Wow...it's been a long time! Good memories. Remember you gave me my first job as your assistant at the Park District. Hope you're doing well. Hope you have a wonderful 80th birthday.

Coach, you were instrumental in growing my love for sports whether track and field or football. I have passed that on to my three boys and have ventured into youth coaching as well. I'll never forget summer park district track and four years of undefeated conference football! Your generosity in giving of your time and efforts were much appreciated! Happy Birthday and all the best in your new year!
