## Dedication

We the staff of the 1958 Valê fondly dedicate this, our first yearbook, to the community that has unselfishly aided and inspired us.

Without the efforts of these fine people, we could not have had the opportunity to improve our social and intellectual background in our own school.

Although we may not always retain the memory of the trials, conquests, and failures of this first year, we are, and forever will be, indebted to the community that has made them possible.

No Comment needed

Well, that's a pretty touchy subject.

Snap! Snap! shhh!! Hurry along!

Now Mr. Wilde!

Well, uh!

Trig<sup>2</sup> + Chemistry<sup>2</sup> + Physics<sup>2</sup>  
+ Geometry<sup>2</sup> = The Square!

Al right, shut up!

All right, class.

*Open the door and you will be  
The first to see our faculty . . . .*

We have 788 books in here..

Now we're getting off the subject. An example of this is...

Don't tie your shoes in a watermelon patch.

1 and 2 and  
You gotta read

Behave like gentlemen.

Don't pound on the wall!

The "first lady" of L.C.H.S. is undoubtedly Mrs. Winnifred Campbell. She is not only a most efficient secretary, but also a counselor and friend to the students.

The word "custodian" certainly wouldn't be adequate to describe our favorite guy, Clarence Wilde. A better word would be "pal." His smiling face in the hallway adds a little bit of cheer to each day. Much of the success of our school activities can truthfully be attributed to him.

We want you to know, Mr. Wilde, that we can't thank you enough for all you've done to keep our school clean and to raise the morale of each and every student.

We can't overlook thanking Mrs. Davis and Mrs. Burkman who along with their L.C.H.S. helpers, have prepared such terrific meals for us. We certainly appreciate having both good meals and friendly cooks to serve them.

Proudly, we the class of '58 gaze back upon the last four years, not without sadness, but with the deep satisfaction of a job well done.

Our three-year separation at Naperville and Downers Grove High Schools enabled us to gain new friends and experiences.

Now we are again united into a single graduation class.

By working together, we have strived to gain recognition and to set high standards for our new Lisle High School. The Senior Play, our clubs, and Valē are all indications of our efforts--such large endeavors for a class so small in number!

Baccalaureate and Commencement, the climax of our high school days, come all too soon. This our senior year has indeed been the shortest.

Through the Homecoming Dance, the "after-game" dances, and organizing the first prom, the active Junior Class has proven its fine school spirit. We have been well represented in school activities and in the field of sports. Next year, after climbing for three years, we'll be happy to find ourselves on the top rung of the ladder.
