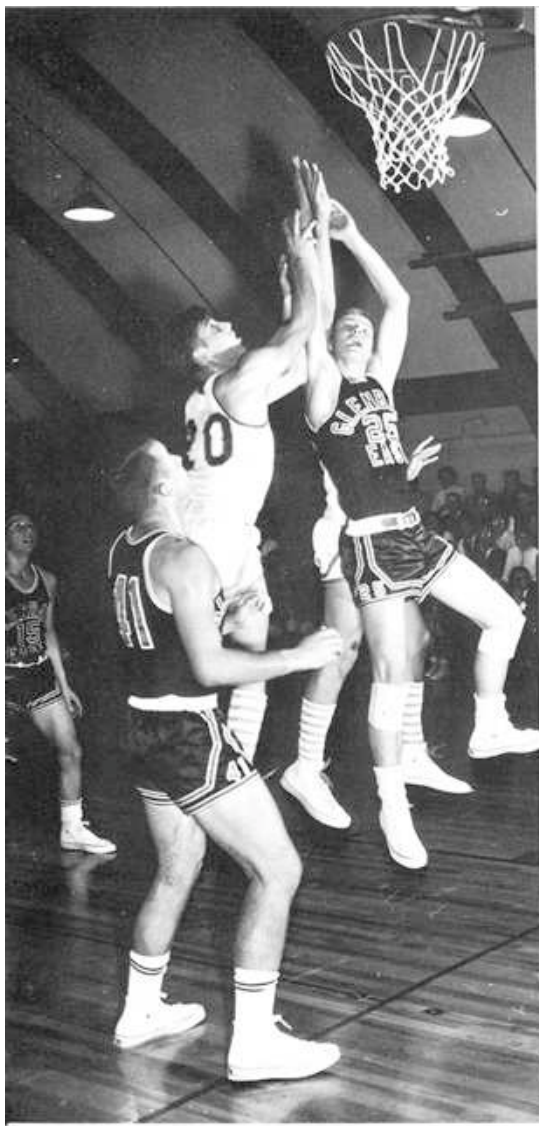

they needed it. There were also many injuries which hurt the team's ability to boost the score to win.

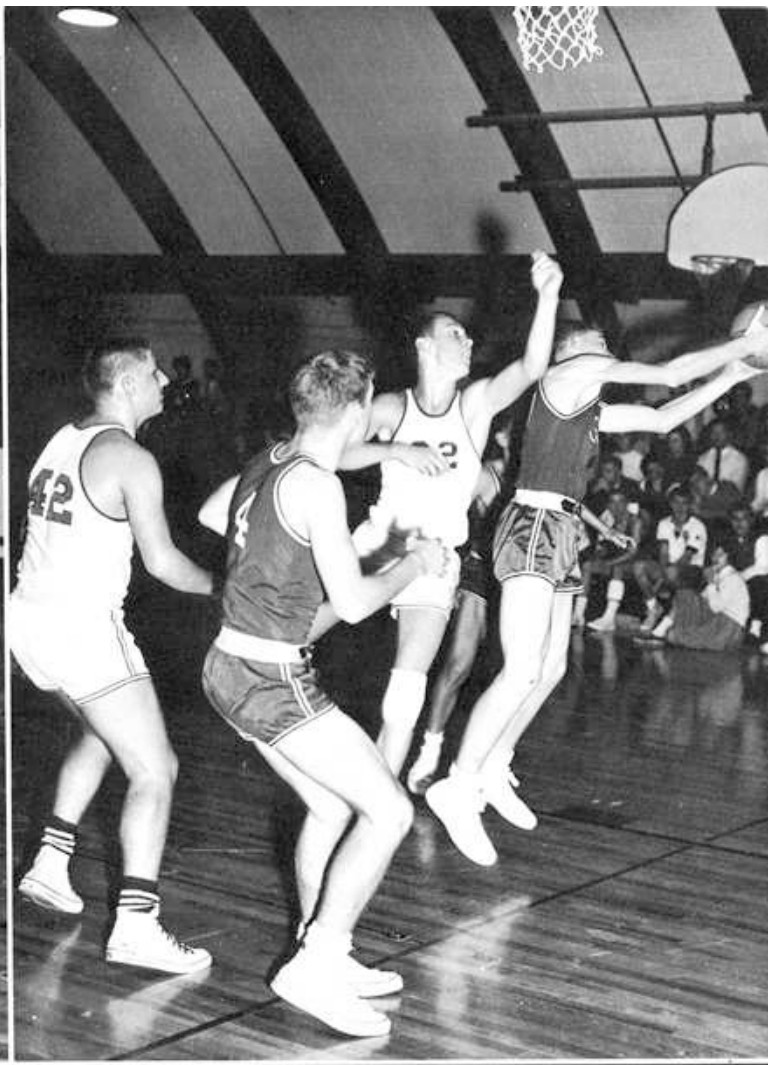

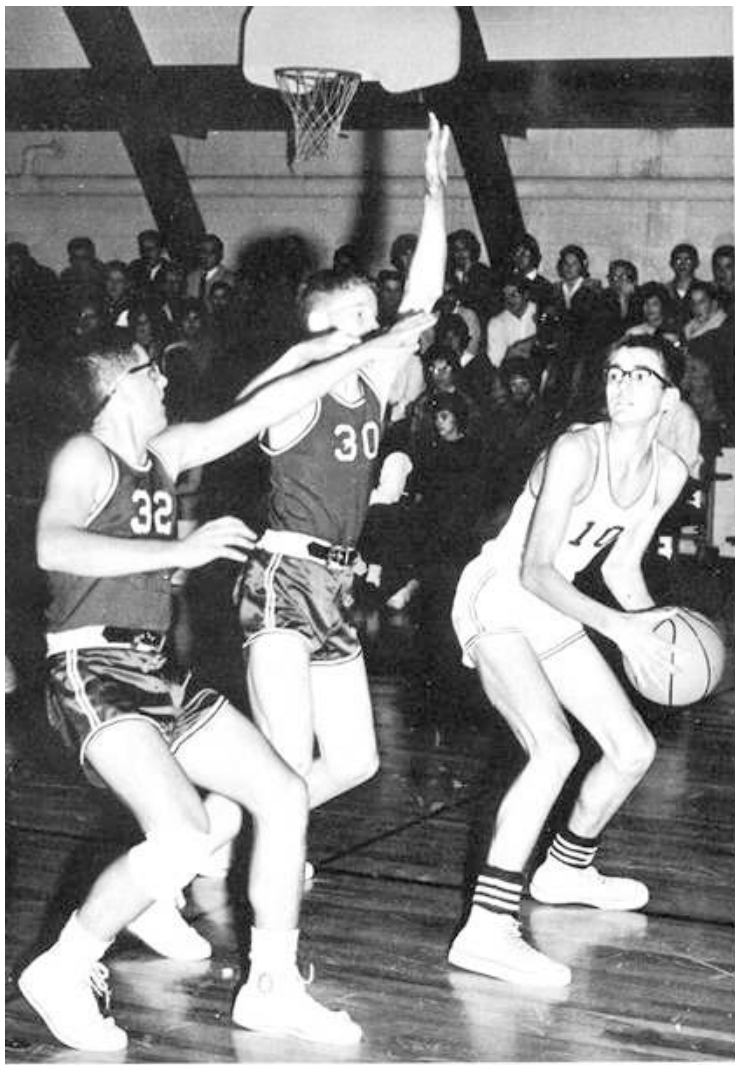

# Fresh-Soph

The Fresh-Soph had a bad season too, but they found, as did the Varsity, that they were able to play a lot of good basketball. The team is looking forward to using its high potential to make next year's season one of the best yet.

# Track

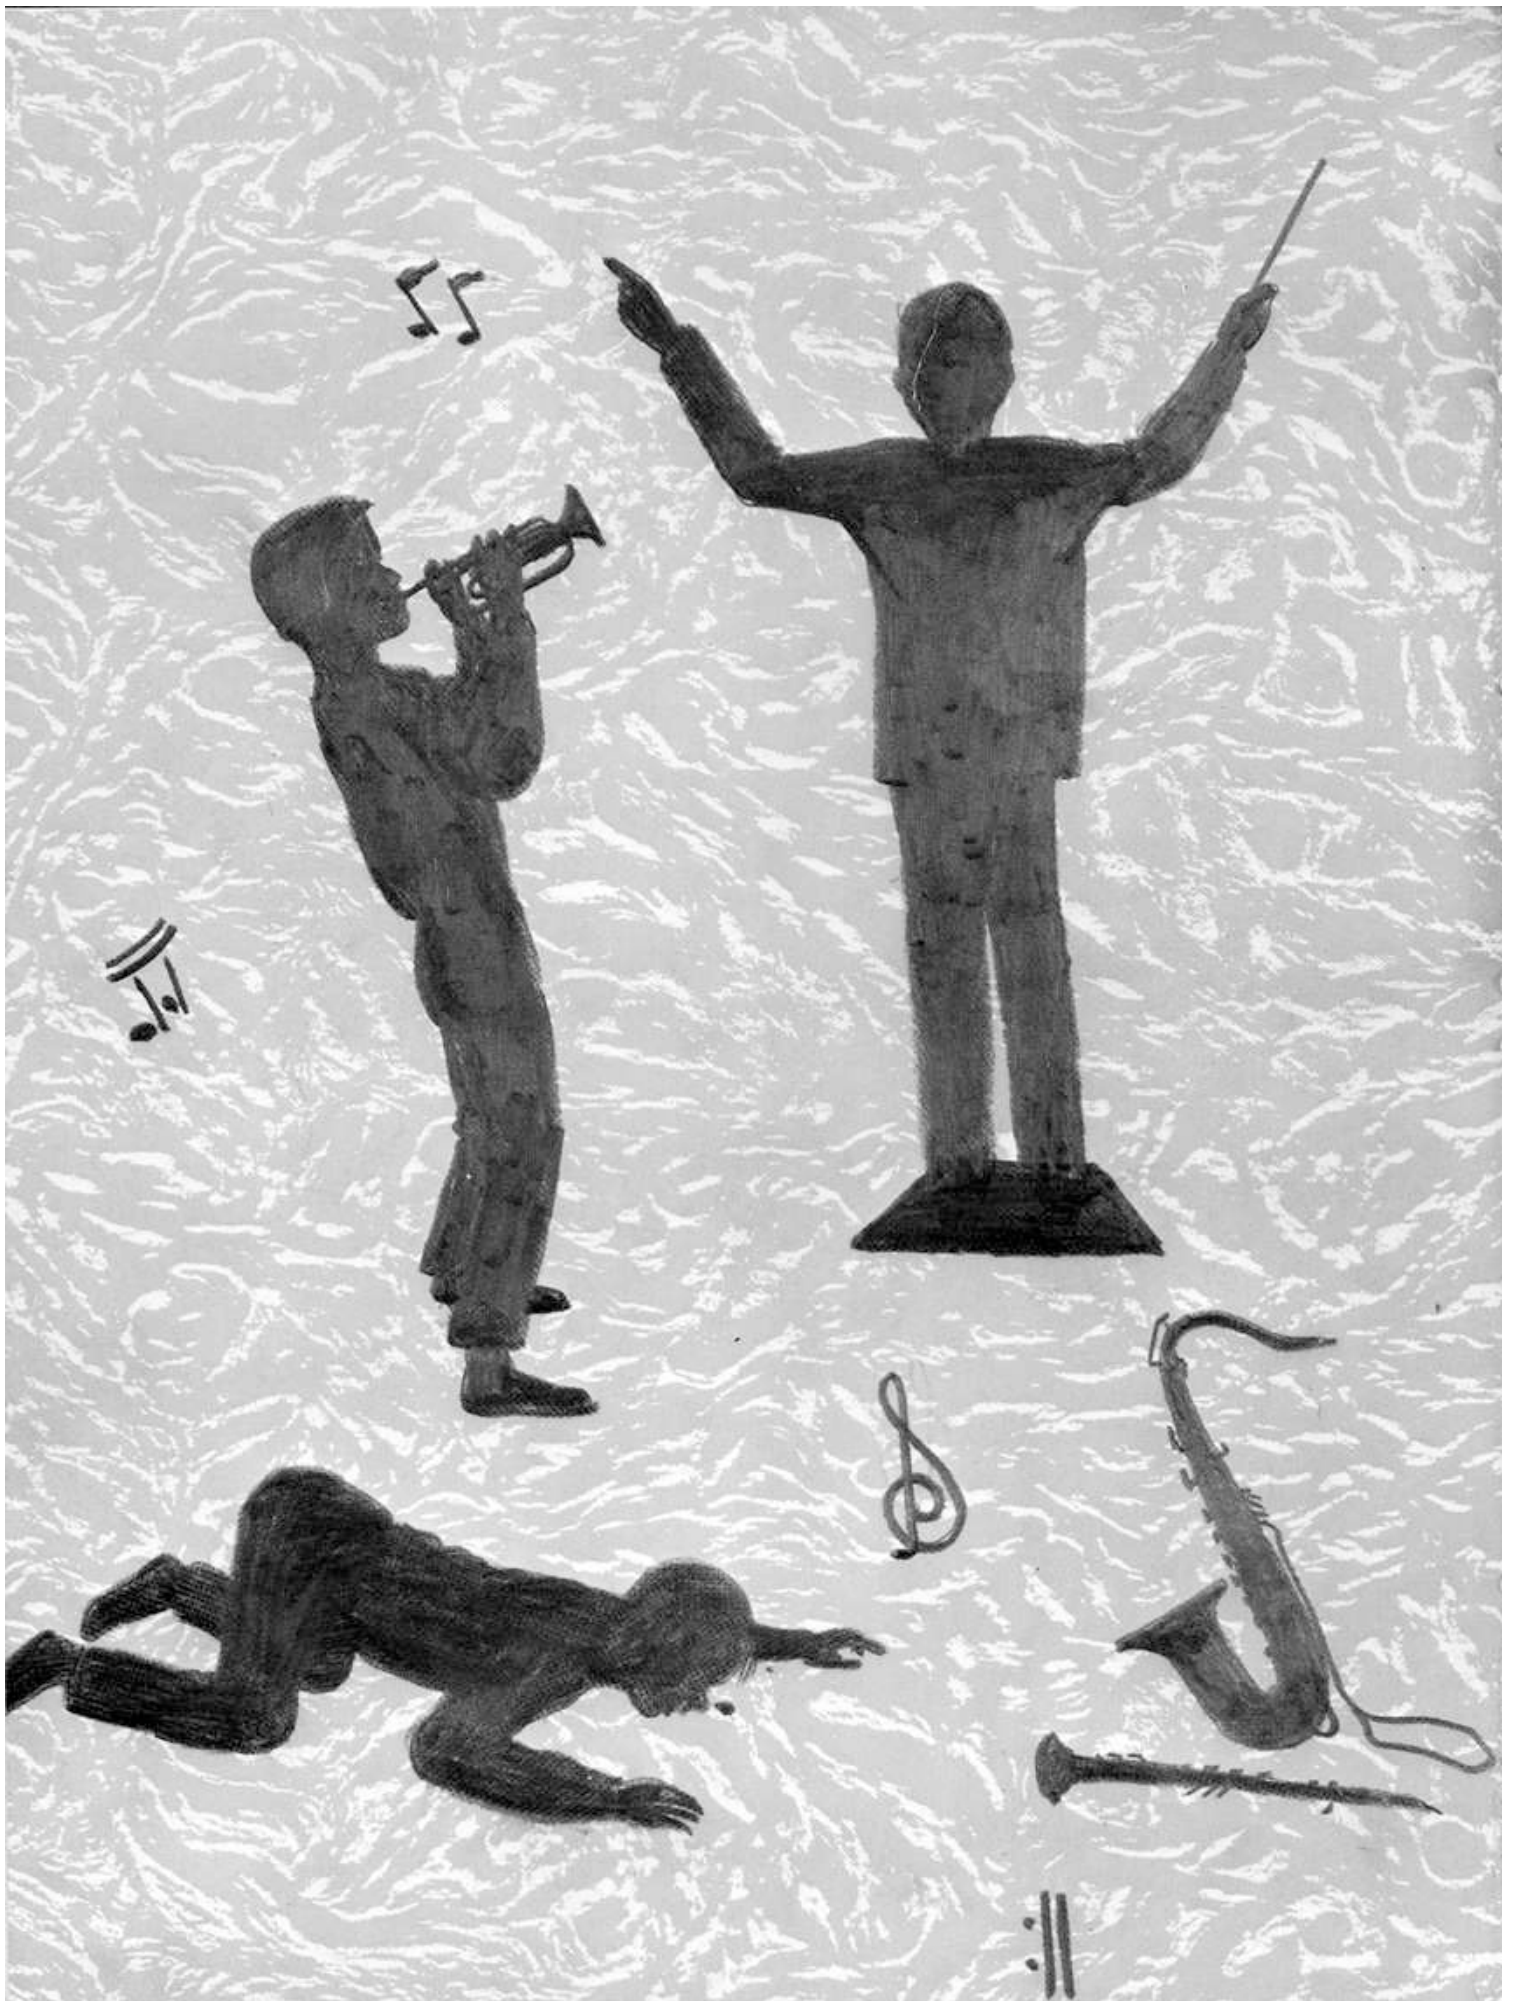

After a very successful year in '61, our '62 team started the year with the intent of breaking even more than the twelve records they broke last year.

# Baseball

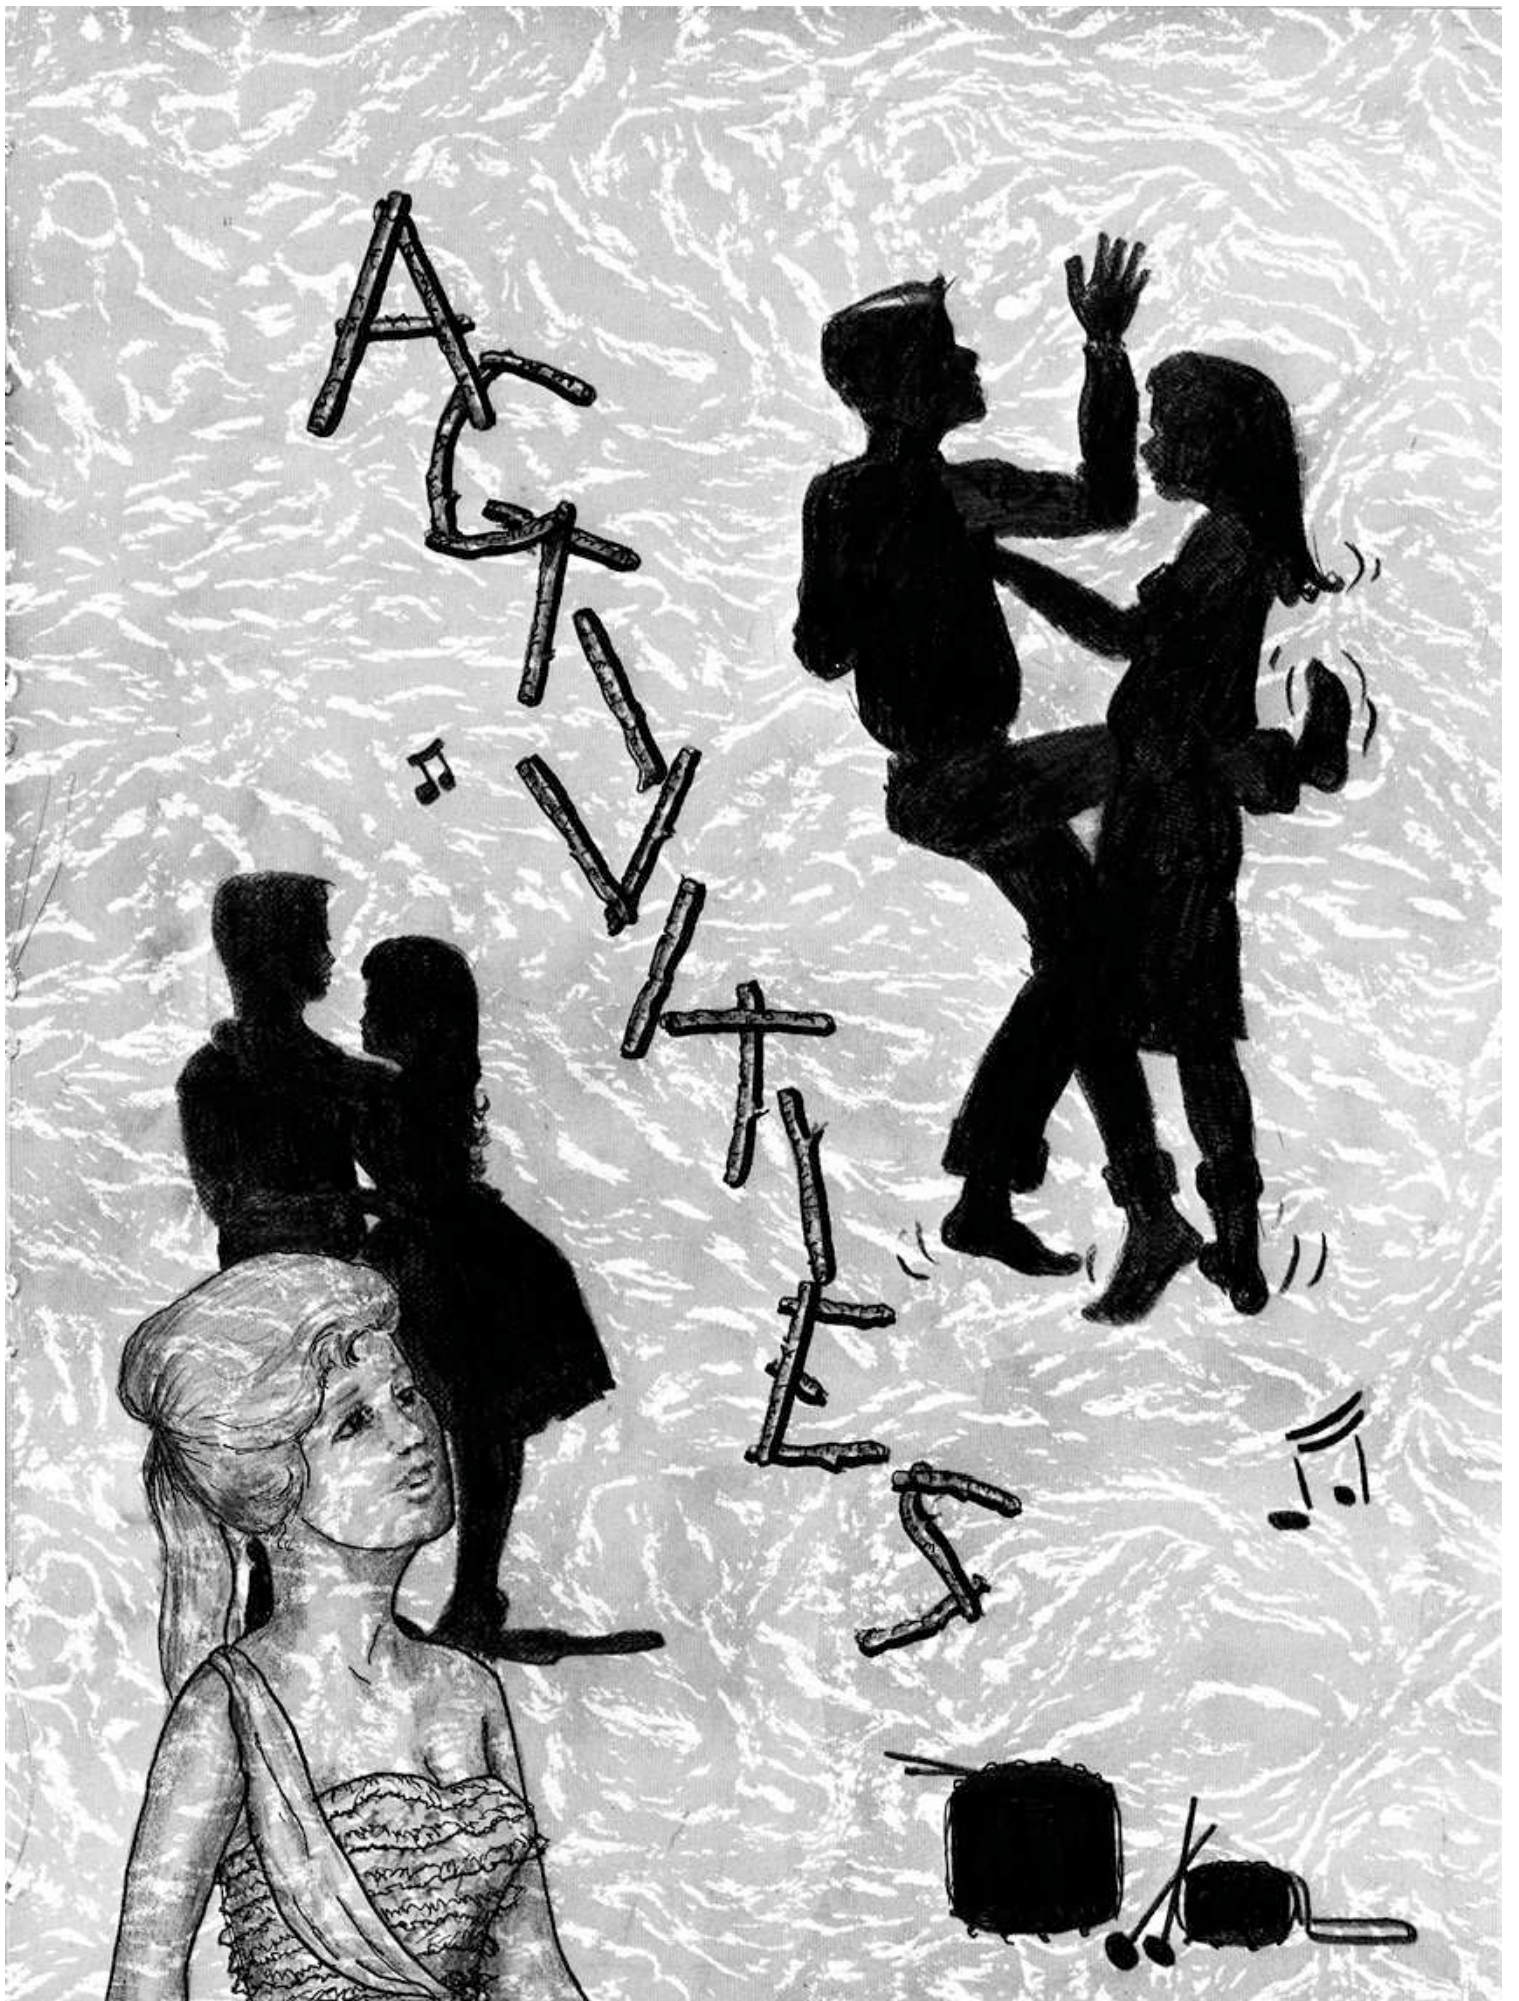

Our baseball team finished second in the Fox Valley Conference and also finished second in the district tournament. We suffered our only district loss to Downers Grove, who went on to win the tournament.

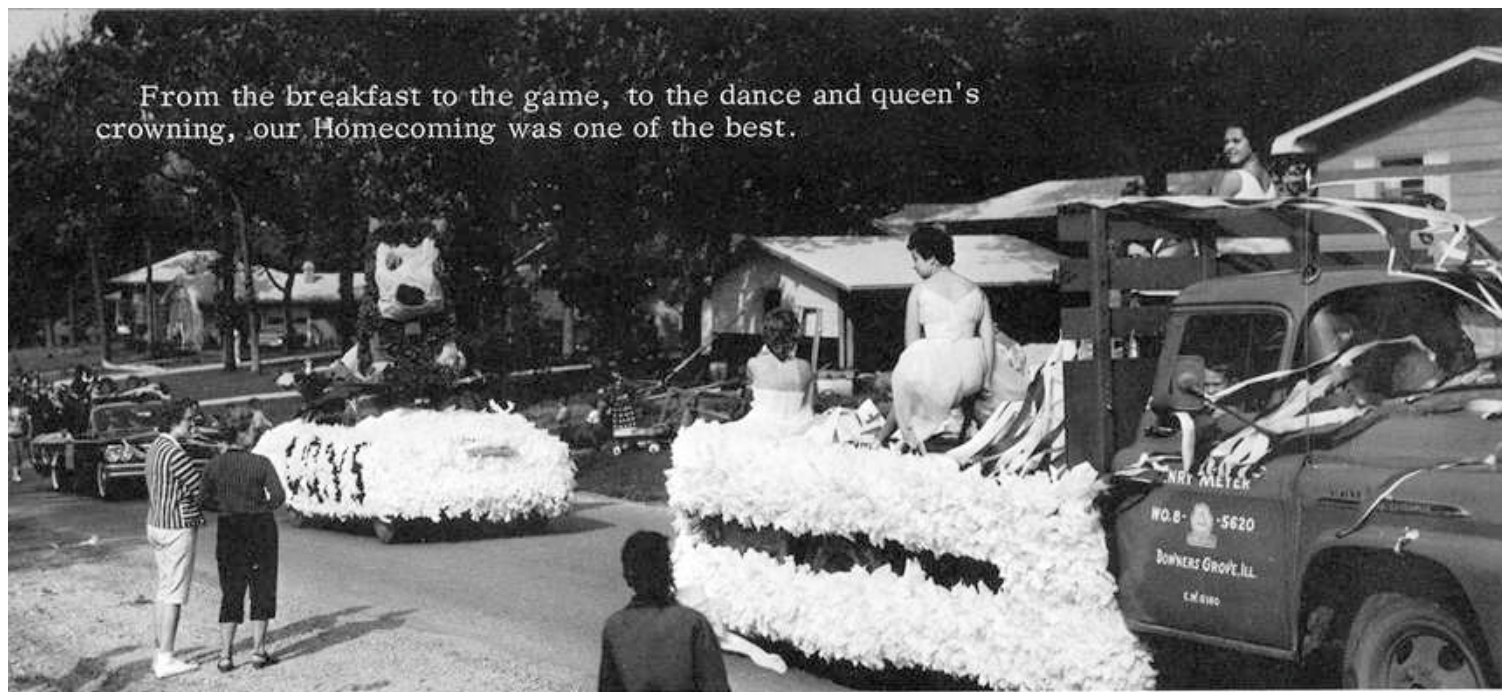

From the breakfast to the game, to the dance and queen's crowning, our Homecoming was one of the best.

## Varsity Cheerleaders

By keeping spirits riding high, and by urging a large number of spectators to attend each game, be it at home or away, our six girls were able to urge the fighting members of the Lisle Lions on to a splendid and rewarding year.

## Frosh Cheerleaders

While we are talking of a splendid year, and a fine job of cheering, let us not forget our seven Frosh cheerleaders. We must admit that it was the spirit aroused by these girls that spurred the Frosh squads on to do so well this year.

"We packed them in and kept them laughing," was the watchword the night of Mr. Rapp's *GIRL CRAZY*. And this is exactly what we did, for the crowd broke all records and expectations, and the cast did more than live up to this fine tribute.

# *Our Contributions to Music*

One of the events we most highly treasure is the Junior-Senior Prom, and our VIEUX CARRE was the best that we have ever seen here at Lisle. It lived up to and climaxed all the time and work we put into it, as we stepped into that space that is

usually occupied by our Gym only to find it transformed into a beautiful and romantic section of the French Quarter. Through this atmosphere floated the romantic music of Dick Carlton.

Ray Teteak, Prop.

Jim Cairry, Mgr.

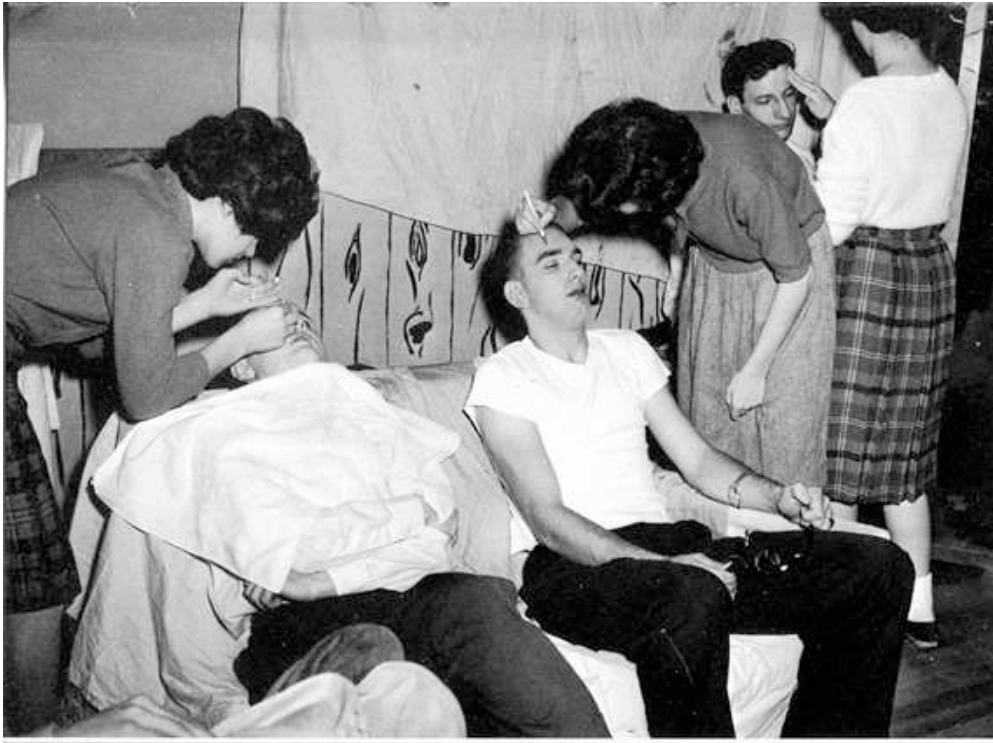

This was the group that brought you your 1962 VALE. The going was rough and there were many nights when the old clock on the wall told us it was time to quit and we persisted in working until we started to fall asleep at the desk. This book is the biggest and (well, WE feel) the best that Lisle has seen. We hope that the history presented here of this year and of past years will serve in the future to remind you of the fun and enjoyment that we were able to share while still in school together. As we said on the first page of this book, it has been dedicated to the future as well as to the successes of the past; and it is thus fitting that we dwell no longer on the effort put forth in this book, but look forward now to next year and the effort that we must put forth to make it even better than was this one.
