LISLE SENIOR HIGH

Ease on Down . . .

Dancers, jugglers, singers, directors, and designers combined efforts to produce "The Wiz", a jazzed-up version of "The Wizard of Oz", which concentrated on Dorothy and her adventures in Oz.

Dottie McDevitt and Karla Nalley shared the role as Dorothy. The Scarecrow, the Tinman, and the Lion, Dorothy's intrepid companions, were portrayed by Chris Jett, Jim Wood, and Todd Kristensen. Creating havoc and destruction for the foursome were Joyce Hickey as the Tornado and Kari Daly as Evillene. Addaperle, played by Lisa Speno, added to the humor of the musical. The Almighty Wiz, Keith Greer, held tricks up his sleeve with fire and other special effects.

Other cast members included Lisa Fugett, Jenny Malone, Deanna Peters, and Barb Wood, who eased on down as the Yellow Brick Roads. Dana Barnes, Phil DeChiara, Jill Godfrey, and Chris Willeford cackled their way as crows.

HOMECOMING 1983

"Surf City, U.S.A." provided the theme for Homecoming 1983. Throughout the week, class competition took on the look of a typical day at the beach. Starting with the Powderfuff game, the juniors took an early lead in points. Tuesday was entitled "Beach Wear Day", Wednesday was "Inside Out Day" and hall decorations, Thursday was Class color day and Fun Day, where the seniors dominated, and Friday was Blue and White Day. A new tradition of having Coronation during the Pep Rally on Friday was started, crowning Barb Skurka and Brian LeCrone Queen and King. They were served by court members Chris Morten, Michael Honeysett, Marty Suddeth, Steve Siciliano, Sebastian May, Sarah Bartels, Diane Price, Lisa Speno, Christy Rothrock, and Mami Mori.

The Dance was held in the commons with the music provided by "Private Eyes".

Bringing the week to an end, the juniors won float competition and the final standings were the juniors in first place, the seniors in second, the sophomores in third place and the freshmen in fourth.

CLUBS

The World Comes to Lisle

This year was a very active one for Lisle's American Field Service club. AFS had one exchange student to Lisle — Sebastian May from Bachum, West Germany. Sebastian spent his senior year with Brian LeCrone and his family. Another student, Manami Mori from Osaka, Japan, also spent the year in Lisle. Mami stayed with Alice Skeens and was a part of the Rotary International exchange program.

Not only did AFS sponsor exchanges, but it also put on the dinner/theater in cooperation with the Thespians. AFS provided the dinner and the Thespians put on the play "The Miracle Worker". Also, funds were raised by AFS and MLC through the pizza sales in the fall and spring.

This year's officers tried their best to bring the world to Lisle. They were Jenny Anderson, president; Joyce Hickey, vice-president; Victoria Rojicek, treasurer; Huda Scheidelman, secretary; and Sue Wright, activities chairman. Mrs. Swanson was the faculty advisor.

What an . . . Experience!

Members of MLC travelled to the Museum of Science and Industry to view Christmas Around the World. After a weary day of walking, they indulged in various foods at the Folk Fest.

Raising money to take such a trip wasn't easy, but the two AFS/MLC pizza sales helped. The ingredients of the pizza didn't always go together as well as puzzle pieces, but everyone did manage, and the sales succeeded.

Karin Anderson acted as President with Jeanine Gruszka as the Projects Chairman. Karyn Liby took minutes at the meetings while Joyce Hickey relayed club happenings to the Student Congress. Mrs. Nancy Egerton and Miss Carol Schneiderei sponsored MLC.

Members Compete In Springfield

FBLA was sponsored again by Mrs. Cunat. This year the fifty five members sold donuts, candy corn-o-grams, heart-o-grams, and other candies. They also provided several fun nights for students.

Eligible members went to the state competition held in Springfield and competed in such categories as typing, business law, data processing, accounting, and business math.

President Kerry Nowicki guided the members along with Lisa Lednovich as vice-president. Sue Wright served as treasurer and Kristen Krope was recording secretary.

CLUB CANDIDS

Lettermen Adopt New Images

The Varsity Club, formerly called the Lettermen's Club, has undergone a transformation. A number of girls have been added to the membership; therefore, making a change of name necessary.

The club officers are Brian LeCrone as President, Marly Suddeth as Secretary, and Huda Scheidelman as the Treasurer. To be eligible for the Varsity Club, students had to be involved in a varsity sport.

The club raised funds for a new record board for the two track teams, as well as organizing t-shirt sales. Mr. Nalley and the head coaches sponsored the Varsity Club.

Improving and broadening their cognizance of mathematics, members of the Math Club and Math Team competed in the Northeast Math Contest and the ICTM State Math Contest sponsored by the CNA Insurance Company. With hopes of bettering their fourth place finish in last year's State Competition, members often met before and after school to discuss problems. The club was led by Lani Stephens, president; Marty Suddeth vice-president; Becky Bourm, treasurer; Mrs. Smith, advisor.

Selling posters which said "Everybody knows the world's coolest students go to Lisle" was the major fund raiser for the Math Club.

"Honor" Is Our Middle Name

Membership in the National Honor Society has become recognized as one of the highest honors that can be bestowed upon a high school student. Membership is, however, more than just an honor; it carries with it a responsibility and should be considered the beginning of an obligation, not merely the culmination of an effort to achieve recognition and honor. Once selected for membership, a student is singled out. He should not only continue to demonstrate those qualities which brought about his selection, but he should also exert a new influence to improve conditions about him and promote those qualities; Leadership, Character, Scholarship, and Service, for which the National Honor Society stands.

This year eleven seniors earned the honor and were initiated into the Athenian Chapter. Various fund raisers included selling flowers for Christmas, Valentine's Day, and St. Patrick's Day.

Doctor Mulcare sponsored NHS while Martin Suddeth acted as President. Other members included Jenny Anderson, Sarah Bartels, Joyce Hickey, Brian LeCrone, Karin Magiera, Jen Sinnick, Barb Skurka, Lisa Speno, Lani Stephens, and Sue Swift.

Thespians Captive

Thespians is an international dramatic society in which students earn membership by participation in school productions. The group was formed in the fall of 1970. It recognizes those who symbolize excellence and compassion in the field of drama. The activities the Thespians planned this year included Monte Carlo Night, the Fall-Dinner Theater, and a field trip to Second City. Eight members, under the direction of Mrs. Fiore, were members of this prestigious group during 1983-84.

Presiding over the club was Lisa Speno, with Jennifer Malone acting as Vice-President. Sarah Wilson, Lani Stephens, Jill Godfrey, and Dan Modaff also held elected positions.

Congress Involves All Aspects

This year the Student Congress directed many activities within the school — Homecoming Week, Christmas Spirit Week, and several dances. However, they also became more involved in activities outside the school. The biggest

service project in this area was sending clothes to needy children in Kenya.

Jen Sinnick was president with Lisa Speno as her running mate. Denise O'Sullivan was the secretary.

Key Club Helps

This was the 2nd year Key Club was in existence, but despite it's newness, major changes were made. Mr. Pippen took over sponsoring the club after Mr. Logeman was appointed Assistant Principal, and being a bit more familiar with the procedures, more projects were taken on. Barb Skurka was President, Diane Price, Vice-President, Michelle Cada, Corresponding Secretary, Kristen Krope, Recording Secretary, and Miriam Foster was the Treasurer.

Healthy Outdoorsmen Hunt

The Health Careers Club kept in touch with everyone by putting posters outside Mrs. Raso's office. The club broadened this year by including various guest speakers throughout the year.

When the Outdoorsmen Club met, they shared experiences that they had had "in the wilderness". This year they did not go on any trips.

Mrs. Raso sponsored the Health Club while Mr. Bates sponsored the Outdoorsmen Club.

Honors Bestowed Upon 23 Lisleians

Congratulations are in order for 23 of our graduating seniors. Scoring high on the PSAT, Marty Fomek, Lani Stephens, and Tom Welland were named National Merit Scholarship Competition Semi-Finalists. Each of these three filled out an application which included a personal summary of his accomplishments and goals and a counselor recommendation. Marty and Lani passed the scrutiny of the awarding committee and were named Finalists, which places them in the top one half of one percent of all seniors.

22 Lisle seniors were named Illinois State Scholars based on their ACT scores. Those designated are J. Anderson, S. Bartels, K. Bemtsen, T. Cizma, M. Dickey, T. Dore, M. Fomek, J. Garrison, J. Hickey, O. Kaminski, B. LeCrone, J. Lewis, K. Magiera, G. Merkel, R. Patel, C. Rothrock, L. Speno, L. Stephens, M. Suddeth, S. Swift, and S. Wilson.

Quill & Scroll Re-established

Advisor Barbara Hendershott re-established Lisle's charter of Quill & Scroll last year. Seniors Karin Anderson and Joyce Hickey were selected their junior year to join. This year, based upon their performances as journalists, the following students have been selected for membership in the Lisle chapter of Quill & Scroll, the International Honorary Society for high school journalists: Jennifer Anderson, Tracy Cizma, Scott Corrigan, Martin Fomek, Kevin Kwong, and Amy Schlecht.

To be eligible for selection a student must be a junior or senior ranking in the upper third of his class in general scholastic standing. The ranking is based on the student's cumulative record. In addition the student must have done superior work in some phase of journalism such as writing, editing, production, or photography. Recommendation for membership is made by the publications advisor.

Bonjour:

When Kerri Litteral, Karen Magiera, Jayne Morten, Fran Noetzel, Kim Panger, Cathy Raidna, Sarah Wilson, and chaperone Ann Cepek elected to spend spring break in France they anticipated polishing their French as well as visiting many historic sites.

The Eiffel Tower, Notre Dame, the Cheateaux of the Loire Valley and the wine caverns of Vouray were focal points of the trip.

Rue Britannia

The Tower of London, Stratford-on-Avon, Greenwich, and Dover Castle were just some of the historic sites that thrilled a group of four Lisleians and their leader who elected to spend spring break in England.

A jam-packed week of adventuring introduced the intrepid five — Jenny Anderson, Marty Fomek, Gregg Merkel, Marty Suddeth, and Mrs. Barbara Hendershott — to a variety of activities ranging from an afternoon at Madame Tussaud's to a performance of **Julius Caesar** in Stratford-on-Avon's Royal Shakespeare Theatre.

Each returned home treasuring a particular memory that was his trip highlight: Easter Sunday at St. Paul's, tea at Harrods, a long solitary walk in St. James Park, scrambling over the rocks at Dover Castle, or snooker at the Greyhound.

Tiring but well-worth it was the unanimous decision.

Lady Lions Stride Through Season

With the most participation in Lisle's track history, the 1983 Girls Track Team finished with a dynamic undefeated season.

Leading the team to its third consecutive conference championship were Head Coach Mr. Bob Jones and Miss Karen Uhler. The Lions were represented at the state meet by discus qualifier Betty Jeffrey, high jumper Laura Jessen, and the 800m relay team consisting of Debbie Brodess, Julie Hlavac, Lisa Klein, and Lani Stephens.

Success Becomes Tradition For Lisle

Combining determination with talent, the Lion Tracksters pounced on their opponents to capture the Northeast Conference Crown. Highlighting the season were three new records — John Klein at pole vault, Brian LeCrone at triple jump, and Tom Stitt at high jump. Travelling down state, John Klein, Brian LeCrone, Tom Stitt, and Jim Winz repre-

sented the Lions. Tom Stitt captured the state high jump title. Besides conquering conference teams, the Tracksters placed second at the Jacob's Invitational and fourth at the Lisle Invitational. Coaches Ghinazzi and D'Amico hope that the Lions have set a precedent for tradition.

Changes: Baseball

In the 1983 season changes were made not only on the Varsity level, but also on the Frosh-Soph level of the baseball teams.

With the resignation of Coach Phippen after eleven years, Mr. Clark came from the Jr. High to coach the Varsity Lions. With a record of 5 wins and 6 losses, they took 3rd place in the NEC.

Not only was the Varsity coaching position left open, but the Frosh-Soph level was in need of a coach also. Under the new management of Mr. Rosenberger, the JV team record was 6 and 5, which allowed them to capture 2nd place in the NEC.

Varsity Tri-captains were Todd Kristensen, Mike Ferrandino, and Joe Kadow. Mike Ferrandino was the MVP. The Frosh-Soph team captains were Dan Modaff and Dan Kveton, who was also the MVP. Due to weather conditions a Varsity team picture could not be taken.

Freshmen, Sophomores, Go Undeclared

Coached by Mr. Pippen and assistant Mr. Wind, the sophomore football team placed first in the conference with an overall record of 9-0. The defense held their opponents to 26 points all season. The honorary co-captains were Dave Johnson and Ed Theis.

The freshmen football team ended their season with a 5-0 conference record. The team, coached by Mr. Bobbit, finished the season with an overall record of 8-0. Thanks to a great team effort, the freshmen hope to repeat the success next year.

Lions Struggle

The 1983 Varsity Football Team struggled through its season despite the talent, determination, and ability of all those involved. This year was also the first for new Head Coach Dennis Ghinazzi after longtime Head Coach Carlin Nalley retired.

The team co-captains were senior linebacker Chris Morten and senior center Jeff Garrison, who was also voted MVP. Junior monster Doug Diemer was voted MIP. Jeff Garrison was also the only member of the team to be named to the NEC All-Conference 1st Team, as center.

Potentially Hazardous!

Finishing their season with a 7-3 record in conference, the Girls Frosh-Soph Volleyball team will provide stiff competition for next year. The girls were lead by sophomore team captains Teri Rio and Carol Dickey, while coached by Mary Kay Brooks who took over for Miss Uhler during mid-season. Coach Brooks felt that the girls worked their very hardest for her and she is proud of their second place finish in the Northeast Conference. They lost once to Evergreen Park and twice to Lemont, which provided them with this excellent record. Coaches Uhler and Brooks are both looking forward to next year when they are hoping to take the Northeast Conference trophy away from Lemont.

We Are Ichiban

Ichiban is the Japanese word for number one. This year the varsity volleyball team rose to new heights among their competitors. Captain Betsy Meyer lead the team through a season of difficult practices and close matches to a very successful season. The team participated in four tournaments this year instead of the usual two: the St. Francis Tournament, the Latin Tournament, the Raider/Lion Invitational (co-hosted by Lisle and Glenbard South), and the Lake Park Tournament. Elected to the St. Francis Tournament all-tournament team were Sam Vucovich and Christy Rothrock. Lisle had four girls elected to the All-Conference team: Betsy Meyer, Jen Sinnick, Sam Vucovich, and Diane Price. The team ended their season with a 29-8 win/loss record. Coach Karen Uhler helped the team improve as individuals and as a team.

Although the team was made up of mostly seniors, the varsity squad has a good basis for next year. Sophomore Carol Dickey and her Freshman sister Jenny, played on this year's squad. Barb Wood was added for tournament play.

C.C. Goes Undefeated

The 1983 Lisle Lions Cross Country Team had a superb season. The team claimed the Northeast Conference title with an undefeated record of 12-0.

Starting off the season with a win at the Kaneland Invitational, the team proceeded to take second place at Benet, and then went on to be named Regional Champions.

Mike Wolf and Steve Siciliano were named team captains and John Bartels was voted M.V.P.

Golfers Take 2nd

The Lisle Varsity Golf Team came in second place at the NEC meet which was held at Cog Hill Country Club. Lisle scored 352, while Lemont, the winner, shot a 343. Individual winners were Todd Warren, Dave Bray, and Mike Denklaui.

For the Fresh-Soph Team, Kevin Loftus took fourth place and Don Vesely took fifth.

In Regionals Lisle placed seventh out of thirteen teams. Mike Denklaui placed fifteenth in this meet, was voted M.V.P., and was elected team captain.

Lions Establish Superiority

With the excellence of skill and the determination of a Lion, the 1983 Tennis Teams achieved outstanding records. The boys' team, led by captain Jeff Henrikson (22-1) and coached by Mr. Beato, acquired an all-time best record of 15-1. Winning the Yorkville Invitational and the Batavia Quad, the team went past conference and received a second place finish in the sectional meet. Ken Schlecht, the most valuable player, persevered to collect a commended record of 23-2. Over the four years that the graduating seniors of '83 played, they collected 60 wins with only 7 losses.

The girls' team trained extensively to record 7 wins and 5 losses, which resulted in their best record ever. This accomplishment proves that the Lions have what it takes to be a winner.

F-S Show Promise

This year, Coach Henry Wind replaced Coach Pobst. He led the JV grapplers through an encouraging season.

Coach Wind felt it was the boys motivation, inspiration and perseverance that allowed them to work as a team and strive for their goals.

The teams record showed much improvement and hope for the future.

The 1983-84 Varsity Wrestling season started off with a few changes. New Head Coach John Ruettiger was hired to replace Coaches Cessaretti and Pobst after last year's season. Coach Ruettiger was confident that this would be a very successful season for the whole team.

Co-Captains Kenny Bonomo and Bobby-Jack Klausner were selected to lead the Varsity Lions. Team MVP was Bobby-Jack Klausner and team MIP was John Klein.

New Coaches Highlight Year

The 1983-1984 Freshmen and Sophomore Boys Basketball teams both started the year off with new coaches. Mark D'Amico, who taught P.E. and coached the Boys Track team, also took on the Head Sophomore coaching position. Donald Clark, Head Varsity Baseball Coach and P.E. teacher, became the Head Freshman coach.

Through hard work and determination, both squads strove for excellence. The Freshmen squad's season highlight was winning their own Freshman Tournament.

Lions Fall Short

Van Gollan, back for his 6th year as Head Varsity Boys Basketball Coach, hoped to finally take the Northeast Conference title. Despite falling just short of this goal, the Varsity Lions met many challenges on the court with great success.

Squad Keeps Busy

The Lisle Lionettes kept up a very hectic schedule during the 1983-84 season. Aside from performing at football games, basketball games, pep rallies, and parades, the Lionettes also had two state-qualifying competitions and a week of camp/competition in the summer.

At camp the Lionettes received many awards: high daily ratings, the spirit board for a day, first place in circle competition, second place for their originality presentation, and a first place trophy overall. Individual merits were achieved by Jan Wurst and Dawn Nelson who received first place for their homemade banner, and Tracy Cizma who was named an All-Star for the camp session.

Having received top honors at camp, Lisle qualified for Midwest Competition where they earned fourth place overall along with numerous other awards. Six girls entered the Miss Badgerette contest with one girl, Tracy Cizma, advancing to the finals.

The squad was advised, directed, and helped in many ways by Ms. Barbara Lund. Team captains were seniors Sarah Bartels and Tracy Cizma.

Cheerleaders Raise Spirit

Bigger squads and new uniforms were typical examples of the changes made on the cheerleading squads in 1983-84. By combining the Freshman and Sophomore squads to form JV squads, and by adding on to the Varsity squads, including a mascot for Basketball, the cheerleaders conjured up more spirit.

During the summer, the squads attended a National Cheerleaders Association Camp at Illinois State University in Normal. In January, both a JV and a Varsity squad competed in the Palatine Cheerleading Competition.

This year, Mrs. Sharon Frias was again the sponsor for the Football and Basketball squads, and Mrs. Cheryl Sullivan was the Wrestling squads' sponsor.

HIGH
SCHOOL

Elections Are Held

1983 was election year for the school board. Leaving the board mid-year were Mr. Joseph Bourn, Mr. Patrick Donahue, Mr. Kenneth Murphy, and Mr. Russel Roberts. Mrs. Sharon Callais was elected as president with Mr. Robert T. Rosignolo as secretary. Members of the board included Mr. George Coolidge, Mrs. Deborah Dipert, Mr. Michael Torpy, Mrs. Carol Warren, and Mrs. Kathleen Webb. The recording secretary was Mrs. Shirley Raht with Dr. Glenn E. Wiley as the school treasurer.

The school board was kept busy tending to school matters therefore making it difficult to take a group picture.

Staff Provides Efficiency

Combined efforts of the custodians, secretaries, and cafeteria crew resulted in a smooth running high school. Long hours were spent during the day, as well as after school, to keep the building in efficient working order.

Custodians spent many evenings cleaning the school and restoring it to an orderly state after the students had finished with it.

Efforts were made by the cafeteria crew to provide students with suitable lunch programs.

In addition to typing, filing, and other secretarial duties, the school's secretaries were faced with the unique chore of dealing with our students.

Help — Here It Is!

Many jobs went along with the title "Guidance Counselor": everything from getting a freshman organized in high school to helping a senior choose the right college. Two special people filled this responsibility, and they did it well: Mr. David Anderson and Miss Betty Loos. Keeping everything running smoothly was Mrs. Kremer's job. She scheduled appointments, made phone calls, sent out applications, and many other unaccounted jobs that were necessary.

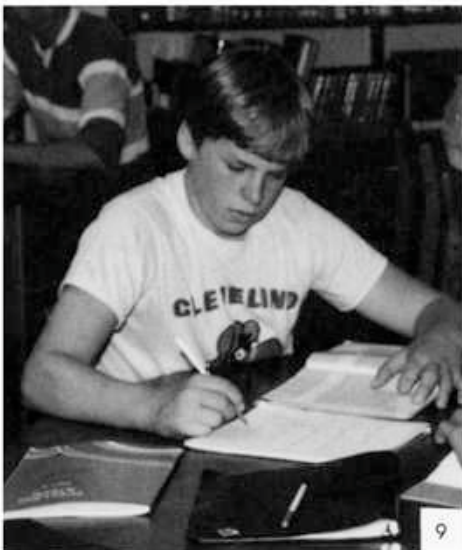

College and career information was distributed through the Career Resource Center. Mrs. Newman directed these activities and aided students with usage of the computer in the center.

Working Together

The library was used often by both students and teachers, thanks to a great staff which consisted of Miss Ardis Huffman, Miss Barbara Lund, with Mrs. Carol Ritt as an assistant. The librarians answered all types of questions that arose, and were quite willing to help students look up needed information.

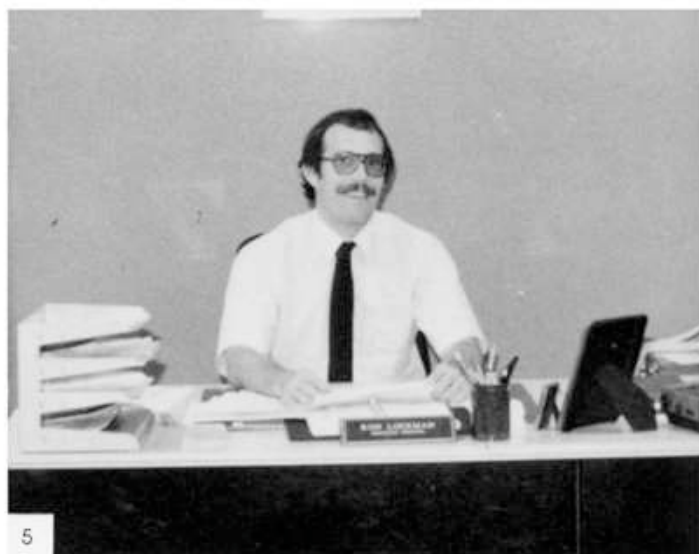

Student library aids helped by doing little things which the librarians didn't have time to do. This included checking books in and out, processing new books, transporting audio-visual equipment, but mostly running errands. The library was a big part of everyone's schedule this year. Due to an organized staff, our small library offered as much, if not more, information as surrounding schools.

1. "We have just received your SAT test scores ..." consoles Miss Loos. 2. Vertical file update: Abortion, Drunk Driving, Sex, Drugs, Rock and Roll ... Miss Lund has the materials at her fingertips. 3. Reviewing the ACT scores from the class of 1984, Mr. Anderson is pleased with his findings. 4. Mrs. Kremer prepares to send out a student's college application. 5. Miss Huffman reminds a student to bring back her overdue book **Her Ardent Protector**, a novel by Amanda Kent. 6. Mrs. Newman instructs a student to run through the four year college program. 9. Dan Winz studies the Periodic Table. 10. Mark Anderson checks the card catalog.

English Expands

Several changes in the English Department added an extra spark to the program. Mr. Logeman headed the department again this year while giving up his teaching to fulfill the duties of Assistant Principal. Mrs. Sullivan took over Mr. Logeman's load, with Mrs. Stamper, a new addition to the staff, assuming Mrs. Sullivan's responsibilities. Mrs. Fiore sponsored Thespians and Ski Club while she also directed the fall play and spring musical. Mr. Beato coached the boys and girls tennis teams. Mrs. Hendershott advised *Pride and Vale* and Mr. Munneke taught his usual load of English I, English II, English III, Writing for College and World Literature. These teachers composed this year's department. Their dedication encouraged students to participate more, work a little harder, yet still retain having a fun time in class.

Students Observe, Describe, and Learn

College prep classes offered by Lisle Senior High were strong in the science department. Physical Science, Biology, Chemistry, and Physics composed the core in this area. Providing a solid background for the students, Mr. Crouch, Mrs. Frias, Mr. Bates, and Doctor Mulcare convinced the students to practice the basic activities of science: to accumulate information through observation; to organize the information and to seek regularities in it; to wonder why the regularities exist; and to communicate the findings to others.

Quelle heure est-il? Que hora es?

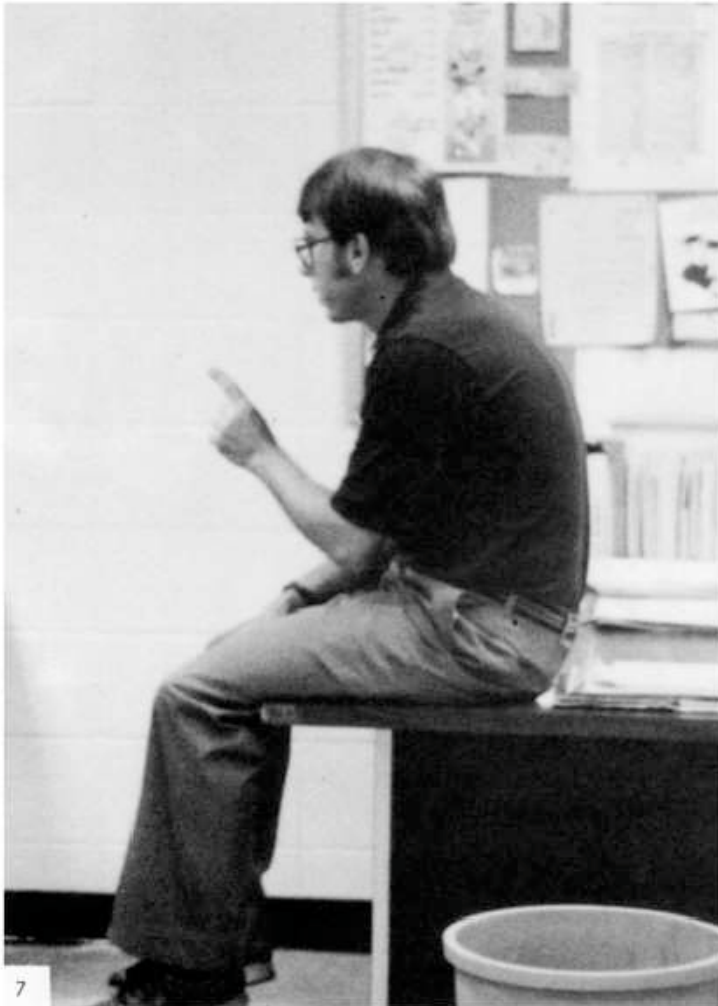

Learning phrases like these sharpened the speaking skills of foreign language students. Mrs. Egerton and Miss Schneidereit encouraged their classes to speak in either Spanish or French for the whole period. Cultural activities were planned on a regular basis and aided the basic understanding of the Spanish and French cultures. The Modern Language Club, sponsored by Mrs. Egerton and Miss Schneidereit, went to Chinatown as their main activity. Several students visited Mexico over Easter vacation to receive a firsthand look at how the Mexicans really live.

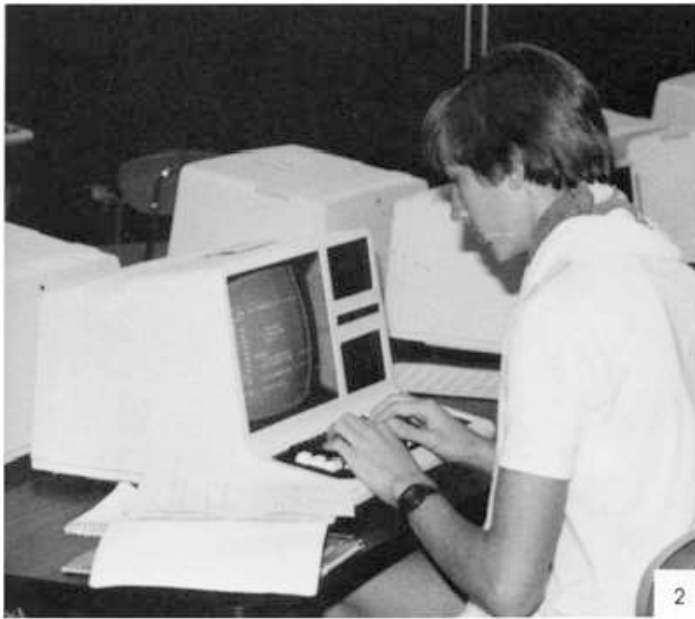

1. Mr. Crouch reflects upon the Physics test he is planning for sixth hour. 2. "Je ne sais pas" responds Mary Ann Lobkovich. 3. Mrs. Frias has a thing or two to say to her class. 4. "Ecoutez, repetez, et repondez" Miss Schneidereit states. 5. "Escuchen muy bien clase" remarks Mrs. Egerton. 6. A favorite quote of Doctor Mulcare's is "You are never doing nothing. You are always practicing something." 7. Mr. Bates does not find a student's joke amusing and threatens to lower his grade unless he talks about deer hunting. 8. Jackie McKinney wishes she were in France instead of French class while Denise O'Sullivan concentrates on mastering the French language.

Transformations Evident

With the addition of seventeen computers, a printer, a network system and software, computer students were able to complete assignments with ease. Taking over all the computer classes, sponsoring the Math Club, and choreographing for the Chamber Choir, Mrs. Smith shared many of her talents with our school. Mr. Bobbit taught Algebra I, Algebra II, and Geometry, while coaching the freshmen football team and the junior high wrestling and track teams during his spare time. Mrs. Murphy brought a new atmosphere with her this year for her first year at Lisle. General Math, Algebra I, and Geometry were her class loads. Heading the math department, Mr. Pippen's schedule included three Math Analysis classes, with a record number of student registration. He coached the sophomore football team and took over sponsorship of the Key Club. He was also the computer coordinator. Mr. Crouch contributed to the department by teaching Algebra I and coached the Cross Country team.

Computers Aid in Business Future

Accounting, Business Law, Co-op, and Typing were the many business courses offered this year. The use of computers became part of the business curriculum, which aided the students in practicing for the business world.

Mrs. Cunat, Mr. Jones, and Mrs. Swanson taught the business courses offered this year as well as advised extra curricular activities. Mrs. Cunat was advisor of the Future Business Leaders of America, while Mrs. Swanson sponsored the American Field Service. Mr. Jones headed the business department and coached golf and girls track.

What's New In History?

Several history classes were offered this year including American Government, Contemporary Problems, Economics, U.S. History, and World History. Mr. Rosenberger was in charge of the history department although he only taught at the Junior High. Mrs. Cunat taught both history and business classes. Not only did the teachers have their classes, but they also sponsored activities as well. Mr. Neahaus was senior class advisor. Mr. Ghinazzi coached the varsity football team. Mrs. Zimmermann sponsored the Student Government and directed the Gifted Program.

Healthy Drivers Consume

As the tradition has been for many years, Mr. Ciesielski once again instructed our students in the wonders of behind the wheel driving. Mr. Gollan taught the classroom portion of the Driver's Education class as well as teaching its counterpart, Consumer's Education. These classes were required for all sophomores, along with the requirement to take Health Education. Instructing the Health classes was Mr. Baum. Included in this program was a special period of the semester which was devoted to C.P.R. This enabled students to obtain certification in Cardiopulmonary Resuscitation.

Safety, personal gain, and knowledge of one's self were the basic goals of these sophomore classes.

Additions Made To Department

Many new additions were made to the Physical Education staff this year to help with the added classes due to the return of seniors to gym. Mr. Baum and Mr. Gollan were joined by newcomers Mr. Clark, Mr. D'Amico, and teacher's aide Mr. Ruettiger. Mr. Ghinazzi joined the P.E. staff second semester to help with classes. Miss Huffman taught classes in addition to other gym teachers Mrs. Poetker and Miss Uhler.

Class activities included basketball, distance running, aerobics, and floor hockey. This array of programs was designed to give the students a variety of ways to improve their physical fitness.

Capture It All!

While at Lisle Senior High, art students tried to capture all aspects in the field by taking various courses. The classes were experienced by a majority of the student body, while onlookers enjoyed their creative works that were displayed.

Talented and soft-hearted, Mrs. Jackie Godfrey taught all of the art classes. Her expert knowledge of the artistic field showed through in the students' final projects. Adding to the excitement of the class, Mrs. Godfrey's lively disposition encouraged students to keep working.

Students Learn Career Skills

Hands on experience is just one of the beneficial facets of the DAVEA program. DAVEA was designed to provide the best opportunity for students to become employed. After receiving certification of completion, students are entitled to access to contacts with employers who are seeking certified students.

All DAVEA programs allow students to earn credits toward high school graduation while learning specialized work skills. Health Occupations Assistant was added just this year to the thirty-two other programs.

Thirty-seven Lisle juniors and seniors participated in the DAVEA program this year. Lisle was just one of thirteen schools from eight different districts which had students involved in DAVEA. Students enrolled at DAVEA received instruction and experience designed to help them specifically with their chosen career field.

Lisle Senior High Band Revises

The Lisle Senior High Band, directed by Mr. Steve Green and assisted by drum majors Kristen Powell and Gregg Merkel, improved steadily since last year. Marching to the tunes "Birdland", "Take the 'A' Train", and "Can-Can", the band changed its style from block formations to the more difficult arcs and circles. The band rehearsed before school and during fourth hour in order to perfect its performances.

Choir Works Hard

The Varsity Choir under the skillful direction of Mrs. Pat Densford, performed at the Variety Show, NEC Music Festival, Madrigal Dinner, and although small in size the choir was large in song. SENIORS

Do It With Style!

After three years of high school, the Class of 1984 finally had every- one and everything behind it. As seniors led by Uncle Barney Neahaus, the class won more battle cries than it had as juniors. Seniors took classes such as calculus, physics and writing for college to prepare themselves for next year's break from high school. Although the seniors lost homecoming week to the junior class, the Class of 1984 showed that it still was capable of having tremendous spirit.

Juniors Take All

The Junior Class assumed many responsibilities this year. The class worked together to create a first place Homecoming float which helped them to win the week long class competition.

This was the year for all college bound students to take the ACT, PSAT, and SAT. These tests measured students knowledge in areas such as Verbal, Sciences, and Mathematics.

Class officers were John Bartels, Tim Hanssen, Huda Scheidelman, and president Bob Morgan.

Sophomores Stir Spirit

The sophomore class stirred up spirit this year during pep rallies, homecoming spirit week, and dress up days.

The sophomore year is the time when everyone "settles in." Freshman year is over. Realization has set in. There is no third floor. Elevator keys are not for sale. Seniors are people like everyone else. It becomes evident that high school is more than fun and games; it is the most important element in their preparation for the future.

One of the major steps in the growing up process was getting a drivers license.

This years sophomore was guided by class president Roger Liu. The class secretary was Sheri Stevenson. Sue McMahon and Mary Ann Lobkovich were the class representatives.

Freshmen Adapt

Fresh to the high school experience, the freshman class began their year aimlessly searching for classrooms throughout labyrinth of halls at Lisle High.

Soon aware of their surroundings, but calloused to the daily routines, they adapted quickly, having a successful year despite losing in almost everything. Spring found them looking fearlessly ahead.

Final layouts. Copy sheets. Picture stickers. Cropping. Deadlines. Senior Portraits. "Marty, did you get the pictures?" As students, you will see only the finished product. However, behind these 160 pages lies the hard work and pride of our **Vale** staff. Despite photography problems, we made our deadlines and produced the 1984 **Vale**. I would especially like to thank two people — Marty Fomek and Mrs. Hendershott. For all those nights that you stayed up until six in the morning developing pictures, thanks Marty. For all those endless meetings, phone calls, handling of problems, and moral support you gave me, thanks Mrs. Hendershott. I could not have gotten through the year without you two.

To the class of 1984: With high school now completed, you will venture into new dreams, happenings and situations. As I flipped through a quote book, I found something interesting under June 1st, our graduation date. I would like to share it with you:

No gain
That I experience must remain
Unshared.

— Browning

I believe that this is a good quote to live by and also to remember your high school years. Behind the pictures in this book there are many unspoken memories. I hope you enjoyed your years at LSHS.
