HOMECOMING

1984

STARS GLISTEN . . .

This year's Homecoming was special because it rejuvenated much of the old school spirit that had begun to dwindle away.

The theme "Never Never Land" provided for an interesting week of fun and festivities:

- Monday: Hat and Shades Day
- Tuesday: Read-Me-A-Fairy-Tale Day
- Wednesday: Dress Like a Character Day
Hall Decorations
- Thursday: Class Color Day
Fun Day
- Friday: Blue and White Day
Pep Rally/Coronation

The Coronation crowned Joe Siciliano and Tara Howell King and Queen with John Bartels and Nami Herman runners-up. They were served by court members Tim Benson, Miriam Foster, Doug Diemer, Karyn McEneaney, Steve Garrett, Huda Scheidelman, Andre Wright and Anne Francoise Collette.

The dance was held in the commons which was beautifully decorated in blue and silver streamers and stars which conveyed the theme of "When You Wish Upon A Star." Music was provided by an excellent band called Montage.

UPON A STAR

“It’s A Hard Knock Life . . . ” but there’s hope for “Tomorrow”

Lisle Senior High’s version of “Annie” stole the hearts of hundreds as performed with the greatest of talent and directed with the greatest of skill.

The familiar storyline come to life when Daddy Warbucks (performed by Dan Modaff) adopted Annie (who was portrayed by Lisa Speno and Sarah Wilson). Rooster and Lily as Annie’s “natural” parents were humorously played by

Lester Lewis and Paula Garner. Mean old Mrs. Hannigan seemed frightfully real as portrayed by Kathleen Francisco. The orphans warmed the hearts of the audience with their dance numbers and cheerful outlook on their sad predicaments.

The cast’s hard work was repaid by a job well done.

1. Sarah Wilson hopes for a brighter "Tomorrow". 2. Jenny Malone, Sarah Wilson and Dan Modaff stroll in NYC. 3. The talented cast of ANNIE. 4. Annie searches for an answer to give the officer. 5. Paula Garner makes a grand entrance. 6. Lisa Speno sings away Lisa Peterson's blues. 7. Dwight Burkett speaks words of advice. 8. Kathleen Francisco plots revenge. 9. Lester Lewis and Kathleen Francisco pay homage to their mother. 10. Karen Magiera, Sheryl Grether, Eve Swanson, Lisa Peterson, Donna Srienowski, and Miriam Foster take time to reflect.

"American Pop"

"American Pop" was the theme of this year's student variety show. Highlighting the entertainment were bands, several soloists, and the choir. Other acts included comedy relief from Lester Lewis and Dan Modaff and Nissa and Nikki Peterson. Dancers Tina Abe, who danced to "Twilight Zone," and Nicole Huck to "He's a Dream".

Mrs. Pat Densford was the coordinator of the annual event which was held October 12th and 13th.

“We’ve Got Tonight . . . ”

The 1984 Junior-Senior Prom also brought many changes to Lisle Senior High. The Junior Class decided to hold prom in the gym, which was previously done many years ago. The gym was closed off the week before prom, while the juniors decorated during their study halls. The decorations were presented as a city skyline with the theme “We’ve Got Tonight.”

The juniors worked very hard at making the prom a big success. Favors included champaign glasses for all the couples, and prom booklets for the girls. The faculty chaperones were Mr. and Mrs. Neahaus, Mr. and Mrs. Fiore, Mr. and Mrs. Godfrey, and Dr. and Mrs. LeCrone.

The Graduates of 1984

The Graduating Class of 1984 consisted of one-hundred and forty-six students. Eighteen of those students were named as members of the National Honor Society and twenty-two of those were also honored as Illinois State Scholars. Tracy Cizma, Greg Merkel, Lisa Speno, and Sarah Wilson were named as National Merit Semi-Finalists placing them in the top five percent of the nation's students. The Validictorian and Salutatorian were, respectively, Lanie Stephens and Karen Magiera. The "I Care" award was presented to Jen Sinnick.

A Madwoman Visits Lisle

"The Madwoman of Chaillot" by Jean Giraudoux was the play presented for the 1984 Fall Dinner Theatre on November 16 and 17. It was a French fantasy that told of the triumph of good over evil.

The play was directed by Mrs. Fiore. Jill Godfrey played the title role and other leading performers were Dan Modaff, Lester Lewis, Alan Carpenter, Kathleen Francisco, Kris Weiss, Paula Garner, Paul Vasquez, and Carrie Carrel.

Mrs. Jackie Godfrey was technical director and in charge of the stage crew headed by Andy Grabowski. Bob Olson designed the lighting scheme while Becky Bourn and Beth Hooper assisted Mrs. Fiore as student directors. Mrs. Densford provided the incidental music for the show.

Belgium Visits Lisle

The American Field Service, sponsored by Mrs. Gayle Swanson, co-sponsored the Dinner/Theatre production of "Mad Woman of Chaillot", sold donuts, held a pizza sale, and sold Shamrock-O-Grams for St. Patrick's day. Proceeds helped to aid AFS programs both domestic and abroad.

Members had the opportunity to attend a one week exchange program to Atlanta, Georgia, in the Spring. A one day program was also offered with Wheeling High School. The "lock-in" in which exchange students within the area met with AFS members for a weekend, ended the year.

Foreign exchange student, Anna-Francoise Collette from Belgium, spent the year with the Bourn family.

Janet Parkhurst led AFS as President with the help of Vice President Sue Wright, Secretary Jill Szachnitowski, Activities Chairwoman Victoria Rojcek, and Treasurer Jeanine Parkhurst. Group leaders for the Freshmen through Seniors were Susan Welli, Michelle Ferrendino, Kim Blevins, and Selina McPhee respectively.

Business is Our Middle Name

Once again The Future Business Leaders of America was sponsored by Mrs. Cunat. Candy-o-grams, fun nights, and M&M's were just a few of the many fundraisers FBLA had in order to raise money for the annual trip to Springfield.

As in previous years, FBLA attended the state competition in Springfield and competed in categories such as accounting, business law, business math, data processing, marketing, public speaking, typing, and word processing.

The 1984-85 officers were: Beth Wachowski, Marc Sosnowski, Jeannine Whalen, and Kristen Krope.

Modern Language Club Captivates

Modern Language Club was sponsored by both Mrs. Cass and Miss Schneidereit. Fundraisers were a big part of the club's activities; the annual pizza sale with AFS was the main fundraiser. The club also took a trip to the Museum of Science and Industry to see the "Christmas Around the World" exhibit.

Outdoorsmen Travel

As in previous years, Mr. Bates was the sponsor of the Outdoorsmen Club. The Club was an active club in the sense of wildlife. The Club's main goal was to enjoy the out-of-doors. Experiences with the wildlife were shared at each meeting, and trips to places such as the Arboretum were frequent.

3

Ski Club Competes

The Ski Club was very active for the 1984-85 year. Members of the club placed in two Nastar Races held at Villa Olivia, earning them medals ranging from gold to bronze.

The club also had a ski trip to Utah over the spring break.

Caring . . .

Their Way of Life

Key Club took on a new meaning this year as it expanded its span of projects and area effectiveness. They collected canned goods for the needy, conducted Halloween and Fourth of July activities at the Park District, distributed Christmas trees among the needy and held its annual Rock-O-Thon to raise money for Spastic Paralysis. The club also helped the Kiwanis Club collect donations from their annual Peanut Day. Under the sponsorship of Mr. Randy Pippen, the club was led through a very successful year.

Sharri Perkins presided over the club with Michelle Cada as Vice-President. Jill Szachnitowski was Recording Secretary, Miriam Foster was Corresponding Secretary, and Jon Navilio served as Treasurer.

National Honor Society: Active

The National Honor Society, sponsored by Dr. John Mulcare, was active throughout the year. Led by President John Bartels, the club sold flowers for Sweetest, Valentine's, and St. Patrick's Day; mistletoe was also sold for Christmas. Proceeds were later donated to the school. As in the past, the club ushered for Honors Night and Graduation. The largest activity was Spring Initiation into the Society. Upperclassmen were inducted due to their scholarship, leadership, service, and character. Other Senior officers in NHS included Victoria Rojcek as Secretary, Treasurer Kristen Powell, and Dan Modaff as Student Congress Representative.

The Tradition Lives On

In keeping with the tradition of Lisle Senior High, the Thespian troupe of Lisle performed in a variety of productions, among them Monte Carlo Night, the Variety Show, The Fall-Dinner Theatre, and the Spring Musical.

Thespians was formed in the fall of 1970 and is an honorary society for those who "symbolize excellence and compassion" for the field of drama.

People talk . . . they listen

Sponsor Pam Zimmerman led the Student Congress through a very successful year. The core Executive Board consisted of President John Bartels, Vice-President Miriam Foster, Secretary Michelle Cada and Treasurer Tim Hanssen. Additional members of the Executive Board included Photographer Paul Rosenthal, class presidents, and Publicity Chairperson Jill Godfrey.

The Student Congress accomplished much this year including raising money for Muscular Dystrophy, planning Christmas Week, organizing Homecoming festivities and an exchange with an inner-city school.

This prestigious group of students did more than their share to benefit the students, the school and the community in which they function.

Band Gets New Uniforms

The Lisle Senior High Band had a busy schedule during the 1984-85 school year. In the fall, drum majors Dawn Recka and Kris Anderson directed the Marching Band to songs such as "Fiero," "Bill Bailey," "Sing Sing Sing" and "Battle Hymn."

In addition to three concerts and two parades, members of the band attended IMEA, NEC, and Solo and Ensemble. The Lisle Band Parents, along with the Board of Education, bought the band new uniforms. They were worn at several performances, including the trip to a festival competition.

Several of the band's successful fund raisers included selling fruit, sausage, cheese and cookies.

VALE Changes

Vale went through many changes this year. Mrs. Hendershott resigned her position as Advisor to teach at York High School. Mrs. Penny Tuchmann took over the position and contributed many new ideas.

Michell Cada and Jill Godfrey served as co-editors. Scott Corrigan was assistant editor, Jill Szachnitowski was layout editor, and Miriam Foster was copy editor. Paul Rosenthal was photography editor.

This year added expense was given to the yearbook with eight pages of color designated to Homecoming and the Variety Show and a special silver cover. Added thanks is given to Chris Matus for designing the cover of the yearbook, and to Scott Corrigan for doing work far above the call of duty.

PRIDE is On The Move

The PRIDE of Lisle Senior High School went through, in the words of Editor-in-Chief Kevin Kwong, "a bold departure" this year.

With fresh, new, neat, and bright make-up, with an expanded "Lion's Roar Column," and with a new slogan — WE ARE ON THE MOVE, the PRIDE staff presented the school with topical articles and punchy headlines. "Hungry Lions Belch" and "Dr. LeCrone Says Yes To Michigan" were just a few among them.

Dwight Burkett was Copy Editor; Casey Malone and Gilbert Cheng, Associate Editors; Huda Scheidelman, Sports Editor; and Joe Hughes, Advertising Editor. New Lisle teacher Penny Tuchmann advised the PRIDE, and Robert Jones was Production Consultant to the tri-weekly paper.

Chosen members initiated

Quill and Scroll was once again active in Lisle Senior High. Scott Corrigan and Kevin Kwong, the only remaining members from the previous year, served as Co-Presidents.

At a candle lighting ceremony, Angie Rosalas, Jill Godfrey, Jill Szachnitowski, Miriam Foster, Karen Liby, Huda Scheidelman, Joe Hughes, Gilbert Cheng, Dwight Burkett, Victoria Rojicek, and Casey Malone were initiated by Mrs. Tuchmann.

Quill and Scroll is a society aimed at improving journalism within our school.

Mathletes Compete

The Math Club was as usual very active, participating in the NSC math contest as well as others. The club president for the 1984-85 school year was Becky Bourn, and Casey Malone was Vice-President.

Performance, Our Speciality

Under the direction of Mrs. Densford, the Varsity Choir remained busy participating in various concerts and contests. Mrs. Nelson choreographed many dance numbers for the choir productions. The Variety Show, the Spring Concert, and the Madrigal Dinner were just a few of the many productions in which the choir participated.

The Madrigal Dinner was the highlight of the Chamber Choir's year. As in previous years, it drew a large crowd, and many hours of production were put in to produce a very successful evening. The Chamber Choir also participated in the Variety Show, the Spring Concert, and many of the members earned roles in the Spring Musical.

Varsity Football Picks Up

In his second year as Head Varsity Football Coach, Dennis Ghinazzi improved his record immensely this past year.

Finishing the 1984 season with a 5 win and 4 loss record, the Lion team had six players named to the NEC All-Conference team. Senior Jeff Gorden was chosen for both offensive guard and defensive tackle honors, and Seniors Bobby-Jack Klausner at defensive linebacker, Kirk Walker at center. Juniors Ed Theis at runningback, Dave Johnson at fullback, and Raffi Khelghation at guard were also selected. Bobby-Jack Klausner and Jeff Gorden were chosen as co-captains.

Sophomores Are Champs

The 1984 Sophomore Football Team had quite the successful season this past year. Led by co-captains Jason Konder and Byron Wright, the team went on to lose one game in their Conference title-clinching season. Coach Randy Pippen led the team to their success.

Challenging Perfection

This year's Volleyball Team took on a great task, which was to improve on an already impressive win/loss record of last year's team.

The team finished first in their conference with a 10-0 record. They ranked 5th in state during regular season play. Team captain was senior Sandee Gonda. Sandee was named to All-Area and All-State teams. Other members of the team named to special teams were Jenny and Carol Dickey, Barb Wood and Melissa Cada.

Starting a Trend

The large Frosh-Soph Volleyball team, coached by Mary Kay Brooks, consisted of seven sophomores and eight freshmen this year. After developing their skills at the summer camp, the team started its regular season as school began. In addition to weekly games and practices, the team participated in four Saturday tournaments with Sally Pelzer as team captain. The team's overall record was 9-5, and they finished by capturing third place in their conference.

Lions Take Third

This past year's Golf team took 3rd place in the NEC Conference meet held at Lemont.

Team member Todd Warren placed 9th in the Regional meet, and at the Sectional meet, just missed qualifying for the State meet by two strokes. Todd Warren was also voted MVP, and Roger Cyrus was voted Captain, with Coach Bob Jones completing his year as coach.

Lions' Cross Country Success Continues

The 1984 Cross Country team had their most successful season in their history. Even though their ultimate goal of having their team qualify for state didn't come true, they did send one Senior down, Dave Mondek. In his best race of the year, representing the Lisle team down state, he finished fifteenth.

The girls' team also had their most successful season. Their successes started out by having the best record in the girls team history. Capturing their first North East Conference title was the highlight of the girls' Cross-Country season. Winning the girls' Conference was freshman, Suzy Hooper. Frosh-Soph champ was Joe Riha, and Varsity, for this third consecutive year, John Bartels.

The varsity successes started out with a second place finish at the Kaneland Invitational, third place finish at Dixon Invitational and their fourth North East Conference title in a row. Along with the fine performance of these meets, the Lions also had their second consecutive undefeated

season. Although the Lions' ultimate goal was not captured, Coach Crouch has much hope for the next season.

The seasons that the Lions have had in the past two years had built a solid foundation for many seasons to come.

Lions Swing Changes

The Lady Lions Tennis team was led by Senior Captain Karen Koldoff and Coach Beato. Outstanding performance was shown by Freshman newcomer Cindy Hooper. She set a school record by taking fourth place at the Sectional meet. Cindy went on to compete at state.

The 1984 Boys tennis team was captained by Seniors Tim Baran and Mike Ramsey. The boys finished with a fine overall record of eight wins and six losses.

Wrestlers Strive

There was a lot of stability on the Wrestling squads this past year, starting with the return of Head Coach John Ruettiger and more than half of the starting Varsity wrestlers from last year. Among those returning were Bobby-Jack Klausner at 145 lbs., who took 2nd down-state. Joe Kucharski and Heinz Heinisch, who also competed in the State Meet. They'd Rather Be Swimming

One of the best kept secrets at Lisle Senior High School was the Swim Team. Because of the lack of awareness, only a few people swam in the District Meet. Doctor John Mulcare, the chemistry teacher at Lisle High, was the coach and sponsor of both the girls' and boys' teams. The Captain of the girls' team was a junior, Kristina Groth.

Baseball Takes A Swing

Although the 1984 season was a disappointing one score-wise, the Varsity team, led by Head Coach Don Clark had much potential.

Their overall record was that of 6 wins and 10 losses. Their conference record was 4 wins and 8 losses. Weather played a major roll in the season, as conditions were not complimentary of game schedules.

F-S Baseball Tries

The Frosh-Soph team, coached by Bill Rosenburger and Assistant Coach Tom Hess had a few obstacles to overcome.

The weather played a major part in the team's season. Approximately half of the scheduled games and practices had to be postponed, and in some cases cancelled, due to the inclement weather conditions.

Bowlers Right Back

This years 1984-85 bowlers had a successful season despite a slow start. They practiced everyday, and on the average they participated in two meets a week. They took third place in their sectionals and participated in two tournaments this year, Thornridge and Dixon. The top three bowlers of the year were Sue Cyrus, Christy Simpson, and Kelly Koshchorek.

Girl's Track Achieves Goals

The 1984 Season proved to be very successful for the Girls Track Team. Although they finished second in conference many new records were broken and a strong effort was made to achieve their

goals for the season.

Leading the team through its victories were Head Coach Bob Jones and Miss Karen Uhler. The Lions were represented at the State Meet by Huda Scheidelman,

Sally Pelzer, Lisa Klein, Amy Schlect, Donna Wagner, Selenia McPhee, Tomi Taggart, Heidi Scharnagle, Jeanie Whalen, and Julie Hlavac.

Lions Track . . . NEC Champs

The 1984 Lions Track Team had another successful season this past year. The Lions were not only successful on the Varsity level, but on the J.V. level also.

Their successful season was shown in their 16-1 record and their second place

finishes at the Reaper Invitational, Lisle Invitational and the IHSA Sectional. Both the Varsity and Sophomore teams were NEC Champions.

To finish up the season, the Varsity Lions sent seven team members to the

State meet: Mike Honeysett in high jump, John Klein in pole vault, and the 4th place 3200 meter relay team consisting of Nels Hendrickson, Steve Siciliano, Jim Hughes, Brian LeCrone, and Chris Matus.

Nothing remains the same

Ms. Barbara Lund retired as the team's sponsor this year leaving things in the capable hands of Mrs. Michelle Kass, the new Spanish teacher. The two captains, Miriam Foster and Dawn Nelson, were left to break in a new sponsor. Dawn Nelson moved away, and Michelle Gallup replaced her as captain.

Despite the seemingly evident obstacles in their way, the Lionettes overcame them with amazing magnitude. They diversified their style which broadened their range of audience. They used various colors of poms during football and basketball games and also used ribbons secured on sticks to add variety to their performances.

The Drill Team's hard work was evident to all who viewed their routines and definitely paid off according to the numerous smiles seen on the faces of their audiences.

Cheerleaders Promote Spirit

The Cheerleaders brought with them a bunch of spirit and hard-working attitudes in the 1984-85 school year. The changes that were made during try-outs to enlarge and combine the squads worked to create spirit-filled pep rallies and games.

Over the summer 12 members of various squads attended an NCA Superstar camp at Rockford College. During the four day stay the girls accomplished many things, but most of all they received the highest rating a squad could get every night and were chosen as one of the top three squads at the camp.

In november they hosted the first Illinois Regional Cheerleading Competition ever, and hope to make it an annual event.

On January 19 a Varsity and a JV squad competed in the Palatine Cheerleading competition.

The Football and Basketball and Competition squads were coached by Mrs. Frias and Mrs. Schneideriet and the Wrestling squad by Mrs. Sullivan.

Flag Corps

The eight member Flag Corps greatly improved during their 1984 season, under the direction of Captains Gerette Campbell and Kathleen Francisco. The corps engaged various forms of entertainment along with their standard colorful flags in their shows. During football season they used miniature flags in the "Sing-Sing-Sing" routine and displayed an 8x15 foot Old Glory in "Battle Hymn." Ribbons and a silver streamers were used for halftime at basketball tournaments, and the flags added color to the band in two parades.

VALE

Slowly Evolving Changes Maximize

Dr. Charles LeCrone resigned from LSHS this year leaving principalship in the capable hands of Mr. Ron Logeman. Mr. Logeman fulfilled his duties with expert handling. He made the transition smooth and used the change to benefit the school, its pupils, as well as the faculty. An addition to the staff who filled the vacancy of the Dean of Student Affairs was Ms. Bonnie Houda. She executed several new rules and enforced several old rules with greater impact.

The Board of Education once again worked very hard to set effective school policy.

Service on A Platter

The cafeteria was another one of the changes that the year presented. A new food service, Servomation, was responsible for this change.

The service catered more to a la carte items than to lunches. New items included salad bars, yogurt, pies, pudding, fruit, and two sizes of french fries and malts. Although a la carte items were added, lunches were also improved. More lunches were sold in comparison to last year. Reasons for this include the decrease from \$1.50 to \$1.25 for lunches and the wide variety of foods such as tacos, chicken, and pizza.

Although no personnel changes were made, new uniforms were added to the staff.

So with the many new food choices at a lower price and a new look to the employees, students felt that lunch period presented them with even another change.

Lending A Helping Hand

Counselors Betty Loos and David Anderson did their part to guide LSHS students through the important decisions of their lives. Part of their duties ranged from orientating the incoming Freshman to helping out-going seniors choose the right college. Mrs. Kremer helped out by tying up the many loose ends.

College and career information was distributed through the Career Resource Center by Mrs. Newman.

Changes Reflect Improvement

Ms. Barbara Lund, a former teacher, became the school Librarian this year. She was helped by the Library Aide, Ms. Nancy Kaushan. This team worked together cooperatively to make the transition a smooth as well as an organized one. Ms. Lund's load of classes was assumed by Mrs. Anne Johansen.

Mrs. Orlopp along with Mrs. Alles reared the Special Education Department. Their caring, patient and understanding efforts were rewarded by successful students.

English Spoken here

Many changes were evident in the English Department. A variety of classes were offered including Modern Literature, Creative Writing, Interpersonal Communications, Cinema, Drama, Writing for College, Traditional English, and the basic English classes..

In addition to sponsoring the Wrestling Cheerleaders, Mrs. Sullivan was also the head of the English Department for the first time. Mrs. Fiore directed the Fall Play as well as the Musical and sponsored the Ski Club and Thespians. Mrs. Tuchmann, the newest addition to the department, became the advisor of Vale, Pride, and Quill and Scroll. Mr. Beato again was the Boys and Girls tennis team coach.

"We need more pictures?!" 10. "Who said my jokes aren't funny? Are you laughing now?"

Science Department Benefits Our Future

Many classes were offered by the Science department of Lisle Senior High. Physical Science, Biology, Chemistry, Physiology, and Physics were the classes taught throughout the year. They all were taught professionally by Mr. Crouch, Mr. Ciesielski, Mrs. Frias, Mr. Bates, and Dr. Mulcare. They taught from the basic ideas of science, to the complex ideas of physics. All the teachers emphasized the idea of organizing your thoughts and learning good study habits that will benefit our future in college. By studying these courses at Lisle Senior High, students have enriched their knowledge for the future.

Math . . . Adds Up

Changes also were apparent in the math department. A new math teacher, Mr. Coit, was added to the staff. He taught geometry, Basic Algebra, and Algebra I. Mr. Bobbit, who assisted in football, wrestling, and track taught Geometry, Algebra I & II classes. Mrs. Smith taught all computer classes, one geometry class, and one Algebra I class. Mr. Poppen headed the math department and taught Algebra II, Math Analysis, and Calculus. In his spare time Mr. Pippen also coached the undefeated Sophomore football team, and was very helpful as the Key Club Sponsor for his second year at Lisle Senior High.

Set Pace Remains Unchanged

History, once again, was a popular subject among the students. Again, the Juniors were required to take United States History, and the Seniors were required to take American Government. Economics, Contemporary Problems, and World History were also offered to help in obtaining the two and one half credits needed to graduate.

Although, they were busy, the History Department continued to sponsor many extra-curricular activities. Mrs. Zimmermann sponsored the Student Congress and gifted program. Mr. Neahaus sponsored the Senior class, and Mr. Ghinazzi was head Varsity Football coach.

1. Mr. Ghinazzi prepares a test. 2. "What me worry?" 3. "Studying isn't as bad as I thought it was going to be." 4. "What's a girl like me doing in a place like this?" 5. Alan Nalley contemplates his next point. 6. "I told you you're on Candid Camera!" 7. Tex Ghinazzi yucks it up with some cowgirls. 8. "Now guys, both of you can't take me out tonight, but we can make arrangements." 9. Mr. Neahaus explains why Capital Punishment is morally wrong.

Driving Forces

Despite the rising cost of driver's education, Lisle Senior High was once again able to offer the class to all eligible sophomores. Mr. Gollan taught in the classroom, while Mr. Ciesielski instructed the students behind the wheel.

Mr. Gollan also taught the consumer education portion of the program. Consumer education is a nine-week course aimed at helping students prepare for domestic financial problems in their future lives.

Training For A High Tech Future

The business department worked hard to keep up with the changing technology of today's world. Together, Mrs. Cunat, Mr. Jones, Mrs. Swanson, and a new addition to the department, Ms. Labos, provided classes in accounting, business law, data processing, typing, and sales.

With the purchase of new computer software, a word processing class became available to interested students.

The computers were used in many of the business classes in order to train students for a high tech future.

Foreign Language and Yet Another Change in 1985

Mrs. Kass joined the staff this year as Spanish teacher, replacing Mrs. Eggerton who took maternity leave. As odds had it, we lost Mrs. Kass for the same reason at the end of the year. Spanish classes were run basically the same as last year, but Spanish IV was required to read novels this year.

Miss Schneidreit started for her second year as a teacher at Lisle. She taught four French classes and one Spanish class. French classes have changed in that extra activities were offered and reading outside the regular books occurred more often. In French III and IV classes, students followed independent study programs for part of the week, watched French films, and read many novels, as well as studied different aspects of French culture.

Art Creates Design and Atmosphere

Not to be confused with classes such as Basketweaving I, art classes demanded creativity, persistence, and an amount of talent. Mrs. Godfrey again worked with many students to nurture their hidden talents. Classes offered included Art Workshop, Ceramics I and II, Drawing and Painting, Art I, and Art II. The major change instituted was the dropping of jewelry classes and assignments due to the cost of the needed materials.

Students in Mrs. Godfrey's classes participated in contests and shows, designed covers and graphics for various programs, and made many of the posters that hung around the school.

1. Lester Lewis amuses himself during Spanish. 2. Mrs. Schneiderei teaches diligently. 3. Mrs. Kass teaches class. 4. Mrs. Godfrey laughs with her students. 5. The Art class keeps busy while working on their projects. 6. Art students amuse themselves during pottery. 7. Joe Kucharski makes some awesome clay figures. 8. Anne and Sue work on their projects.

Broadway Here We Come!

The Music Department had another successful year with many students joining the Band, Varsity Choir, or the Chamber Choir. Mrs. Densford was in charge of the two choirs, which participated in contests and concerts. The Band was instructed by Mr. Green. The Jazz Band, Marching Band and Stage Band also played many concerts.

Industrial Arts Expands

As in previous years, Industrial Arts was a very popular subject at Lisle. Mr. King was the head of the department which included not only woods classes, but photography, metals, drafting.

Exceptional projects made by the students were displayed in the office for all to admire. Students also were able to compete at local contests. Photography students were able to display their photographs in the Library, and some students took advantage of a contest held at the College of DuPage.

Mr. Clark taught some industrial arts classes in addition to P.E. classes.

Physical Education Department Changes Again

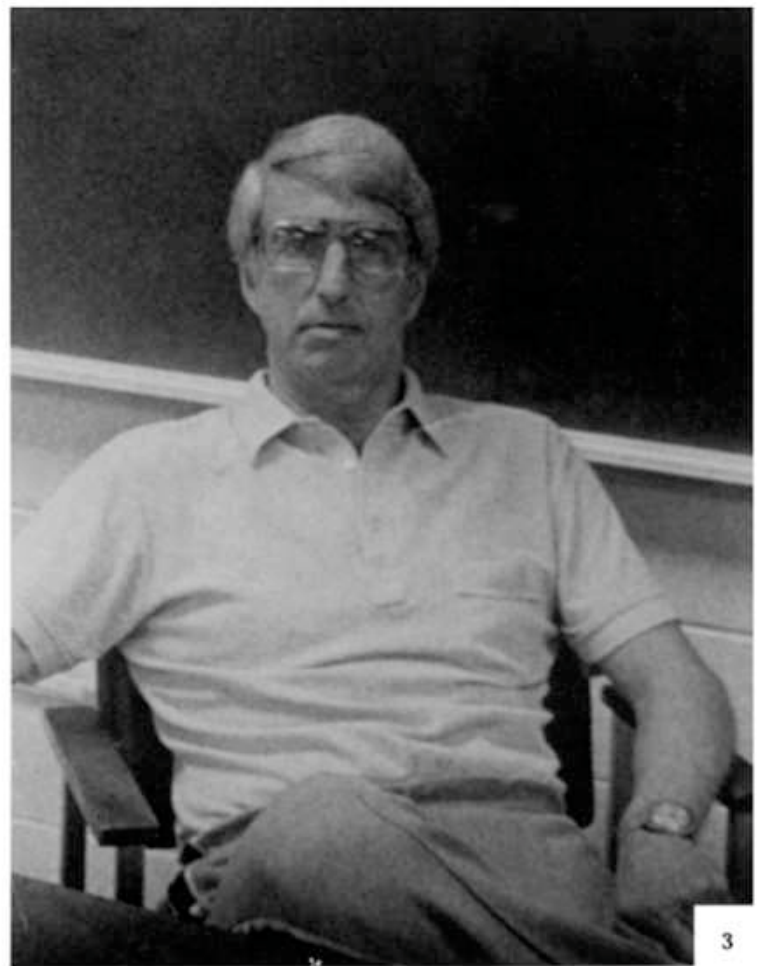

Of all the departments in the school, one saw the most changes in staff in the P.E. department. Mr. Ruettiger was added as a regular teacher after having served as gym aid last year. Mr. D'Amico and Mr. Clark were also new faces as teachers, though they both had coached and taught at other Lisle schools. Mr. Baum, Mrs. Poetker, and Miss Uhler returned as teachers, offering their knowledge as sportsmen, athletes, and coaches.

Classes were seen participating in such activities as basketball, cross country, soccer, volleyball, aerobics for the girls, and hockey. Classes only combined co-educationally for a limited number of activities.

VALÉ

The Seniors Move On.

The Class of 1985 was one with true spirit. For the second year in a row, they won the Homecoming Spirit Week and earned a first place in the float competition. Many Seniors awaited their college acceptance while others filled out job applications. Being the last year for the Seniors, they were only required to take American Government, while some students elected to take it easy and not have a heavy load for their senior year.

The Senior Class of 1985 has made many contributions to Lisle Senior High School, and we wish them the best of luck in all of their endeavors.

The Real People

Juniors Now "Upper class"

With yet two more years to complete, the Junior class entered their "hardest" year of school. Although there were relatively few required courses, most students took difficult classes in order to prepare for college. Chemistry, Algebra II, and a continuation of a foreign language were courses the majority of the Junior class took in addition to the required History, English and Physical Education classes.

The Junior year became a year for many to look back and reflect on how much they had accomplished and to look forward and make goals for their future after graduation.

SAT's and ACT's are introduced to students their Junior year as well as college application.

College applications were a welcome sight. Students dreamed about getting away from Lisle and broadening their horizons.

Sophomores Progress

Sophomore year was a break for most students. More electives were offered, and Drivers Education was required, adding to the anticipation of the infamous birthday when most people earn their licenses. Health and Consumer Education classes were also taken to meet graduation requirements.

Many Sophomores took jobs at the local stores and restaurants to help pay for the records, tapes, clothes, food, and makeup.

Mallards Mature

Every year in August about 150 students enter a building that will become their home-away-from-home for four years, Lisle Senior High School. These students are labeled "Freshmen" (fresh' min) and also referred to as mallards or underclassmen.

Freshmen year is the first level of maturity in a four year course called high school. Through the years those 150 students will encounter new experiences and conquer many problems.

As Freshmen, the students felt in turn frustrated, angry, happy, excited, and sad. They began to realize how obnoxious the Seniors were, as well as how helpful they could be. Freshmen were the students who huddled together in little groups at the first pep assembly, who bought elevator passes from Seniors, who shook as they were called to the dean's office for the first time, and laughed as they were called for the eighth time.

In Fond Memory of

Scott Border
November 9, 1967 — December 24, 1984

People who know
how to brighten a day
with heartwarming smiles
and with kind words they say,
People who know
how to gently impart
the comfort it takes
to cheer somebody's heart,
People who know
how to always come through
when there's anything
they can possibly do,
People who know
how to willingly share,
who know how to give
and know how to care,
who know how to let
all their warm feelings show ...
Are people that others
feel lucky to know

— AMANDA BRADLEY
