“We May Never Pass This Way Again”

Life — so they say
Is but a game and they let it slip away
Love — like the autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead.
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up, always up
 We may never pass this way again
 We may never pass this way again
 We may never pass this way again
Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up
 We may never pass this way again
 We may never pass this way again
 We may never pass this way again
So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you baby
 We may never pass this way again
 We may never pass this way again
 We may never pass this way again
 We may never pass this way again

ACTIVITIES

"IF . . ." Paints Memories

The Zurich Room at Orrie's of Wheaton served as the setting for the prom of 1977. Seventy-eight couples enjoyed the dinner of chicken kiev, and later danced to music by the band "Choice." Silver stars and tinsel decorated the room surrounding the theme "IF . . ." Favors included necklaces and glass bud vases for the girls, and mugs for the guys. Chaperones included Mr. and Mrs. LeCrone, Mr. and Mrs. James, Mr. and Mrs. Neahaus and Mr. Wilkinson.

Graduates Step Forward

Friday, June 10, 1977 was the date of the graduation ceremony for the class of 1977. Awards were given out and diplomas were presented to one hundred and ninety-six students. The diplomas were presented to each student by the president of the school board, Mr. Gene Looft. The ceremony was held in the Lisle Senior High gym.

The Valedictorian was Lori Anderson and the Salutatorian was Pat Virtue. Dr. Raymond Miller presented John Fallon with the "I Care" award.

Homecoming Ignites Spirit

For the first time in three years, the spirit of homecoming was shared with the freshmen. The week kicked off when the girls displayed their athletic abilities in the powderpuff football games. A new feature to the week's activities included a window painting contest. With the artistic talents of Dave Wills, the seniors won. The juniors won first place in the float competition as they carried out the homecoming theme, "Super Heroes."

Later in the week Anita Jensen and Dave Lee were voted homecoming queen and king.

On homecoming day the Lions fought for a victory over Plano resulting in a final score of 18-6. Later that evening the victory was celebrated by seventy-five couples at the dance. It was held in the commons, and the band "Friends and Lovers" provided the entertainment.

A Unique Duo

The seventh annual fall drama, "The Odd Couple," was presented November 18 and 19 at the LJHS auditorium.

The dinner theater has been presented each year in conjunction with the American Field Service club and Thespians Troupe 660. The money received was divided between the two clubs.

Mrs. Fiore was assisted by student directors Debbie Hilton and Ben Johnston.

John Petry played Oscar Madison and Larry Modaff was Felix Unger. Becky Herman and Lynne Homan portrayed the Pigeon sisters.

CLASSES

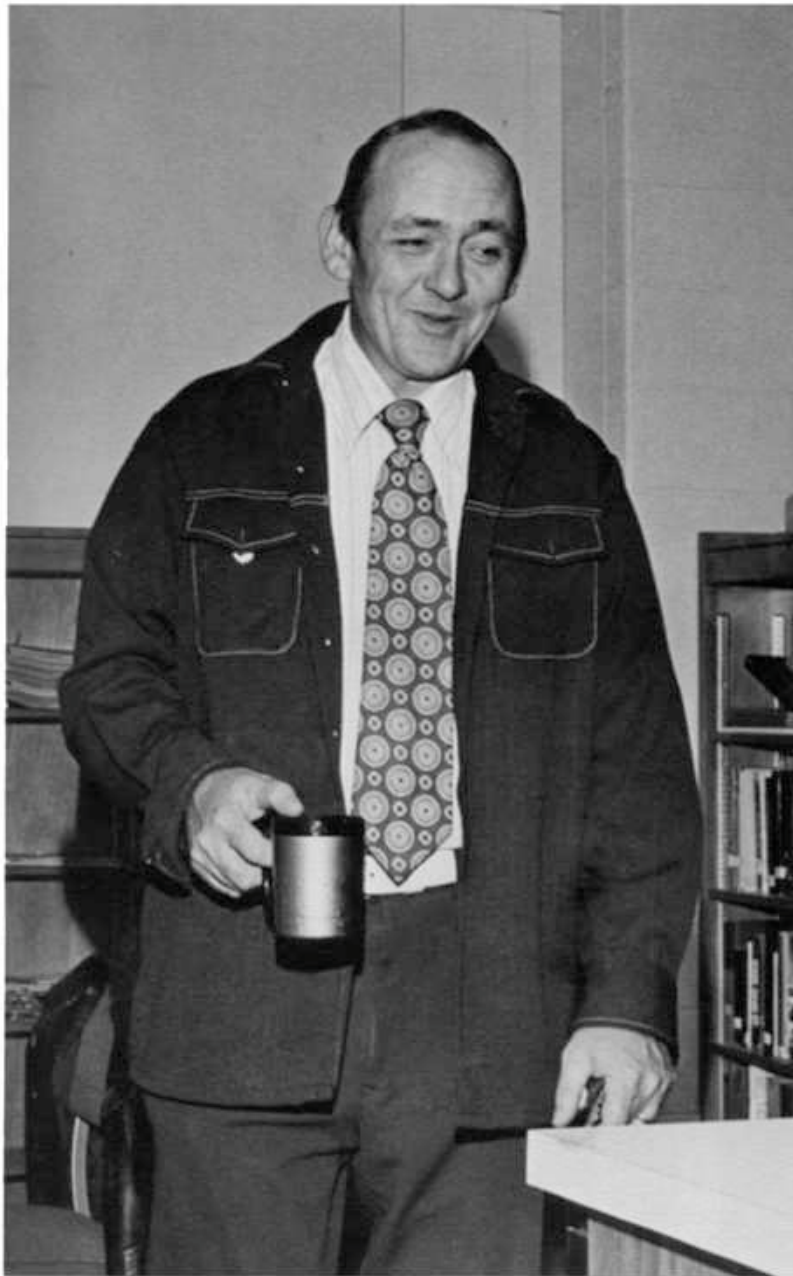

Policies Change

Behind the many aspects of the school were the seven people who organized them: The Administrative Board. They evaluated and voted on items of concern. One such decision which especially affected students was that of using an "E" instead of an "F" on report cards. They also approved the dropping of the gym requirement for seniors.

Our superintendent, Dr. Miller, has presided over District 202 for 16 years. Mr. Long, our new dean from Proviso West High School, enforced the decisions concerning students.

Counselors Aid

No student could have done without the help of the counselors. Miss Loos and Mr. Anderson aided students while Mr. Doolen served as assistant principal and head of guidance. They helped students with class, career, and college problems. Helping students with school plans was only one part of their job. They also found part-time jobs for students, administered tests, and helped students solve personal problems. Mrs. Kremer, the guidance secretary, was always present to assist.

Library Shapes Up

The new face you saw in the library this year was Mrs. Patterson's. Having worked in a medical library and in an elementary school, she found that our library offered a different challenge to her. She brought in many new policies. She contended that the library is a learning center and silence is golden. Mrs. Berry, assistant librarian, worked with Mrs. Patterson to help students find research materials and good books to read.

Staff Does The Job

LSHS secretaries helped greatly in the operation of school this past year. The fulltime job was upheld by six women.

The lunch crew provided lunch for the 820 students every day. Maintenance of the school was taken on by the janitorial staff consisting of three men. They cleaned the school from top to bottom during the summer. Making room for another grade was a tremendous project. Desks and lockers had to be moved from the Junior High to accommodate the additional 200 students.

English — Lots Of Class

Due to the increase in class load, the English department had to make adjustments. Classes averaged 30 students, which created an abundance of paper work for the teachers to correct. Mrs. Renaud transferred here from the junior high in order to teach the incoming freshmen. Practical Writing was added to the list of English courses as a result of the increased composition requirements. However, the Drama classes found time to see "A Chorus Line."

New Teacher Joins Department

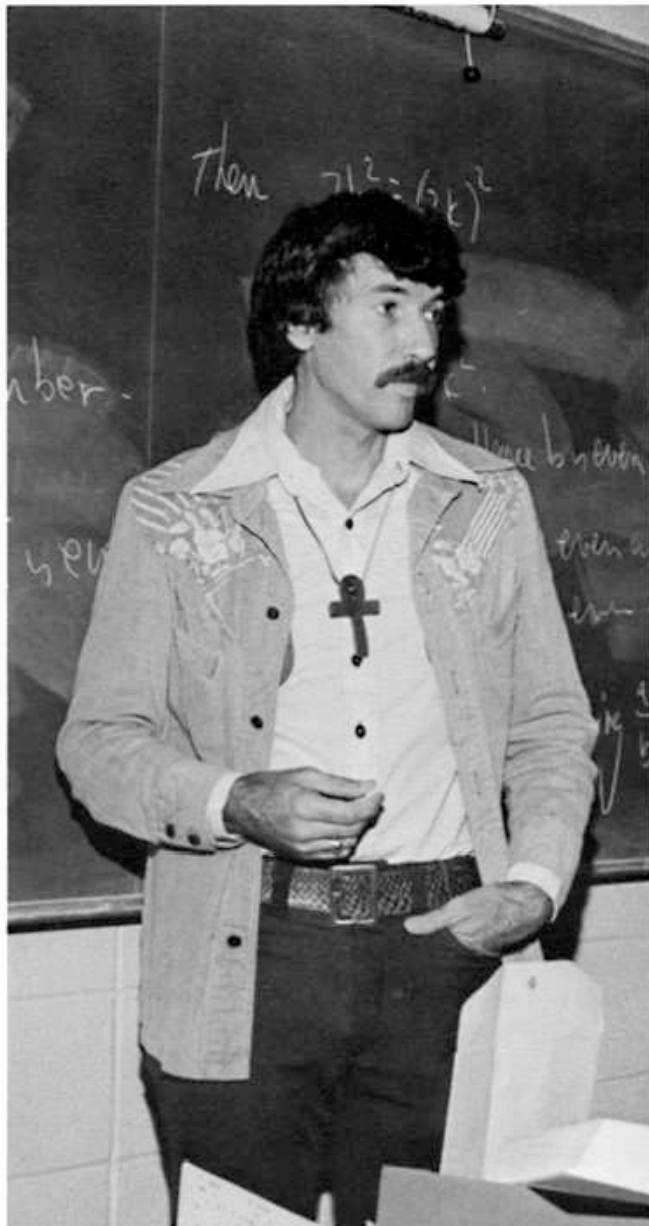

This year the Foreign Language Department added a new member to its staff, Ms. Cepek. She taught both Spanish and French and felt that "Learning a foreign language can enlighten ones cultural experience in life." To Mrs. Sonney, who teaches Spanish I through Spanish IV, "Hearing a student express himself in the language she has taught the student, would be a great personal goal come true."

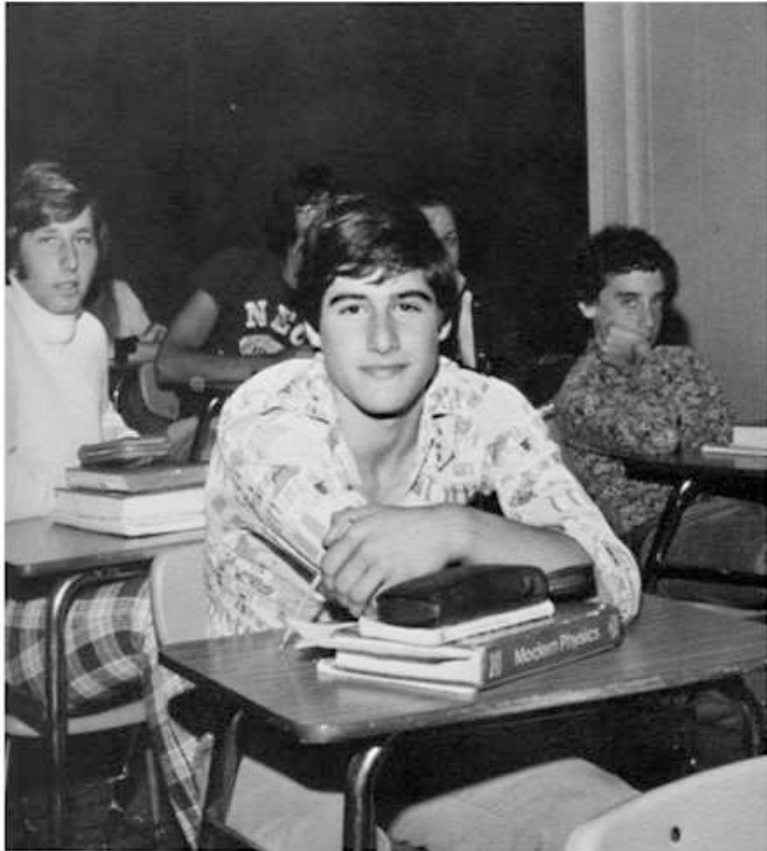

Also new this year, there was a laboratory put in for the use of the foreign language class. In this new laboratory the students can work alone and learn much quicker by listening to tapes over and over again. The students find this method of learning can be very enjoyable.

Computer Helps Out

A new addition was added to the math department this year — a mini computer. It was used to aid teachers in an introduction to programing computers. The computer made up problems from the programing that it was fed. The computer uses BASIC language which is the general programing language of computers.

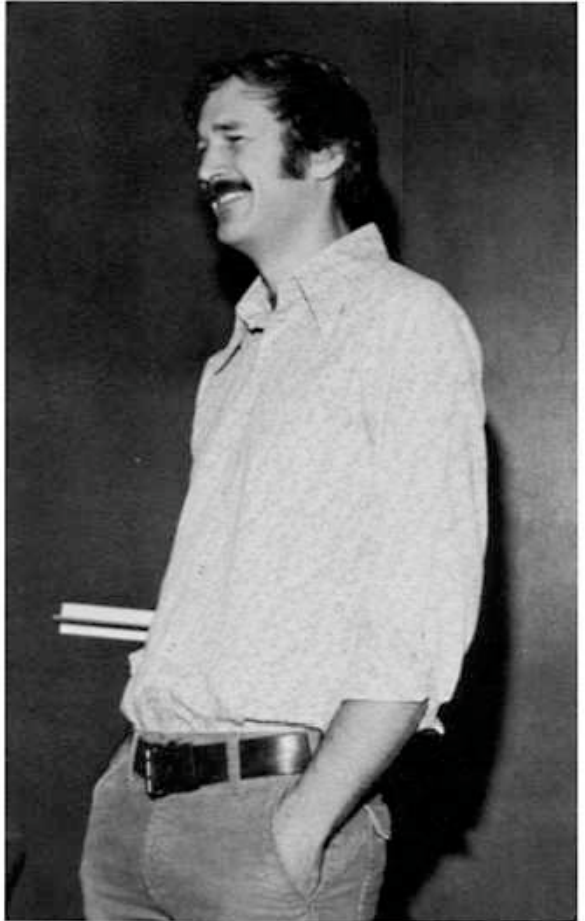

Mr. Burns was a faculty addition to the math department this year, as he came over from the junior high to help out teaching the newly arrived freshmen class.

New Design Techniques

The art department welcomed a new teacher this year, Mrs. Lilita Spuris from Cleveland. In Ohio, she taught high school students while also teaching part-time at Case Western University.

In all her art classes, which included Jewelry, Ceramics, Art I and II, Drawing and Painting, students were encouraged to develop their own ideas and techniques to create a final project. A few select projects qualified for display in the annual Wieboldts Scholastic Art contest held in February.

On November 29 representatives from Robert Morris College visited the Business classes. They talked to interested students about future careers in the business world. McCormac College also visited and discussed legal professions available to those who were interested.

Participants worked in such places as Western Electric, Ogden Six Theaters, Sharkos, and Snow Valley Nursing Home. Some CO-OP students planned to go to college after graduation while others received the skill and experience they needed for work after high school.

DAVEA Provides Skills

The DAVEA Center, located in Addison, gave students the opportunity to learn their prospective trade. Job opportunities increased when students graduated since they had been trained in their field under the DAVEA program.

Lisle students have been a part of the DAVEA program for four years and much interest has been shown each year. The program was open to junior and senior students. This year thirty-six students attended the morning session and twenty-eight attended the afternoon session. The major courses that were available were in Applied Science, Business, Personal and Public Service, Industry, and Transportation.

Music Heard All Year

The band began its year early in August by preparing for the half-time shows during football season.

Christmas, winter, and spring concerts were given with the chorus. The concert band went to contest on April 8 at Downers North High School where it received excellent ratings. The third annual Band Banquet was held on May 4. Fourteen students were chosen to participate in the NEC festival on November 15. Through district competition, bass clarinetist Jim Francisco made the All State Band. Mark McCann was selected to play with the Windchamber Symposium at the University of Illinois on February 24-25.

The band finished the year by marching in the La-Grange Pet Parade on June 3 and playing for graduation ceremonies.

Gym Classes Go Co-Ed

This year co-ed gym classes provided a new experience for students. However, classes did not participate in all activities together. Co-ed activities included volleyball and gymnastics. All other activities were done separately.

Another new aspect was the absence of the seniors in gym. This was due to the increased number of students from the freshman class, which resulted in insufficient time to accommodate all the students.

Mrs. DiIacova and Mrs. Poetker taught all the girls' classes. Mr. Keeley, Mr. Burns, Mr. Baum and Mr. Block, a new addition to the gym staff, shared the boys' classes. Mr. Baum, in addition to the gym classes, taught all health classes to the sophomore class.

ORGANIZATIONS

To AFS, From Iran

This year Lisle's AFS club hosted Afsaneh Nasseri Zafar, exchange student from Isfahan, Iran. Nazi stayed with the Homans, her host family for the year.

In order to make the student exchange possible, along with the many other activities, the club held fund raising events. The annual pizza sale was especially successful this year as club members sold one thousand pizzas, the most ever made and sold by AFS. They also co-sponsored the dinner-theater, and a weekend for other exchange students. Likewise, AFS students participated in a short term exchange program with an AFS club in Tennessee.

Kathy's Back From Chile

AFS sent Kathy Hahn to Chile for thirteen months. Kathy, a third year French student, knew very little Spanish and her parents, two brothers and sister that she stayed with didn't know any English. Kathy began her experience by learning how to communicate with people of a different language.

When Kathy was not in school, studying Philosophy, Chilean History, Biology, or Physics, she was out discovering how beautiful Chile was. The Atacama Desert was up North, central Chile, where Kathy was, had many fields and mountains, and lakes and forests were in the South.

Charles In Belgium

Charles Allen was the AFS short term foreign exchange student to Belgium for the summer. During the summer Chuck stayed with a family of four in the Flemish city of St. Amandsberg. While Chuck was in Belgium he traveled with his family to the Netherlands, France and Germany, all of which were within three hours from where he was staying.

Forum Is Active

Student Forum was active in improving the school for the students and faculty. In addition to the traditional sponsorship of homecoming, they studied and collected data on room temperature control.

The group was also involved with a Christmas drive, collecting 580 pounds of clothing, canned goods and toys. These items were distributed by a church agency to needy people.

Meetings were held every other Tuesday during class periods. Presiding over the meetings were president, Jim Howard, vice-president, Steve Turner; secretary, Debi Hilton; and treasurer John Fugett.

FBLA Profits

FBLA Future Business Leaders of America, was designed to help students acquire more knowledge in the business field, and to test their business skills. Throughout the year, club members raised money through the sale of baked goods, candy and tickets for the Disco Dance.

The money was used for a convention which was held in Springfield. There the students participated in and watched contests to test skills.

The president of F.B.L.A. was Kerry Rosser; vice-president, Dave Ruff; secretary, Sandi Riedy; and secretary of treasure, Mike Reeder.

NHS Tradition

Under the supervision of Dr. Mulcare, The National Honor Society club aided in the development of students both academically and socially. The club helped students recognize traditions by selling mistletoe on Christmas and flowers on Valentines and St. Pat's day. This year the club made a special contribution to the educational TV station WTTW.

3

Trilogy of Clubs

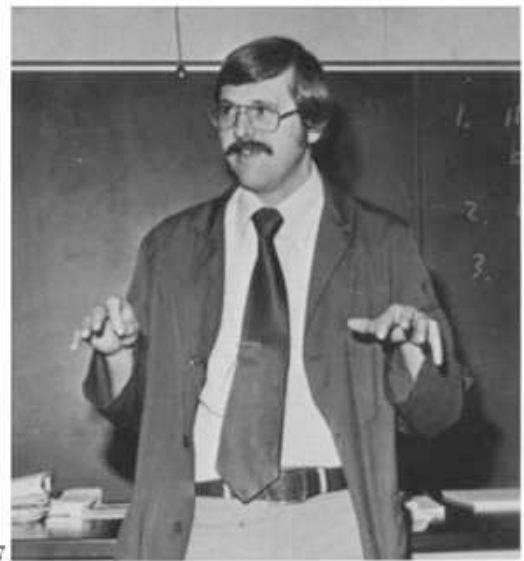

Medical Club, sponsored by Mr. Bates, was formed to get students involved in medical careers. The club visited many medical associations as part of their curriculum.

Outdoors-Sportsmen club, also sponsored by Mr. Bates, was for students who enjoy outdoor sports. The club had many trips to forest preserves and to Lisle's own Morton Arboretum.

Chess Club was for those who cared to further their skills in chess through practice and expert advice from their sponsor Dr. Mulcare.

Pride Is New And Improved

This year's PRIDE was revised and updated. The old mast head was replaced by a new one, a lion leaning against the PRIDE nameplate. The editor-in-chief, Ken Grether and the all-new staff, under the supervision of Mr. Beato and Mr. Jones, decided to use a new style to make the paper more interesting and functional, with better layouts, new department titles and different placement of the sections. All this to make us proud of the PRIDE.

VALÉ Editors Win A Prize For Theme

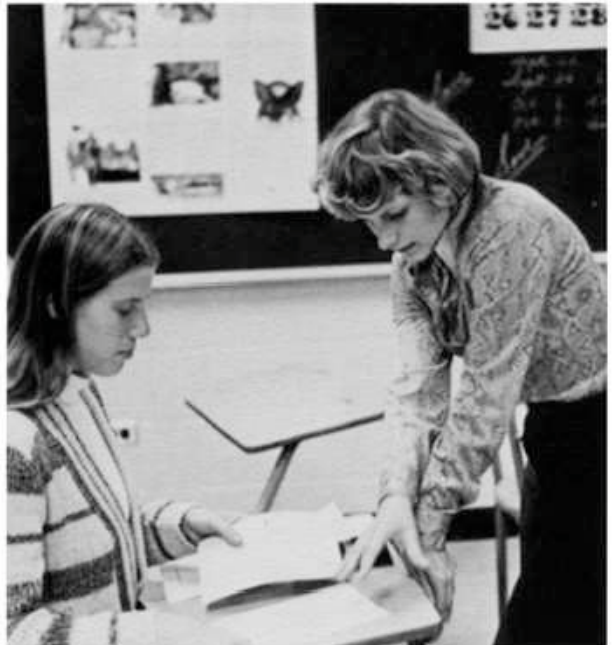

During the summer, the co-editors, Carol Cienkus and Dianne Lynch attended a yearbook seminar at the University of Wisconsin at White Water. While going to classes every day they learned the basic set-up of a yearbook. Carol and Dianne also won a prize for first place in theme development.

The yearbook class met each day for their group assignment. The editors were assisted by the copy editor Joanne Dietrich, and business manager Chuck Smith.

MLC Raises Funds

The Modern Language Club sponsored student trips to French and Spanish Language Camps. These were made possible through fund raising events such as pizza and bake sales, and the painting of the mural on the recreation room wall in the County Home at Wheaton. Navy Pier and Monte Carlo Night were other events. This year MLC had the greatest number of participants it has ever had.

Dorothy Wetterquist and Ruth Yender were voted president and vice-president, respectively, while Mrs. Sonney and Mrs. Cepek were sponsors.

Club Rules Change

In the past, the juniors and seniors were the only athletes allowed to join the Lettermen's Club. This year the privilege was given to all four classes. Club projects included selling T-shirts and hauling the concessions at games. In return, some of the club members were able to choose a sports camp to attend. There they received the instructions, training, and knowledge to help them excel in their favorite sport.

Mr. Nalley, Mr. Neahaus and Mr. Pippen, sponsors of the club, were assisted by the president of the club, Craig Wilson.

Actors Keep Busy

This year the members of Thespians attended workshops to improve their dramatic skills. The money for the workshops was raised by selling tickets to the fall production of "The Odd Couple," and the spring musical "Bye Bye Birdie." The club also co-sponsored the MLC-Thespian "Monte Carlo" night. The club members provided the entertainment for the "gamblers."

Track Strides On

The Varsity Track Team, coached by Mr. Nalley, placed second in the Northeast Conference. Despite hard work and dedication, the team was unable to capture its third straight Conference title.

The Lions had many fine performances and six individual champs. Some of the fine performances came from Larry Esposito in the 220 yard dash, Jay Grochowski in the long and triple jumps, Bruce Baum and Rick Cheli in the hurdles, Steve Smith in the pole vault, and Lynn Coleman in the 440 yard dash. The team of Esposito, Coleman, Grochowski, and Cheli also qualified for the state meet for the 440 yard relay.

Golfers Take Third

This year the Conference Golf Meet was held at Plainfield's Wedgewood course. Lisle placed third out of the six teams. Mike Densford tied for fifth out of the forty-two golfers with an 87. Fortune was not as generous at Districts where Lisle tied for twelfth. The Varsity ended up with a record of 6-5.

Brian DeMar and Ken Saraga were voted Co-captains. Jason Pripusich was the only golfer on the team that placed in every meet. Mr. Jones stated, "I feel very positive about next year's team because the J.V. record was outstanding, 8-3. We're only losing two golfers at graduation, Jeff Pripusich and Ken Saraga, and we have several very good underclass golfers."

Winning was the main theme of the 1977 Varsity Lions. Coach Pippen led the team to his third straight Quad County Conference title with a perfect 12-0 record.

Co-captains Bruce Baum and Jeff Sauer helped the team bring home a second place trophy from the 16 team Dixon Tournament. Most Valuable Player, Jay Grochowski, won the conference batting title with a .486 average by edging sophomore teammate Russ Krause who finished with .484.

Four members who were selected to the All-Conference team were Jay Grochowski, Jeff Sauer, Bruce Baum and Marty Bullis. The whole team's effort contributed to their fine season record of 20-6.

Sophs Pass By All

The sophomore football team ended its season as conference champs with a 9-0 record. They also were the first sophomore team to ever beat Benet, winning 7-0. Co-captains were Ken England and Mark Krope. The offensive line was the best in conference, scoring 293 points while the defense allowed only 42 points all season. According to Mr. Diesron, "They opened holes and accounted for more than they were ever credited for." He also stated, "If they continue in the next two years as they did this year, they can be assured of a state playoff birth for the next two seasons."

Frosh Look Ahead

This year the freshman football team had a difficult season. They ended up with a one and eight record. The team suffered mainly because of poor attendance and injuries. He also said that, "the people who were there really showed improvement and they are going to be something to look for in the future."

Lions Surprise All Take NEC Again

Before the start of the season, the 1977 Varsity Lions were chosen to finish behind several teams in the NEC. The "No-Names," as they were known, were determined to overcome their critics. These critics consisted of Area newspapers and several coaches in the NEC.

The Lions answered their critics with an undefeated conference title, Lisle's fourth in four years; this pushed Lisle's consecutive Conference victories to thirty.

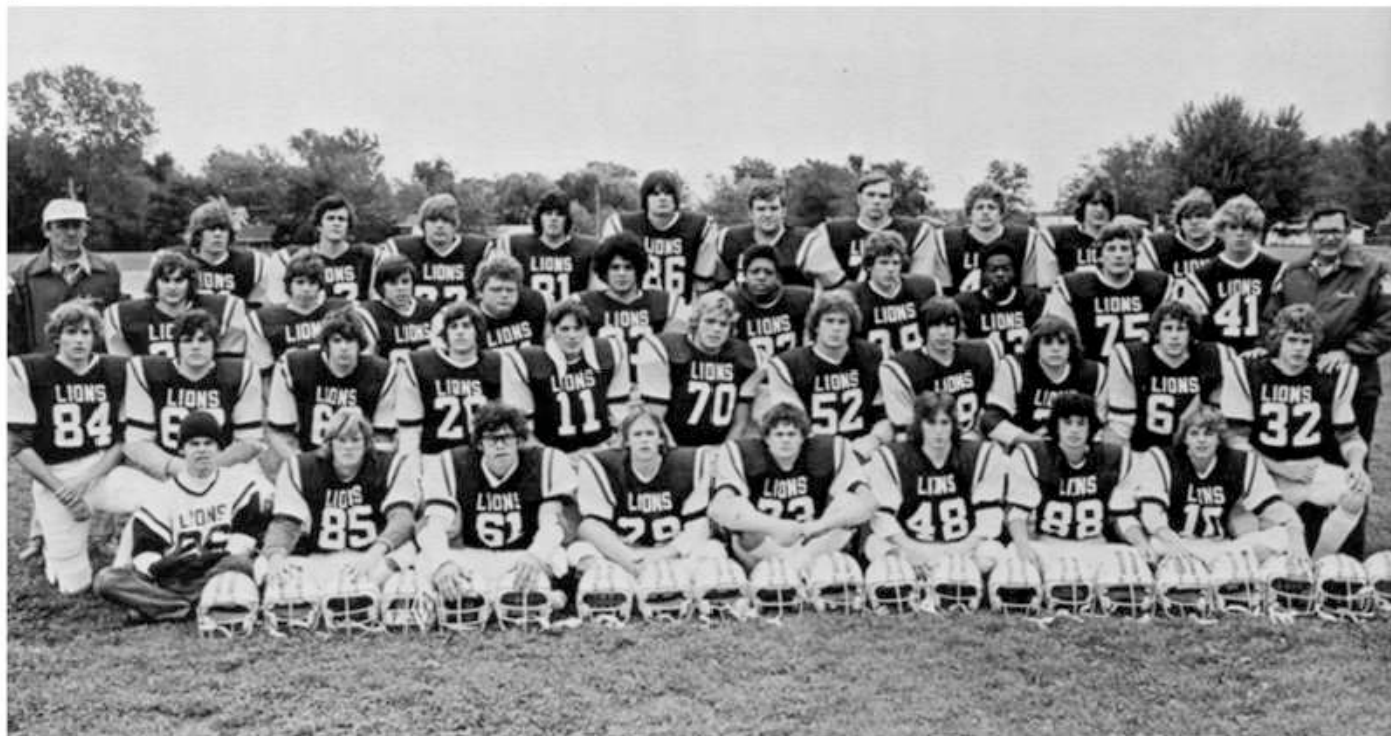

The Varsity ended the season with an 8-2 record. The team made Lisle's fourth straight Playoff appearance only to be stopped by the eventual Class 3-A runner-up, Metamora.

Lisle placed nine players on the All-Conference team. Al Garringer, returning from the 1976 All-NEC team, along with senior Dave Knodell and junior Gary Guerino made the team at two positions. Bob Bonomo, Shawn Hickey, Chris Vodicka, Bob Wedell, Dave Wills, and Craig Wilson were selected at offensive or defensive positions.

Sophs Look Ahead

The Lisle sophomore basketball team ended its season with ten wins and twelve losses. Offensively, Lynn Coleman was one of the team's biggest assets averaging twenty-five points per game. Ken England and Lou Valentour were very effective rebounders. Coach Larry Block stated, "With the talent that was shown on several occasions at the sophomore level, Lisle has as good a chance to be as successful as any other team. This can be accomplished provided they are dedicated not only during the season, but in the off-season as well."

3

Freshmen Struggle

The freshman basketball squad played in the heaviest competition it has seen in years, ending its season at seven wins and twelve losses. The team played against thirteen schools, with only three of them having losing records. Having beaten all but two conference teams, they were tough competition considering their opponents. Freshman co-captains were Bill Hazard and Tim Marth. Hazard was the team's high scorer, averaging twenty-four points per game. Coach Swanson said that everyone played well but with such tough competition, it was very difficult to accomplish a winning record.

Lions Gain Experience

The 1977-78 Varsity Basketball team had a disappointing season following last year's second place NEC finish. The team ended the season with a 3-7 record in the NEC and 8-17 overall.

The Lions had only three regulars and two with limited action from last year's 13-11 team. Among them were All-NEC selections Pete Wagner, a three year starter, and Craig Wilson, voted as this year's captain.

This year marked the fourth straight year that the class of '78 has had Mr. Diesron as their basketball coach.

8

C-C Catches Third

Improving from a sixth place position last year, our Cross Country team, coached by Mr. Crouch, progressed to finish third in the Northeast Conference. The effort, dedication, and conditioning throughout the harsh autumn weather by the Harriers, paid off.

The Harrier team voted Pat Hunt and Dave Wolf as co-captains and John Loehmann as most valuable runner. All runners will be returning for the 1978 Cross Country season with the exception of seniors Bill Morrow and Dwayne Wargo.

3rd Again

The Varsity grappler's repeated their third place conference title despite injuries and an inexperienced team. Leading the Lions, were Conference Champions Pat Bullis and Chris Vodicka. Seniors Tom Scharnagle and Al Garannger were upset in their semi-final matches and both boys had to settle for a third place finish.

This year marked the beginning of the Lisle Invitational Wrestling Meet, in which Lisle hosted seven teams.

Netters Now Compete

This was the first year our tennis team, coached by Mr. Thomas, competed against other schools. The seven men did well however, having three wins and no losses. The Lions placed eighth in districts only to be outplayed by more experienced teams.

The most valuable player was Gary Kmeiciak.

Girls Run Third

Our girls track and field team, coached by Mrs. Di Iacova and Mr. Jones, finished third in the NEC for the second consecutive year.

Several school records were equalled or broken by Kim Mastandrea, Lisa Esposito, Jeanne Dietrich, Patty Venard, Alison Bieschke and Bridget Collins, throughout the season.

The team voted Patty Venard most valuable runner and Jeanne Dietrich and Patty Venard as co-captains.

Lionettes Sparkle

The twenty members of this year's lionettes practiced over the summer and every day after school. Attending camp at Rockford College, the squad received eight ribbons and a recognition award.

Working hard with the pep band to create original routines, they performed at all home football and basketball games. A new approach was added this year as the squad performed at wrestling meets too.

Through various fund-raising activities, the drill team raised enough money for new metallic pom-poms.

For the third year, Miss Lund was advisor for the girls. Lori Kubes was captain and Cheryl Clark was co-captain. Both girls supervised the drill team through the year.

Girls Take Part

The girls' bowling team continued its winning tradition by having another successful season. This year they were coached by Mrs. Poetker.

Girls' interscholastic basketball was added to the program as a part of the Northeast Conference. The varsity cagers were coached by Mr. Keeley. The frosh-soph team was coached by Mrs. Burkey.

Goal: Raising Spirit

Raising spirit was the main goal of this year's cheerleading squads. The freshman, sophomore, and varsity squads attended camp at Illinois State University and received various first, second, and third place ribbons. The girls had many bake sales and candy sales to raise money to pay for camp and paint for pep posters.

For every home football game, the cheerleaders made crash-throughs for the players. They also decorated lockers for many sports participants.

Mrs. Cepek was sponsor for the freshman squad and Miss Armstrong was sponsor for the sophomore and varsity squads. This was Mrs. Cepek's first year as sponsor and Miss Armstrong's fourth year.

Netters Capture NEC

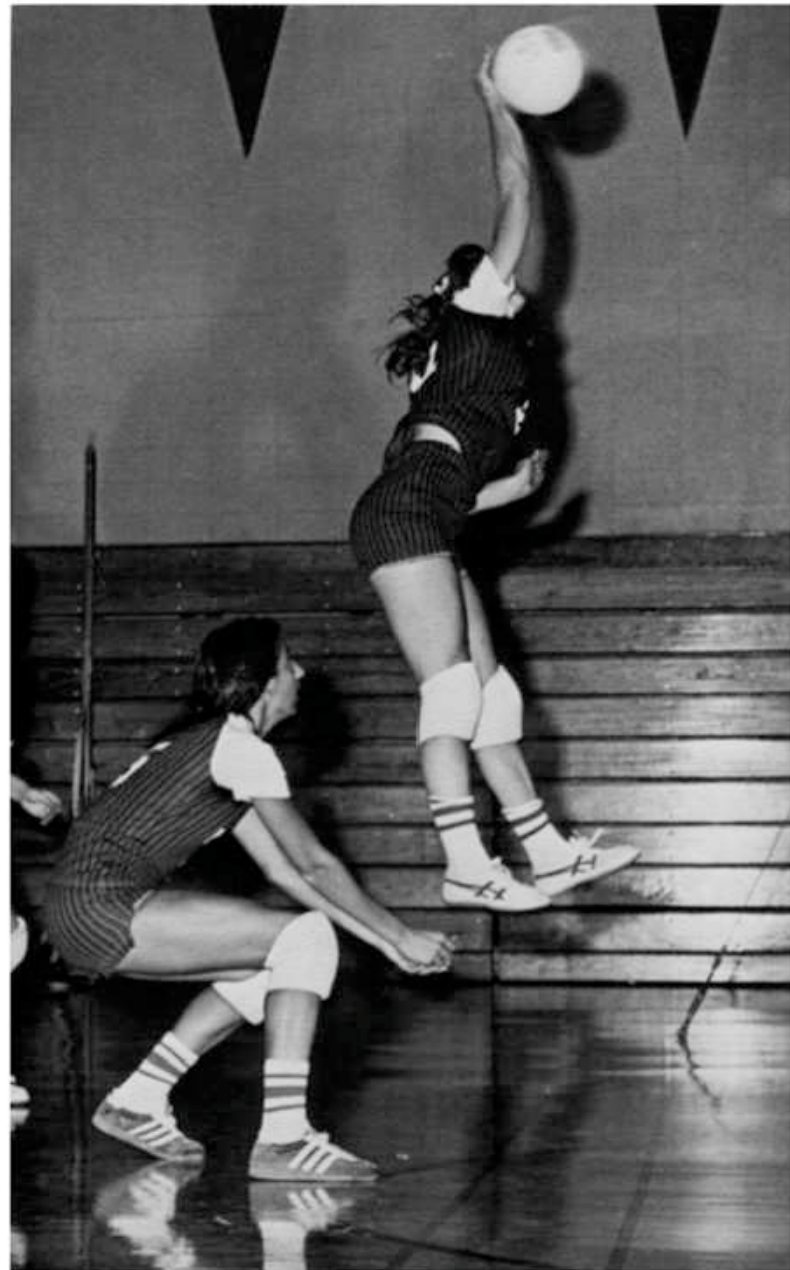

The frosh-soph and varsity volleyball teams finished their season with winning records. Having a record of 7-2 the frosh-soph team tied for second in the NEC with Marseilles. The varsity ended with a 14-6 overall record to capture a dual conference championship with Lemont. Defeating Benet for the third consecutive year, the team also beat Aurora West, Glenbard East, and Naperville North to take the Naperville North Invitational Tournament.

The varsity team went on to play in districts but lost in the first round to Downers North.

Both squads were coached by Mrs. Carol DiIacova. Jane Doerr was the captain of the frosh-soph team and Joanne Dietrich was the captain of the varsity team.

Because of a Gong

The junior's swept fun day, pyramid and all
 And then scored an upset in donkey round-ball.
 The seniors took first in the big tug-a-war
 And the freshmen took last (they were really quite poor).
 The senior's "road to victory" was long
 But they almost caught up
 Because of a Gong.

With homecoming's end drawing quite near,
 All had some fun, with the floats and the cheer.
 While this year's seniors were heartily tryin'
 To beat out the seniors of seventy-nine.
 And all the skits were moving' along
 But we lost ten points,
 Because of a Gong.

The juniors were now just barely ahead
 Without the window, the seniors were dead.
 Trailing behind were grades nine and ten
 Upon the floats, it all would depend.
 The seniors were closer than they really belonged
 Just think, all because
 Their skit had been gonged.

And now the float contest was finally done
 To one ones surprise, the juniors had won.
 We won by a thirty point margin
 And beat out the others, though the seniors came chargin'.
 Finally I knew, I'd done nothing wrong,
 We won anyway,
 Even with that ol' Gong.

Let me tell you a secret,
 As sighing breezes blow.
 Let me tell you about her
 for she'll never let you know
 her inner mind and feelings.
 She'll never let them show.

She sees a give and take game
 toying with their minds.
 She knows it could be better
 And hates the little binds.
 He doesn't know she's scared about
 the future, him, and time.

She'll take whatever he gives out.
 Obediant, silent, slave.
 She'll raise her arms for warmth
 to her fantasy love, so brave.
 And sighing, hopes he'll take her in,
 her fragile love to save.

Memories
 Remember the night we first met,
 I had that feeling it would last,
 But now that I'm leaving,
 It will all have been in the past.
 My memories will come and go,
 And only you and I know,
 That our love for each other will always last.

Climbing the stairs to success is not a very easy task. We may think we've hit the top just when we fall off.

Waiting, wishing, wondering why.
 Living, loving, laugh 'til I cry.
 Singing, soaring, into the sky!
 Forgiving, forgetting, forgotten, Goodbye . . .

Winter's Race

The day lay limply
With dark long lines.
That snaked abruptly
Across the sparkling, sterile snow.

It heaved in sudden
Gusts that cast crackling
Crystals magically into air,
Conjuring swirling spells in sunlight.

The icy bits
Slashed
My face
With blinding force
Watering my eyes
And beading across
My reddened and
Now numb
Flesh.

I cursed
With pain and anger
But the words
Blew back . . . and away.

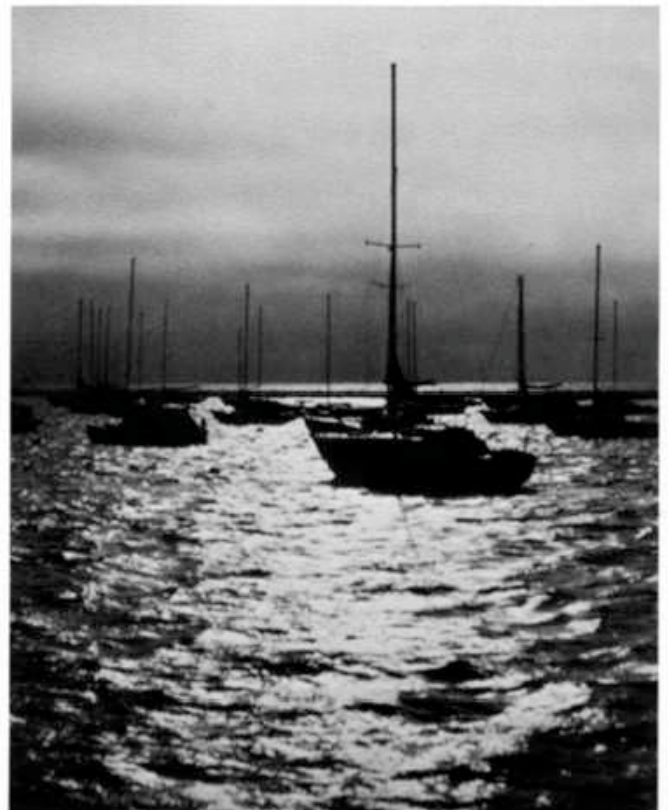

So I wiped my face
Turned my head
To re-enter
Life's daily race. R. Burns

And what of me . . .
the quiet one
who's thoughts ramble endlessly
to no one
me . . .
who's emotions flow easily
down soft cheeks
in the stillness of the night
me . . .
who's soul is tortured
in a prison of dawn, of day
what of me . . .
the alone creation
the ultimate island
me . . .

Here we are once again,
Imagining . . .
Me and you, as we do, now and then,
Reliving precious moments we once knew.

PERSONALITIES

Seniors: "Still Crazy After All These Years"

This song title by Paul Simon reflects the seniors' three years in high school. Because of the added class this year the seniors spent less time in the school. They raised money by selling pencils and Lisle Lion window stickers.

In the Seniors' last homecoming they received second in overall competition. This was also the third consecutive year for the winning of the tug of war. Let's not forget the "beautiful" float that received fourth place (a well deserved award). Homecoming queen was Anita Jessen, her court consisted of Erin Farrell, Pam Borland, Dianne Lynch, and Diane Dickey. Dave Lee was this year's homecoming king. His court included Craig Wilson, Dave Knodell, Larry Esposito and Brian Gurski.

The class of '78 achieved success in various sports activities. They received NEC crowns for 3 years in football and volleyball and 2 years in bowling and track and field. They also had a year of undefeated baseball.

Juniors' Spirit Excels

The juniors were #1 this year in spirit week. "Dog Gone, We're Good," was the theme of their first place float. They scored an outstanding victory 6-0 against the seniors in the Powder Puff football game. Fun day was also successful for them as they won the pyramid, donkey basketball, and the three-legged race.

Of the various fund raising activities for Prom, a swim party held at the Park District pool. A sockhop and many bake sales have also been held throughout the year.

To top off the juniors' achievements, Prom was held at the Holiday Inn in Glen Ellyn in the Vermont Room on May 20, 1978.

Freshmen Arrive

This is the first year that a freshman class has attended the Lisle Senior High School. The total number of students in the school rose to over eight-hundred with the freshmen contributing two-hundred.

Although the freshmen placed fourth in homecoming spirit week, they placed second in float competition, second in leap frog and second in hall decoration. Money raising projects were candy sales and bake sales. These were successful fund raisers.
