Kick-Off Dance

Kick-Off to a New And Better Year

The Kick-off Dance, the first social activity of the year allows Frosh to enter into the many facets of high school life. Providing the music for the dance was the well known Whiskey Rebellion. The cheerleaders, who sponsored the dance, were glad to see the large amount of people that filled the auditorium lobby.

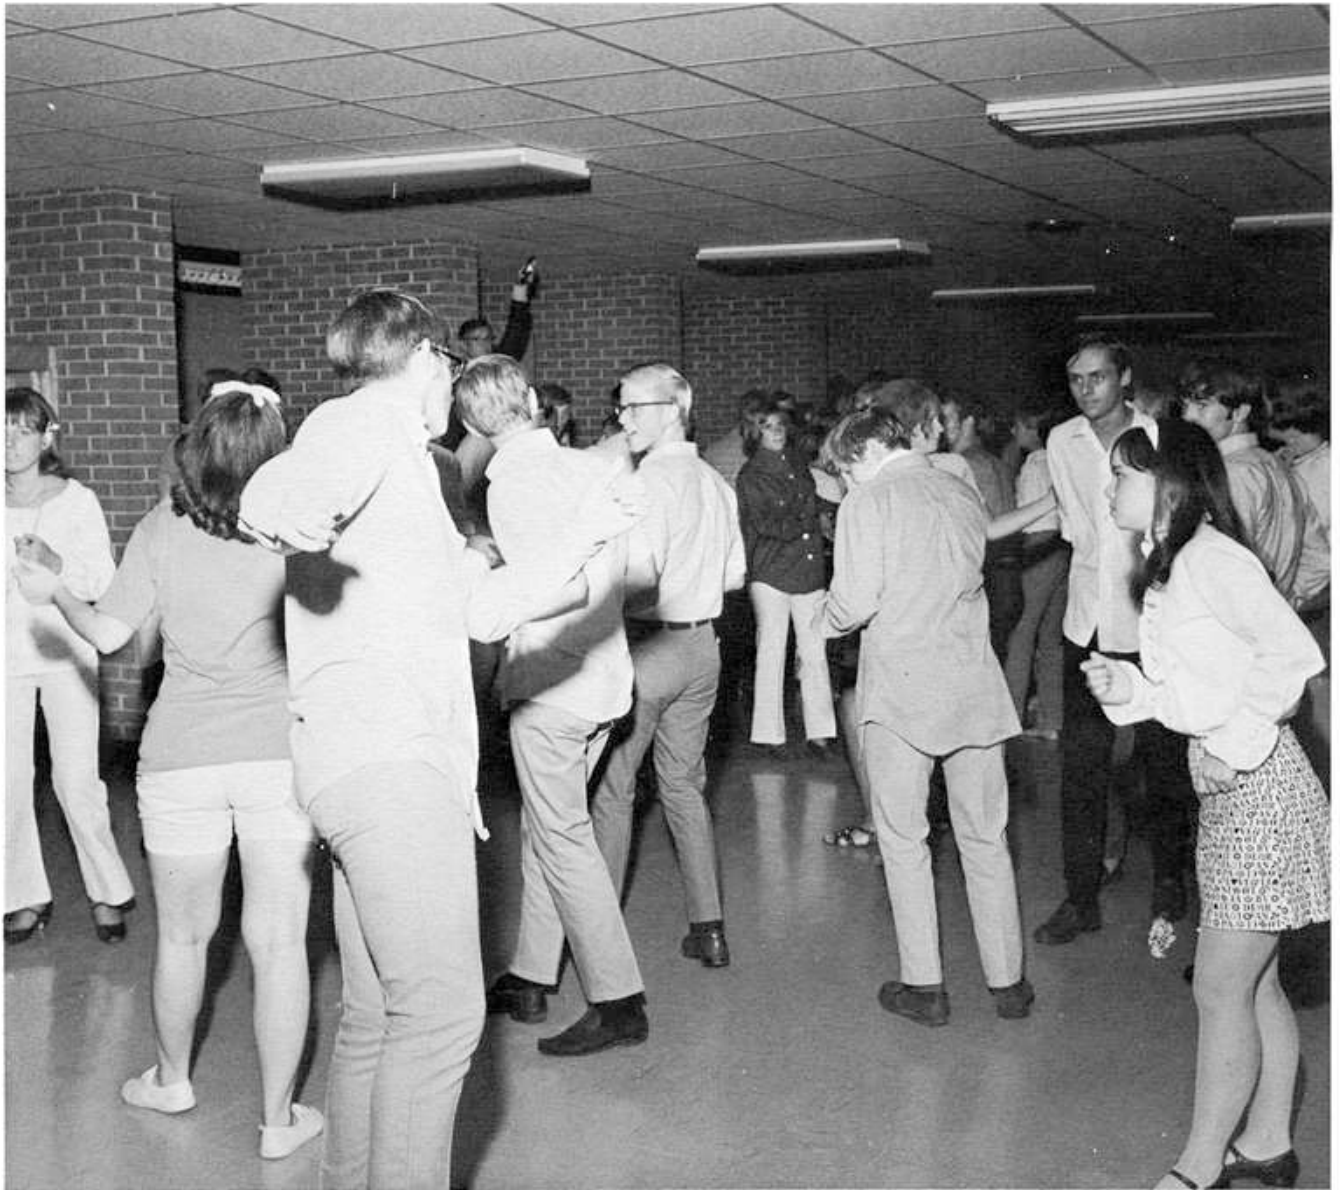

This couple stands listening to the beat of the music.

Some people preferred to dance barefoot.

Music for the evening came from the Whiskey Rebellion.

Paul Peterson worked hard to try and win the marshmallow race.

Frosh Week

Assembly Was Highlight of Frosh Week

This is the third year that the freshman class has been initiated into school life at Lisle High. To carry through with tradition each freshman was required to wear a blue and white beany. The boys had to wear their shirts inside out, carry a bouquet of flowers and a paper bag for upperclassmen's trash while the girls wore pony tails and red lipstick. In addition to this the freshmen receiving the most demerits were honored at an assembly.

The Frosh boys danced around Mary Kay Evans to the music of "Little Sally Saucer."

Centers of attraction at the assembly were these five Freshmen.

Dave Carson cheats by blowing his marshmallow.

Homecoming Week

Activities Enjoyed by All

Homecoming Week, highlighted by the football game and the dance, was a week filled with the confusion, happiness, anticipation, and excitement that so often accompanies homecoming activities. Each day of the week had a special event. Monday was Class Colors Day, Tuesday was Athlete Slave Day, Wednesday was Skag Day, Thursday was Dress-Up Day, and Friday was Blue and White Day. On Friday

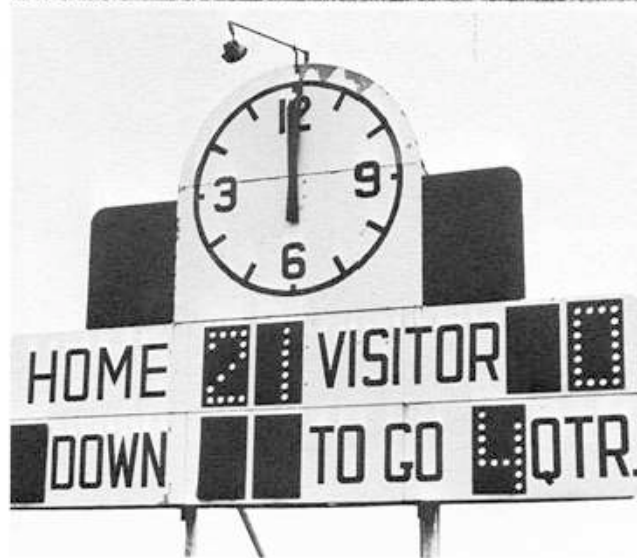

night, a breathless line of students ran after the fire truck as the Snake Dance rambled through the streets of Lisle to the high school grounds, where the Plano football player went up in a blaze of glory and smoke atop the traditional bonfire. Afterward, everyone flocked to the grandstands for the crowning of the Homecoming Queen, Miss Kathy Hanson.

Varsity Cheerleaders hold the lion for the varsity team to charge through to start the game.

The pep club lion-mobile made a cute addition to the parade.

At the end of the 4th quarter of the varsity game the lions again found themselves with a victory.

To lovely Queen Kathy Hansen, dreams come true as she gazes off into the night.

After the snake dance the traditional bonfire was ignited and it blazed through the night.

The crowd watches on as the Plano dummy goes up in flames.

A fast dance was enjoyed by everyone.

Steve Schmitz and Carol Benson displayed a new dance step.

Homecoming Dance

Happiness Is a Harvest Moon

"Happiness is a Harvest Moon" was the theme for the Homecoming Dance. Those who attended were caught up in the fantasy-like atmosphere of soft moonlight, gilded autumn leaves, and beautiful music. For many of the students, this was the most

anxiously awaited event of the week, which was climaxed by the Snake Dance, Bonfire, last-minute touches on the floats, football victories, and finally the dance itself. It was truly a time of relaxation and happiness for everyone.

Homecoming court of '69 was Yolanda Cabezes, Sue Stoerzbach, Queen Kathy Hansen, Linda Clark, Dana Davison, Sue Kemerling, and their escorts.

Talent Show

"Rowan & Martha"

"Rowan and Martha" was the take off for the Music Department's 1969 Talent Show. Laughter was heard when the second "Rowan and Martha" (Tom Skeweres and Cheryl Connelly) started their monologue to the "graceful ballet" of Swan Lake.

M.C. Talent Show

Each chorus sang well-known songs, and there were many fine soloists and ensembles. Rob Halsten composed his own music and wrote the words for the song he sang. "The Professionals" was one of the favorite acts of the night.

Ken Modaff and Chuck Knight, men behind the scene, work on sets for the plays.

Drama

Students Shine in the Limelight

This year's drama department put on a comedy, "George Washington Slept Here." A fine job was done by all members of the cast. A new part to the drama club was the one-act plays that were performed one night, Jan. 24. One play did go to state contest and did an extremely fine job. All in all this year's drama club reached the main goal of the club, to entertain people of all ages.

Bev Straub, in one of few pensive moods.

“Roses And Rainbows” is Theme For Dance

Keith Nystedt receives a kiss from the bandgirl.

Roses and Rainbows was the theme for this year's Turnabout Dance. Turnabout is an annual dance when the table is turned and the girls ask the boys. This dance is sponsored by the FHA but any girl in the school can come to the dance. At first there was doubt of its success because of a basketball game scheduled for the same date. One week before the dance the game was changed and tickets were soon sold quickly.

The gym was ablaze with color.

All couples enjoyed dancing.

FHA girls served refreshments to the many couples.

Musical

My Fair Lady *Wins Praises*

Professor Higgins (Mark Koba), takes up a challenging made to him by Colonel Pickering (Dennis Ulrey), and changes Eliza Doolittle (Julane Sullivan), a cockney guttersnipe, into a sophisticated lady.

On stage, the cast, our wonderful Mr. Rapp, and patient Mrs. Densford put in a lot of hard sweaty work.

Back stage? Well . . . that's another story.

It all led to an absoblooinlutely lovely production, another success in keeping with Lisle's tradition.

All that is really needed is a "little bit of luck".

It was too early in the morning for most of these street dancers.

Year Closes With Yearbook Dance

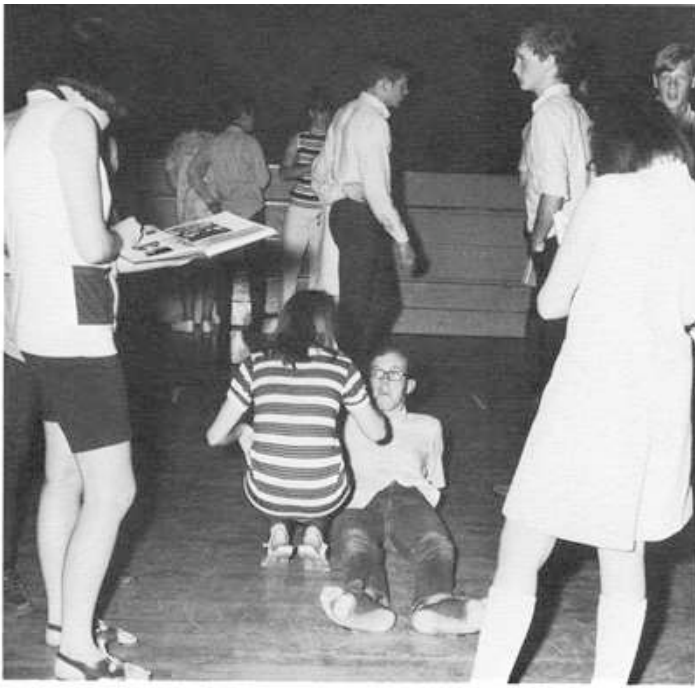

Many students anxiously await the Yearbook Dance. It is a time when the Yearbook Staff gives the student body their book of memories; memories that are too good to be forgotten. For many the dance was a time to get autographs from friends and teachers. For the students who did find time to dance, the background music was played by the Fifth of Sole. All in all, the dance was a success because the year was a success. As goals were attained and high aims were realized, they were captured in the pages of the Valé.

At the dance, students found time to talk, dance, sign and get signatures for their yearbooks, and recollect the many memories found in the Valé.

Fred Brogle and Debbie Rosser find the best place to sign yearbooks.

The Yearbook Dance is also a place to "do your own thing" as demonstrated by a very relaxed Steve Brown.

Typical scenery at the dance: happy faces, happy voices, and worn-out writing hands.

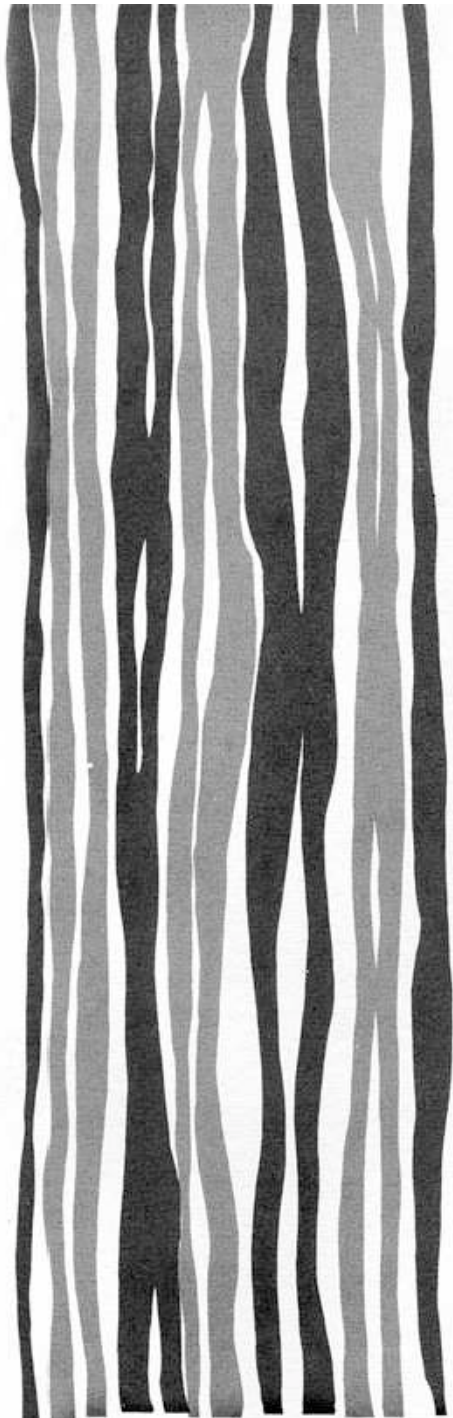

Students scramble for the candid pictures sold by the Yearbook Staff.

Dave Tyznik and Randy Crawley recall memories in the Valé.

Work Makes School Run Smoothly

Mr. Henry Hornbeck

Mr. Sam Galovich

The house built on a weak foundation will fall. The three supports of L.C.H.S.'s foundation are the administration, counselors, and instructors. One cannot operate without the unfailing support of the other, they need each other. Mr. Hornbeck and Mr. Galovich keep us firmly on our foundation.

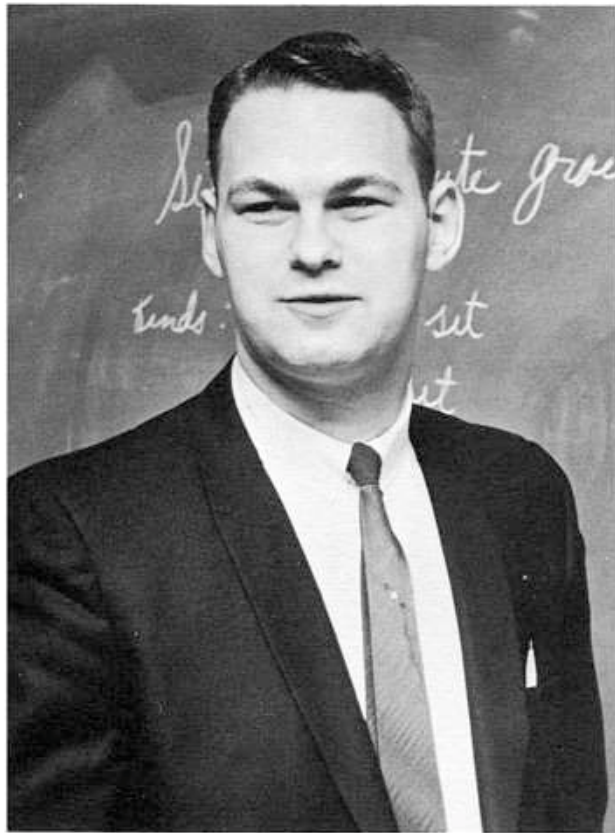

Our counselors, Mr. Doolen and Mr. Jones, are support to the main core, the students. The oncoming landslide of daily student traffic into their offices challenge their many talents of knowing the students needs.

Numbers Lead to New Heights

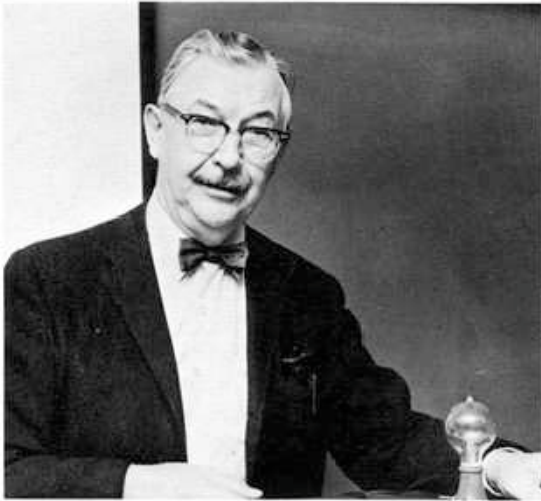

The LCHS mathematics program offers students choice of classes. Freshmen may take their first year of secondary math in one of four levels: remedial, terminal non-terminal, and honors. The remedial program is aimed at students who have exhibited little aptitude for numbers. Terminal Algebra I is intended for those students who take math to qualify for college entrance. The non-terminal and honors sections are for those students who will need a skill in math for their futures. Sophomores may take geometry in either a terminal or non-terminal program. Juniors enrolled in Algebra II learn a lot of trigonometry while Seniors take Math Analysis.

Science Department

Science Opens Many Doors

Science is very important in our everyday life and through the studying of science we are made aware of its importance in today's world. The courses offered reflect this idea, Freshmen are given the basics in chemistry, physics, earth science, and the metric system, Sophomores are taught all about plants and animals through biology, Juniors and Seniors can take electronics, chemistry, physics, and physiology as electives.

Journalism and Senior Speech Added to Curriculum

The English Department seeks to educate students in the fine art of speaking and writing good English.

Freshman Speech and Literature gives freshmen practice in speaking before a large group and an introduction to reading classic literature, as well as writing effective English.

American Literature familiarizes sophomores with classic and contemporary American writers and traces the growth of literature on the American scene.

English Literature gives juniors an insight into the beginning, growth, and analysis of English literature from early Gaelic manuscripts to T. S. Elliot and O. Henry.

Seniors study the gamut of the world's diverse centers of literature from Greek and Roman mythology and drama to the Russian literature of Tolstoy and Dostoevsky.

Journalism gives students practice in newspaper and magazine writing and reporting as they publish issues of "The Roar", Lisle High's own newspaper.

Speech trains students in communication and information, and develops their speaking abilities. This year's Speech class directed and produced several mock-television shows and commercials, all of which were greatly enjoyed by those who viewed them.

Language Lab Aid for Students

French and Spanish are offered in the Foreign Language Department. Students do not only learn to speak and write the language but they also learn history of the country, customs, and songs of the people. Teaching is aided by the use of movies, tape recorders, and the language lab. The language lab

gives students the opportunity to practice speaking and listening during their free time or during class time. The student who took a foreign language has broadened his scope for understanding foreign countries.

History Department

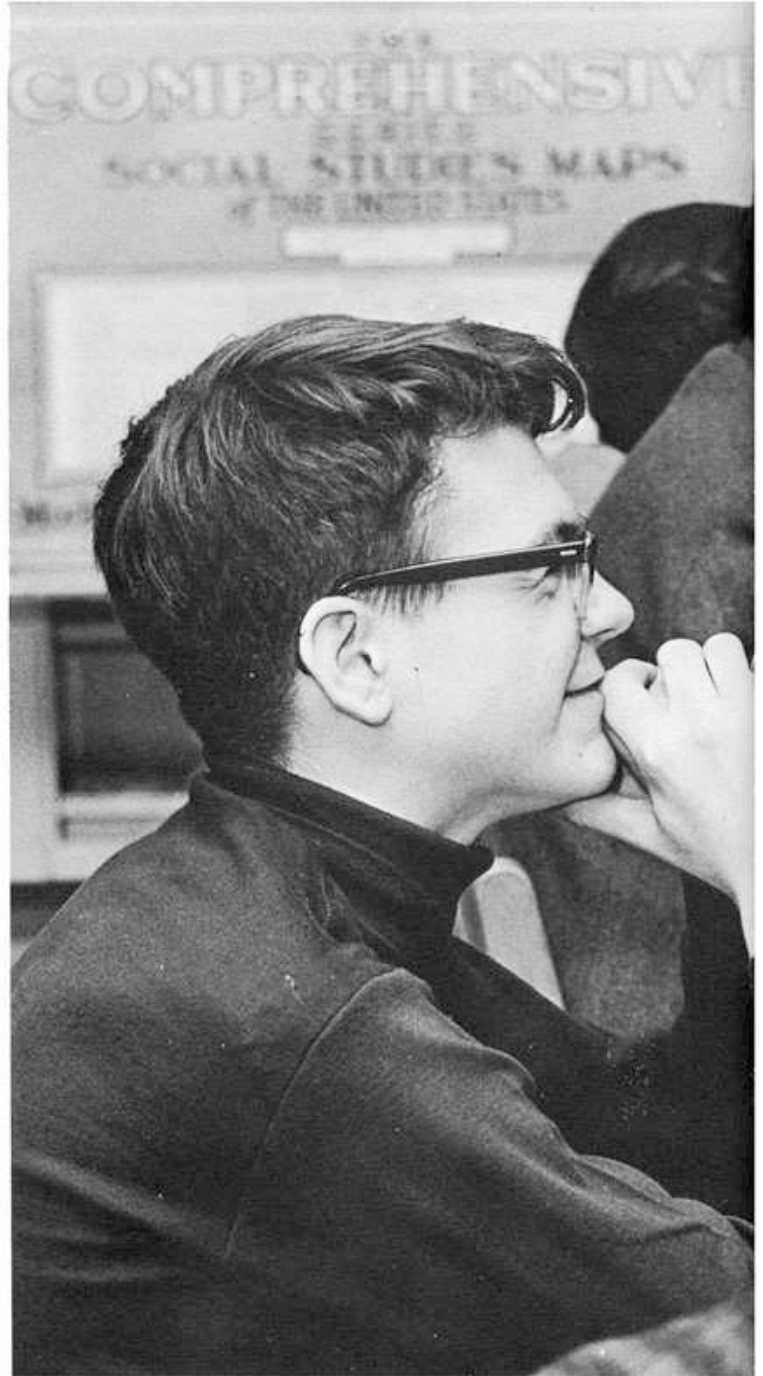

Diversified Courses Offered to Students

Mr. Myron Getz

Mr. J. Barney Neahaus

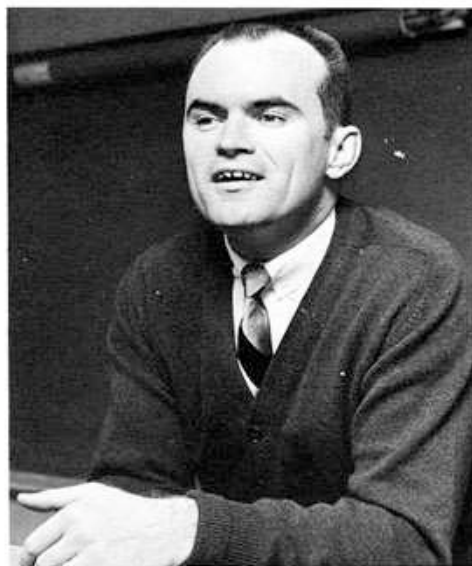

This year's History Department has seen a few changes in its curriculum. Freshmen and sophomores are still offered the course World Civilizations, while juniors study history in conjunction with the English Department. Classes' lengths vary from day to day, making it possible for teachers to give lectures to large groups of students and to hold individual classes. Seniors were able to take one of two history courses, Commentary: USA developed for college-bound students, and Contemporary Problems, also for the college-bound student, but with

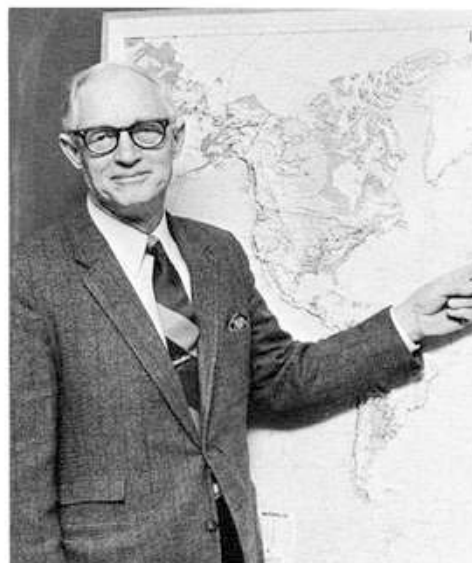

an in-depth study of American history.

For the more concerned student, two new history courses were offered: World Ideologies and On Black America. Each opened up the mind of the student to diversified aspects of life around him, from the government of Red China to life in the alleys of ghettos.

The History Department's curriculum encourages students to become more aware of the world around them.

Mr. Tom McMahon

Mr. George Rapp

Our Business Department offers many courses for the students entering the business world. The necessary skills to perform office work duties can be developed by practicing with adding machines, duplicating machines, and typewriters.

Everyone at L.C.H.S. benefits from the vast number of books and amount of research materials in the library. The library can be a haven for students with a lot of work or for students who want to read a book or the newspaper.

Girls Learn Facts About Homemaking

Mrs. Straub looks over some of Dawn Wright's work.

Daily the East wing of our school is adorned with femininity on the way to learning what makes for a great woman in her success field, homemaking. Mrs. Johanson and Mrs. Ellefsen, with much patience produce fine homemakers. Girls can take a variety of courses such as cooking, sewing, tailoring and home furnishings.

What happens when you have a creative thought? For those students who are enrolled in one of Mrs. Straub's art classes this question would be easy to answer. The art classes are taught to put their creative thoughts down on paper.

Head Cook, Mrs. Davis Retires

Mrs. Hazel Hoepner, Mrs. Lorraine Fraser, Mrs. Leona Davis (Head cook), Mrs. Grace Siebert.

A very important segment of LCHS is the staff. They all work together in keeping everything running. These include secretaries, janitors, and our lunchroom cooks. In addition to the vast paperwork the secretaries have to do they often help students with their small problems, as well as small problems of the teachers. The janitors try to keep the school in tip-top shape, they open the doors to the students everyday and lock up at night. This year our cooks receive a salute. Especially Mrs. Davis! She has been with LCHS since it's beginning, 13 years in all. Our well-balanced diets show Mrs. Davis' and the other cooks efforts. Since Mrs. Davis is retiring in 1970, we wish her much luck and happiness in the future, and thank-you.

Lions Fight Hard to Win

It may not have been a tremendous season as far as winning was concerned, but it was for individual achievement. Al Warner, John Claus, and Al Judd were chosen this year's tri-captains and Bruce Carlson most valuable player due to his outstanding defensive efforts during the season. Carlson also was elected to the All-Conference team along with Al Warner and Rich Lindgren. Al Judd received honorable mention to the Conference. The Joliet Herald awarded Chris Heinz as honorable mention area kicker, and the Suburban Life awarded Bruce Carlson to the All-Area team.

Coach Nalley concluded the season by adding, "Next year's Varsity squad should be experienced and well balanced."

Sophomore Football

Cubs Bare Their Fangs

The 1969 Frosh-Soph football season was upset with 4 losses, all of which were within striking distance. Through their losses the team gained valuable experience. With this experience and the team's great speed, size and talent, they could lose no

more. The team's 5 wins show that there is great potential within the sophomores for the varsity team.

Tri-captains for the team were Dick Jenkins, Larry Peterson, and Dale Smith.

Freshman Football

Much Experience Gained by Frosh

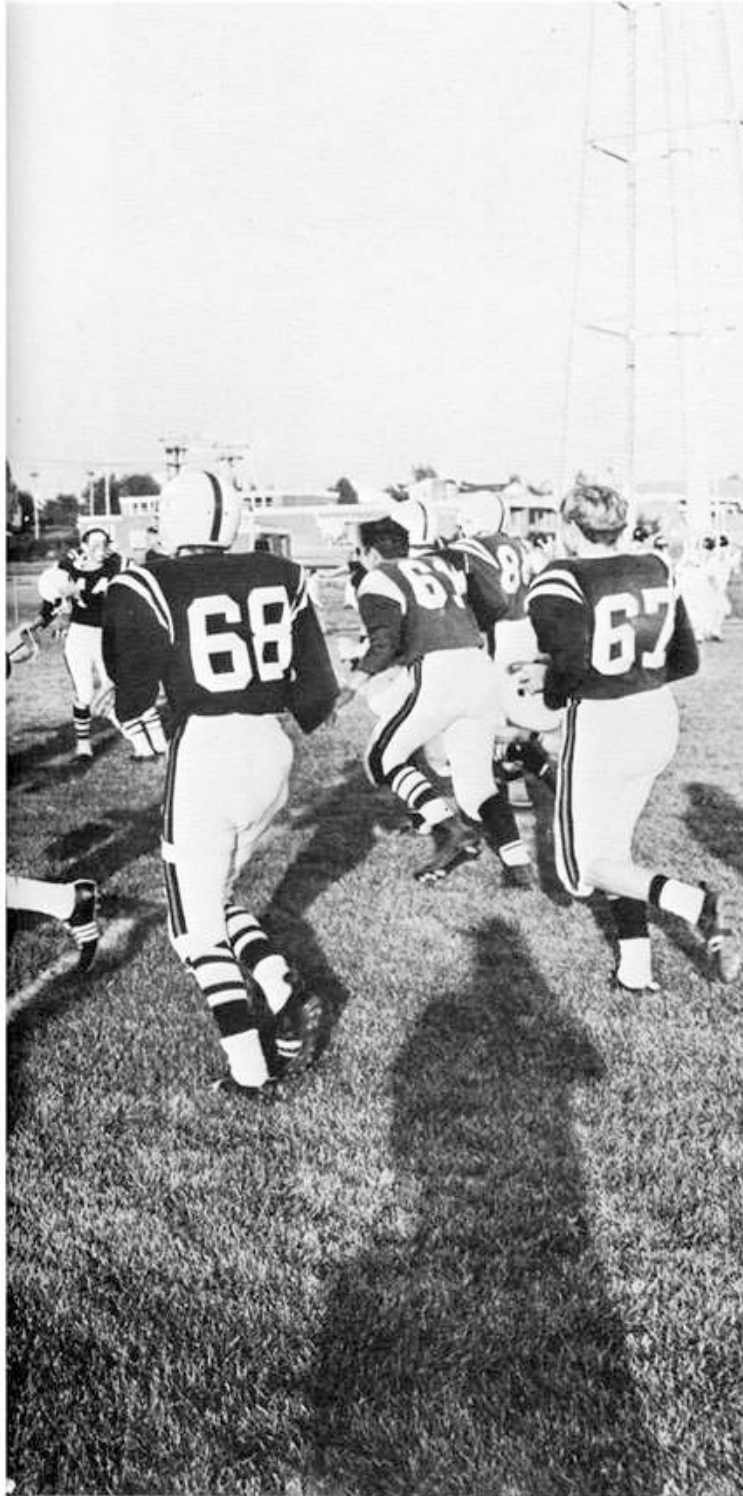

The Freshman football team nearly equaled the performance of last year's Frosh team by clinching the Northeast Conference Eastern Division, only to be defeated by Marseilles in the championship game. Much credit for this accomplishment must go to the team's strong line, speedy backs, and the defense which limited the opponents to an average of only 6 points per game. Dick Dooley, who chalked up 42 points throughout the season, and Tom Purpur were co-captains. Coach Diesron considers the prospects for next year's championship good.

Cross Country

New Course Records Set

A gun shot signals the beginning of each race.

The Cross Country teams had a successful year. Varsity completed the season with 7 wins and 5 losses while the Frosh-Soph had 10 wins and 2 losses. Two new records were set on Lisle's course by Mike Sullivan for Varsity and Larry Roberts for Frosh-Soph. Mike Sullivan also set a record on the Sand-

wich course.

Elected captain of the team was Mike Sullivan. Rex Spriestma was elected most valuable by his teammates. The cinderman chosen as the most improved was Larry Roberts.

Rex Spriestma gives a burst of energy to cross the finish line first.

Ron Schmoker has a tight hold on his opponent.

Lisle Matmen Hold Their Own

Due to lack of experience and depth in several weight classes, the Lions' dual meet record was 6 wins and 17 losses. On an individual basis the Lions boasted three outstanding wrestlers: Phil Heinz, Steve Geiss, and Chris Heinz. Phill Heinz is the first Lisle wrestler to advance to the Sectional Tournament. He won three medals in tournament competition and is considered an outstanding wrestler in the 155 lb. class in the area. Phil was elected a co-captain and Most Valuable wrestler by his teammates for the 1969-70 season.

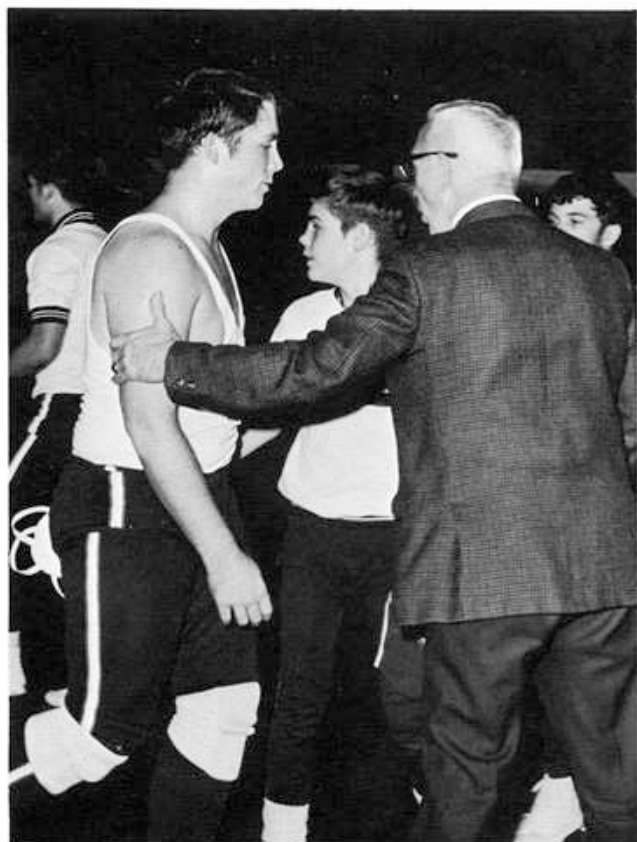

Steve Geiss, a senior, has had an outstanding record at Lisle for the past two years. He was elected a co-captain by his teammates for 1969-70. Steve, along with Phil and Chris Heinz, has been a mainstay

of the team for the past two years.

Chris Heinz, a sophomore, won the Kaneland Tournament championship in the Heavyweight Class as well as placing second in the Northeast Conference and taking a third place medal in the District Tournament. Chris is a bright prospect to take honors in the next two years.

Ron Murray, a sophomore, won the 185 lb. championship in the Kaneland Tournament. Ron still has two years of competition to do an outstanding job for Lisle.

Tom Venard, another sophomore, is one of the most improved wrestlers on the team. Tom won a second place medal in the NEC Tournament.

Mr. Galovich congratulates Chris Heinz after a winning match.

Lisle wrestlers enthusiastically cheer teammates.

Varsity Basketball

Varsity Shots to Win

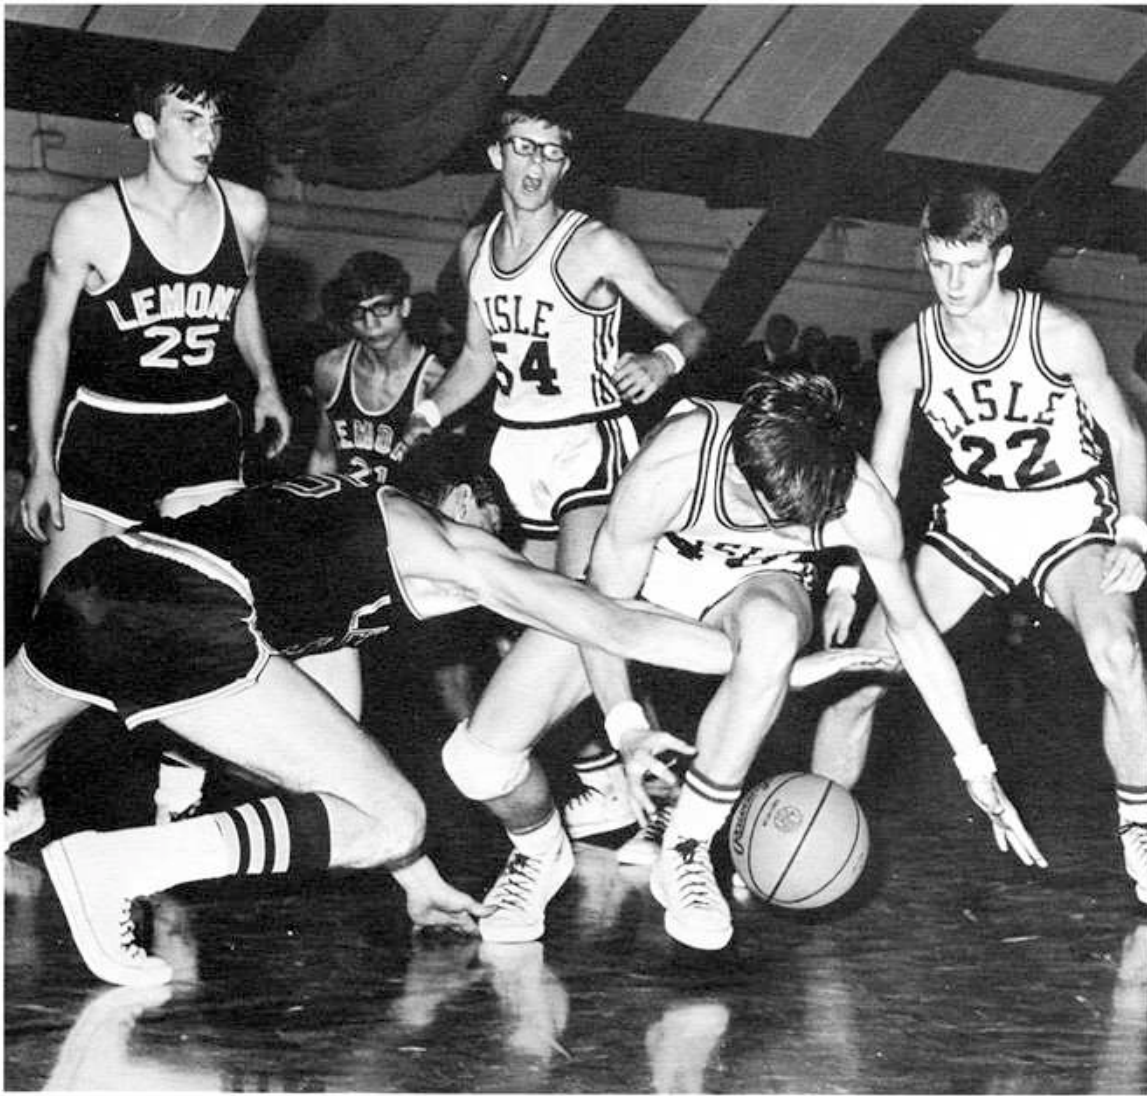

This year's Varsity team, under the leadership of a new coach, Coach McMahon, ended the season with a 7-7 conference record. They set a new record of 93 points against Sandwich. Al Warner, captain, Tom Pausche, Chip Van Kampen, and Tom Reasoner were all fine assets to the team. Tom Pausche was recognized by the Chicago Today Prep Team of the Week, unanimous All-Conference choice, and All-Suburban 1st Team of the Joliet Herald. Chip received honorable mention to All-Conference and to the Chicago Today Prep Team of the Week.

This year's Frosh-Soph basketball team finished the season with a 8-13 record and a 5-9 conference record which put them in 5th place. Co-Captains, Tim Johns and Tom Rauschenbach did a great job on the court, also helping to bring the team to a fine finish were Kent Bain, Keith Nystedt, Bill Esposito, and Mike Grazier. Track

Trackmen Reach for

The 1969 Track team achieved 4th place in the Northeast Conference standings. The team was composed of some fine performers; Tom Pausche, named to the Tribune and Suburban Life All-Area teams, N.E.C. High Jump and Pole Vault Champion, and 2nd place winner in the State Decathlon competition, Tom Reasoner set a new broad jump record, and Mike Sullivan set a new half-mile record. The tri-captains were Andy Brubaker, Don Marek, and Burnie Orpin. Coach Nalley is expecting an even better conference standing next season.

Lisle's 1969 Baseball team ended the season with 7 wins and 2 losses in conference play. This record earned the team a second place in conference standings. Much of this accomplishment can be accredited to the co-captains, Ken Slope and Mike Brady, Kevin Ferrin, voted most valuable player, and Ed Forst, elected to the All-Area team. With three Lettermen, Chip Van Kampen, Jeff Myers, and John Claus, returning, this year's attempt at the conference should prove a challenge.

Cheerleaders

New Lion in Cheerleading Squad

There are two squads of cheerleaders, Frosh-Soph and Varsity, and this year both groups have a traditional Lion. These girls cheer at all sporting events from fall to spring.

During the summer both squads attended a week of camp at Illinois State University. While at camp they learned many new cheers, pom-pom routines and a variety of gymnastic stunts.

Lionettes

Pom-Pom Girls "Do-Their-Own-Thing"

The Lionettes are under the direction of Mrs. Di Iacova. They performed at all home football games and basketball games, usually to the music played by the band. The Lionettes added to the half-time entertainment by doing precision dance steps and pom-pom routines. Co-captains for this year's squad were Sue Balchunas and Sue Stoerzbach.

Organist, Kenneth Goodman, played popular and classic selections for the student body.

Student Council aimed for a new look this year and achieved it fairly well. Every other Tuesday they held a general meeting and discussed problems. The dress code was brought up so many times that a committee was finally organized of teachers, students, and parents. Soc-Hops were also sponsored by Student Council along with the Jamboree.

Journalism

Roar Reflects New Ideas

The L.C.H.S. Roar this year was made possible through the journalism class. The class worked long hard hours to make the paper interesting. They conducted surveys throughout the school. On important issues, they wrote articles not only about our school but also about music and drugs. The first few issues were printed at the school but in January the first paper printed by a printing company was published. This year's paper was interesting and informative.

Foreign Language Clubs

Clubs Work Hard to Earn Money

The French and Spanish Clubs help students of foreign languages to understand the French and Spanish Cultures.

The Spanish Club raises money to send students to Mexico for summer study. By living with a Mexican family, the students get a chance to put their knowledge of the Spanish language to work and get the benefit of high school-level studies in Spanish.

French Club is helping to sponsor several students on a European tour. That group of students will attend classes set in Europe's most beautiful scenery —

the Alps. They will also visit places of interest in historical France, and will be able to utilize their skills in the French language.

After many hours of hard work, the students of both clubs raised money by participating in different projects such as movies, surveys, "taste tests", a French toast breakfast, and a bake sale.

Each club's membership and spirit increased greatly this year. For the first time, the French Club entered a float, "Arc of Victories", in the annual Homecoming parade.

LMC; FTA

Students Learn About Careers

Together FTA and LMC help a student reach for the future. Through these two clubs a student is able to find out if he might be capable to handle a teaching profession or perhaps a medical career in his position in life.

This year FTA seemed too follow a single track for most of the speakers talked to the girls about Special

Education and the vast need for teachers in this profession. A few of the seniors do hope to follow on in Special Ed in college.

LMC offers a student a chance to explore career opportunities in nursing and other health fields. Listening to a few speakers at the different meeting the students had a very worth while year.

Clubs Active From Fall to Spring

A new high was set concerning membership in Future Homemakers of America this year. Their activities included the annual "Hay-Ride" and their Turn-about dance where the girl could ask the boy of her choice, for a chance. About 12 girls attended the FHA Rally and really had a good time.

Speech And Debate Clubs

Speech And Debate Teams Have New Sponsors

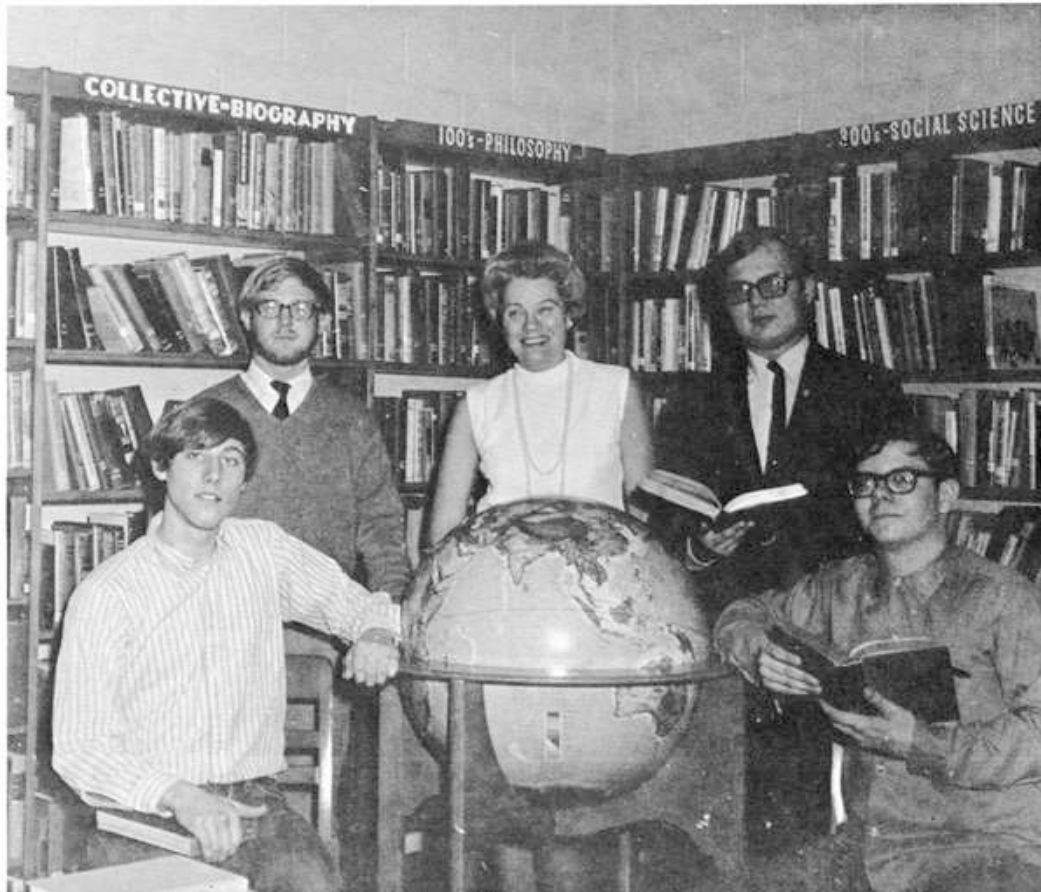

Under the direction of a new advisor, the Speech Club participated in IHSA District Individual Events Contest. It was hosted by Lake Park High school on February 14. The club competed against such schools as Glenbard East and West, Naperville, and Wheaton. Only one student was able to make the finals from the preliminary rounds but all students

do agree it was worthwhile and should be chalked up to experience.

Coached by Mrs. Swartz, the Debate team worked long hard hours gathering and sorting materials while they were perfecting the art of argumentation so they would be ready to compete with other schools.

A.V., Library Aides, Hall Monitors

Students Help to Operate School

The backbone of the high school, Audio Visual, Hall Monitors and Library Aide help in aiding the school to run efficiently and with little difficulties. The A.V. boys help the teachers with the projectors and any other help they might need in operating the machines for class use, the Library Aides assist the students in finding books and keeping the library neat. These students help Mrs. Shannon with the smaller jobs that need to be done, such as pre-pressing books putting books in the shelves. Without these students the school would seem to have a tiny split in it's effectiveness as a teaching institution.

A.F.S. And Science Club

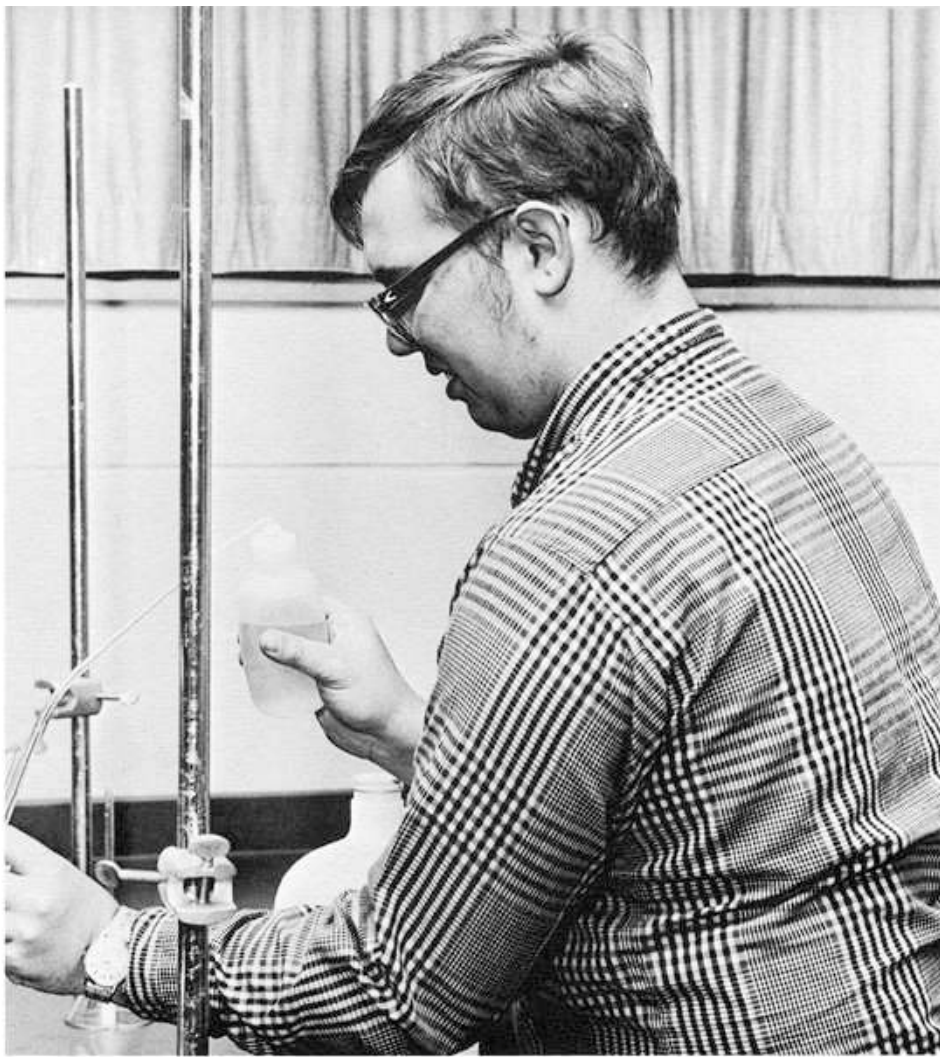

Yolanda Cabezas Is A.F.S. Student

This year A.F.S. separated itself from Student council to form a club. A very active club, A.F.S. had many fund raising projects to earn enough money the A.F.S. program will be able to continue in 1971. The earned money is used to bring a foreign student to Lisle and for a L.C.H.S. student to study abroad during the summer.

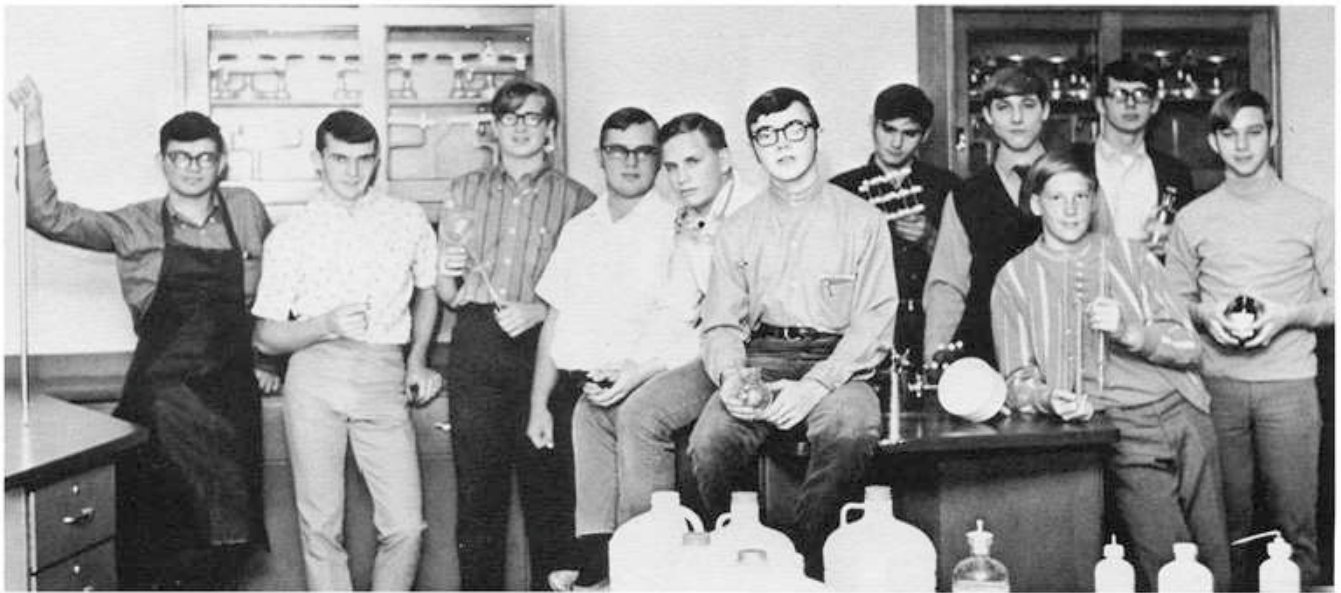

Another new club formed this year was Science Club. Students interested in pursuing their desire to learn more about science joined.

Yolanda Cabezas, our A.F.S. exchange student was an honorary member of the Homecoming court.

G.A.A.

Sports Spur Girls to Action

The Girls Athletic Association started out this year with the annual Freshman initiation. It consisted of "on the spot" dance routines, baby bottle drinking races, and pushing a penny across the floor with their nose. All in fun! Then started the participation in the season's sports, beginning with basketball. This year eight teams of girls competed for the first prize. Then twelve teams of girls entered into the ever popular bowling. North Central College provided a great place for swimming. Finally at the end of the year the Volley-Ball Tournament came along and also the competition of the classes for the first prize. All in all, Gaa provided a healthy, fun, and useful place for girls to go for a good time and for great exercise.

This year's pep club possessed a new characteristic — Spirit! The members wore their sweaters proudly and cheered our boys on to many victories. At a couple of pep assemblies the club put on skits for the student body and started a few of the cheers. Another new addition to the club was the spirit stick. This stick was given to the class that cheered the most at pep assemblies and who won "Battle Cry". Then there was the stick given to the student with the most spirit.

John Grochowski stands proudly with spirit stick.

Nancy Belom plays in pep band,
one of many band requirements.

"A Trumpet's Prayer" to be able to play as well as Al Hirt.

Band members had a very exciting and fulfilling year. The beginning of the year the members worked at preparing programs for the half-time shows and played at all the pep assemblies. Then after the outdoor sports the band got down to hard work to prepare for the winter concert in February, During March and April they hosted two music contests. The principal band contest held on March 14 and the solo and ensembles in the month of April. Each student assisted in helping the contest run

smoothly and making the 1800 students feel welcome and at home. The students traveled from as far as 100 miles to attend the contest.

A new addition was added for two music bound students. Private instructions in directing the band was offered and these students would help direct the band when Mr. Bartelt was absent. Each student conducted one song at the concerts. In April the twelve seniors said their good-bys at their last high school band concert.

Majorette Sue Hammer and Cyndi Geyer (Drum Major) lead the band in one of the many parades.

Chorus

This year's chorus enrollment is the largest yet! Almost 200 students belong to one of three choirs, Varsity Choir consisting of Juniors and Seniors, Mixed Choir made up mainly of Sophomores, and the Freshman Choir. Members of the class of 1970 assumed much of the responsibility for school leadership. Students from the Senior Class headed the Science Club, F.H.A., French and Spanish clubs F.T.A., N.H.S., Lettermans, Pom-Pom girls, and the newly formed A.F.S. club. They also edited this years 'Roar' and Vale. After three years of hard work the seniors finally reached the peak of high school life. Then there was a certain unity between all seniors, because they all knew that they would part to different paths after June twelfth.

Officers Guide Throughout Year

Juniors started off the year on the right foot. The officers combined their efforts to propel their float into second place. Finally after many months of hard work the Juniors reached their main goal: to finance the Junior-Senior Prom. They earned money from football concessions and soc-hops and held the 1970 Prom in the exquisite hall of Pheasant Run.

Freshmen

Freshmen Adapt Quickly to High School

This Year's Freshman class was the largest to ever enter L.C.H.S. They were able to survive quite well in the strange surroundings and they even made it through Freshman Initiation Week without too much trouble. In the Homecoming activities the Freshman float won third place. Throughout the rest of the year Freshmen participated in all aspects of student life, from drama and music to sports.

Vale Acquires New Look

Photography editor, Dave Kendall, works on one of many picture schedules.

A new change is seen this year in your yearbook. A new section was added that revolves around the different EVENTS that take place throughout the year.

New dimension is also seen in the quality of the pictures for this year the editors changed photography company as well as the publishing company. The two new companies helped us try and create a totally new book for you. But we mustn't forget the many hours of hard work the staff put in but most of them would agree that there were many good times in preserving the many facets of high school life — in the 1970 VALE.

The Staff of the 1970 Valé is indebted to many people who have given so willing their cooperation and hours of hard work. First off we would like to thank the secretaries for their patience with our staff who were constantly wandering in and out of their office. Then we would like to thank Mr. James Bull, our consultant from American Yearbook Company, for his sincere efforts and many hours of work he devoted too us, along with the many laughs he gave us with his endless jokes. Next we would like to thank Sheridan-Peter Pan Studio for their cooperation and our fantastic photographer, "Mr. Otto" who took many great pictures for our book. Last but not least we extend our appreciation to our advisor, Mrs. Dorris Straub. A wonderful person to work with, she gave up many of her nights to work with us on our deadlines. With her encouragement we strived on to present to you your 1970 Valé.
